AIR STATION (HELICOPTER) ORDER 5103.1A

From: Commanding Officer  
To: Distribution List

Subj: Wearing of Safety Shoes

Ref: (a) MCO 5100.8E

Encl: (1) List of Air Station Billets Requiring Safety Shoes

1. Background. The reference requires all personnel working in foot hazard areas to be provided with safety shoes at government expense. Supervisors, equipment operators, and inspectors are excluded unless they physically work in the area or handle material. All occupations within the Air Station organization have been reviewed with regards to foot hazards.

2. Cancellation. AS(H)O 5103.1.

3. Policy. Those billets listed in the enclosure are designated foot hazard billets. Personnel assigned to these jobs must wear safety shoes while on the job. Failure to comply is sufficient cause for disciplinary action against the offender and his/her supervisor, as appropriate.

4. Action

a. The Station Supply Officer shall provide safety shoes for all personnel assigned billets listed in the enclosure.

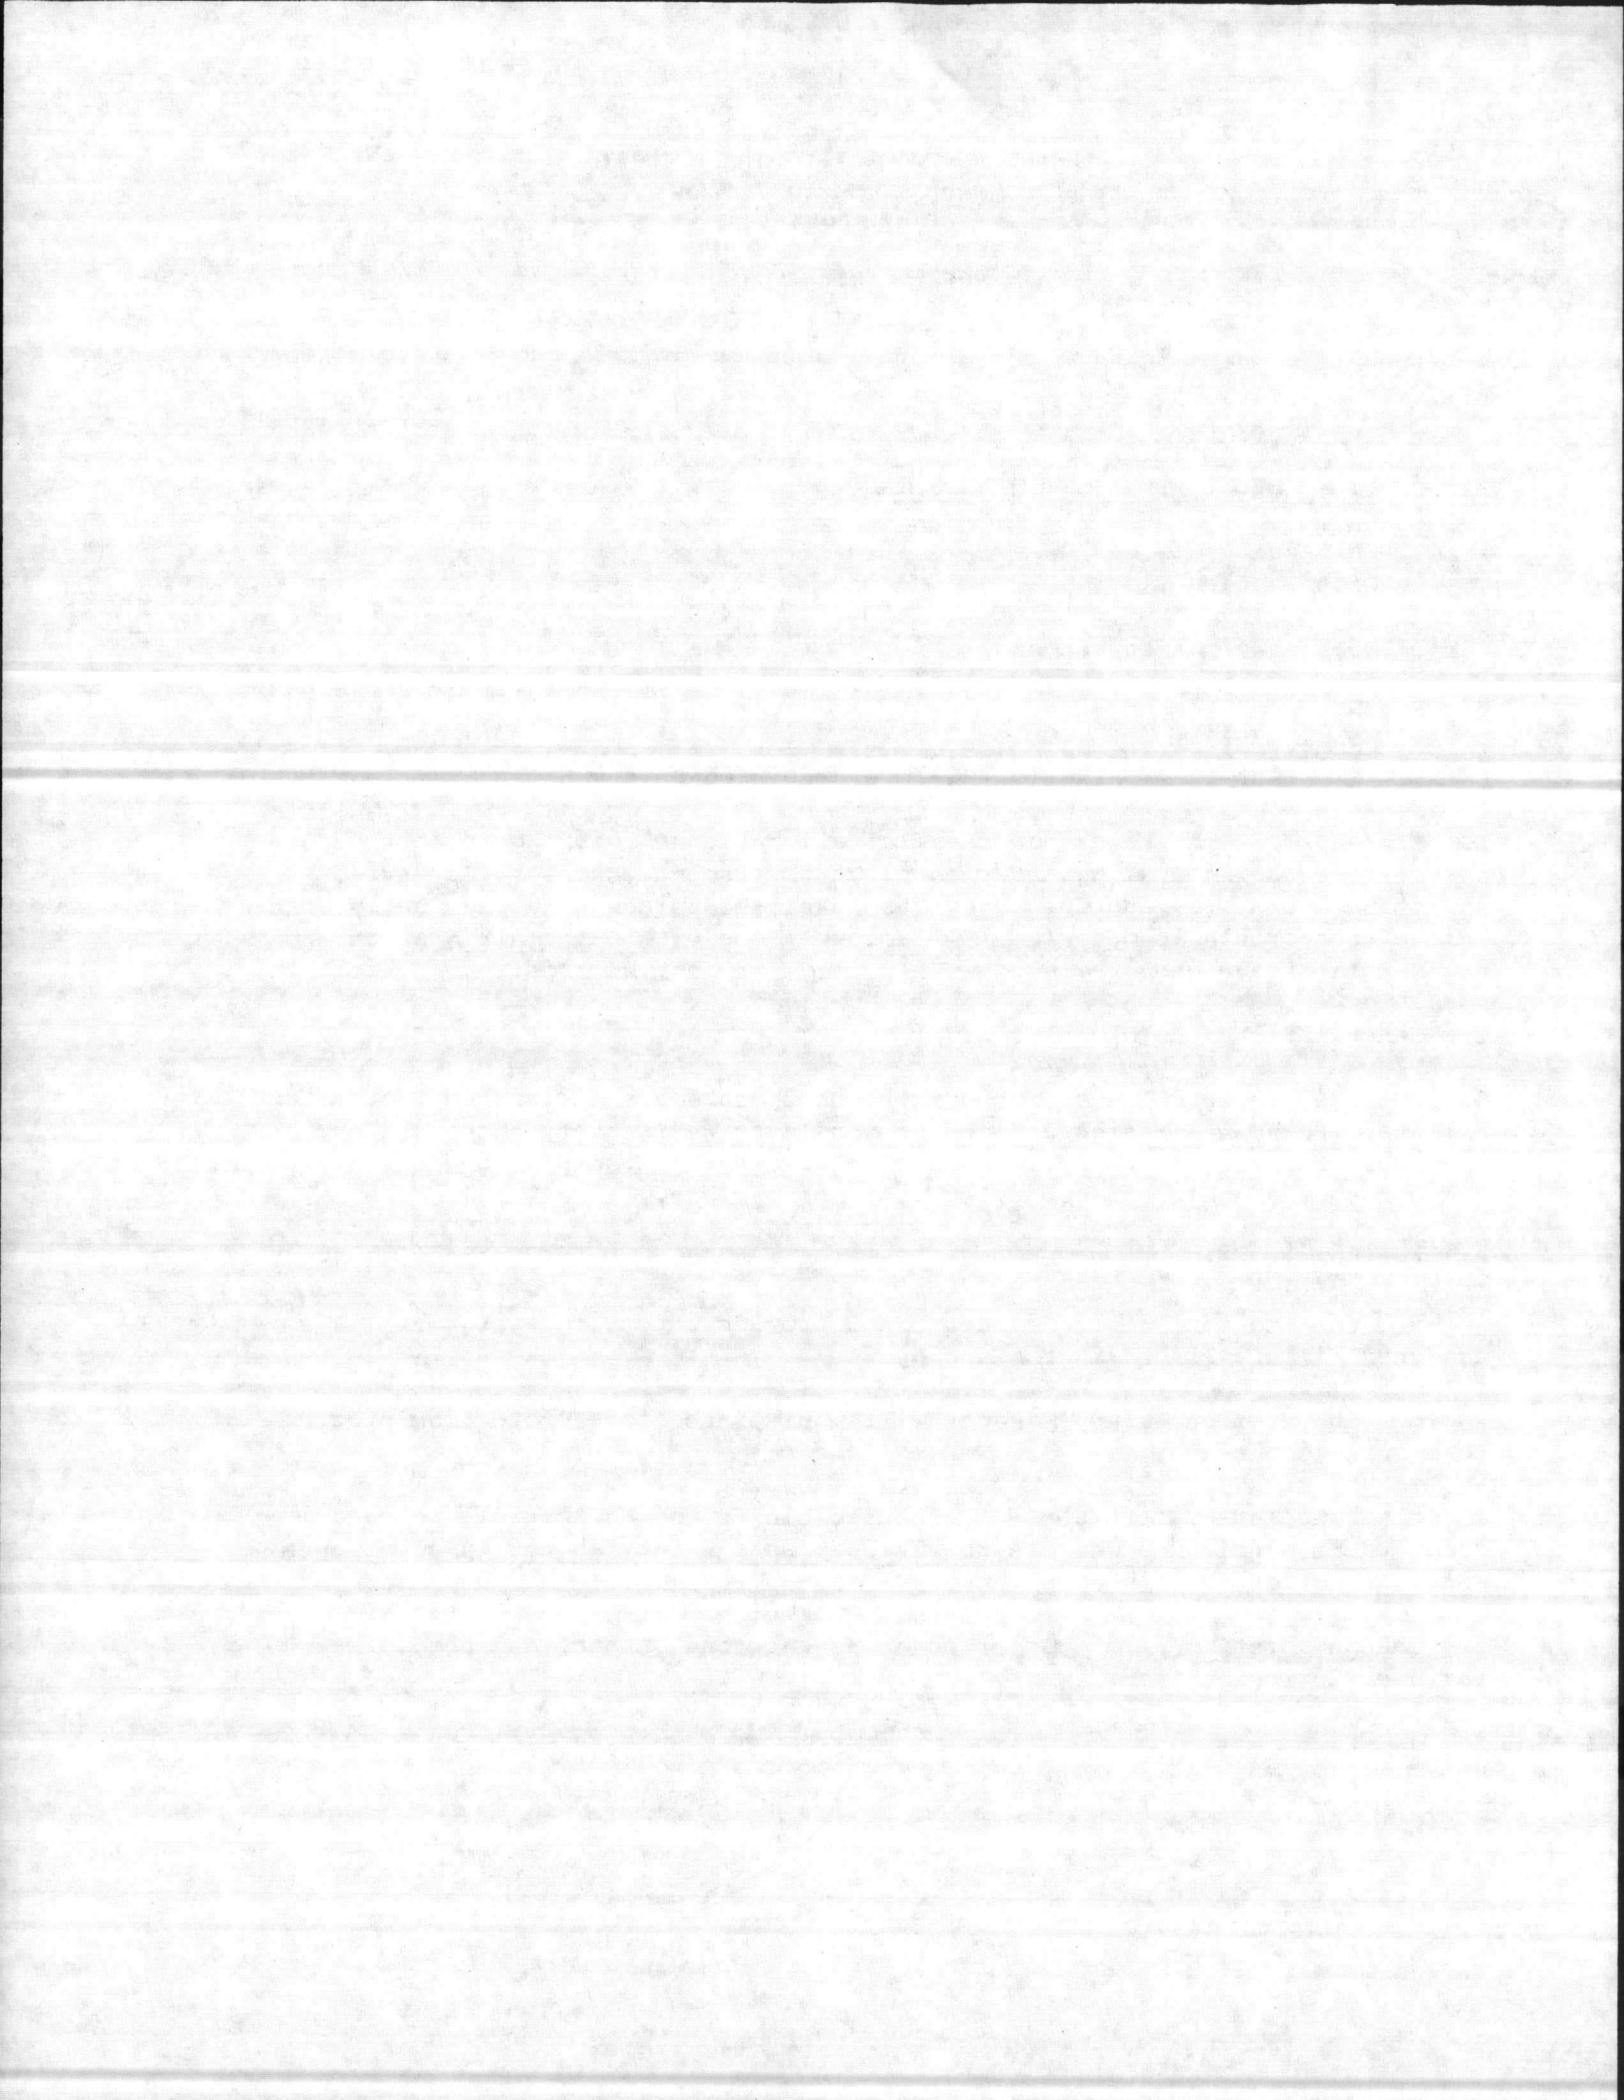

b. The Station Safety Manager will monitor the foot protection program to ensure compliance.

c. Immediate supervisors are responsible to ensure that all personnel under their cognizance who are required to wear safety shoes, in accordance with this Order, are in compliance.

5. Change Notation. This Order contains numerous changes and should be reviewed in its entirety.
