Dear Mr. Parker:

EnSafe is pleased to transmit two (2) copies of the draft documents related to the Hazardous Waste/Materials and Used Oil Management Study at Marine Corps Base Camp Lejeune. The following documents are enclosed:

- Volume 1, Summary Report
- Volume 2, Hazardous Material/Hazardous Waste Management Plan
- Volume 3, Used Oil Management Plan
- Volume 7, Project Documentation
- Volume 8, Project Literature

By copy of this letter five (5) copies of these documents are also being transmitted directly to Marine Corps Base Camp Lejeune. In addition, one (1) copy is being forwarded to DRMR Memphis at their request.

The objective of these management documents is to integrate compliance related management systems into the routine mission related operations at MCB Camp Lejeune.

Preparation of Volume 4, Revised SPCC Plan; Volume 5, Revised Oil Spill Contingency Plan; and Volume 6, HS Contingency Plan will continue during the review of the basic management plans by LANTDIV and MCB Camp Lejeune.

EnSafe is eager for the review of the enclosed documents by LANTDIV and MCB Camp Lejeune. If you have any questions during the review process, please call.

Sincerely,

Beth Patterson
