Inventory of tools and equipment 2 hours	11. 1) Types of sprinklers C systems on base  2) Hurst tool Training CP	21. Same as 20 March  * 2 hr. Inservice EMT Training
1) Proper Procedures in checking and donning a B.A.  2) Essentials of Fire Fighting Chapter # 1	12. Same as 11 March	22. Inventory of tools and equipment.  2 Hours
Same as 2nd March	13. 1) Fast attack hose lays WP (wet) 2) Procedures involved in hooking to hydrant. PW	23. 1) Ground cover fires (C) 2) Discuss F.D.'s role in Haz. Mat. response. (C)
1) Station Captain to conduct safety class. (C)  2) Fighting aircraft fires IFSTA 206..Ch. 17 (C)	14. Same as 13 March  * 2 HRS EMT in service	24. Same as 23 March
Same as 4th March	15. Inventory of tools and equipment. 2 Hrs.	25. 1) Types of Aircraft incidents. IFSTA 206- Ch. 15 (C) 2) Fire determination. Essentials-Ch. 13 (C)
1) Ladder Training (Outside) (P)  2) Using Master Stream appliances (WET)	16. 1) Review of F. D. Memos (C) 2) Fire Behavior (C)  * Officers Meeting Sta 6	26. Same as 25th March
Same as 6th March	17. Same as 16 March  * Officers Meeting Sta #6	27. 1) Basic hydraulics as applied to firefighting (PW) 2) Hose and Ladder Evolutions (P)
Inventory of tools and equipment.  Hrs.	18. 1) Ropes and knots (PC)  2) Safety class on Driving a fire vehicle (C)	28. Same as 27 March
1) Discuss F.D.'s Hose Sizes and Friction Loss for each. (C) 2) Class on salvage covers(P)	19. Same as 18 March	29. Inventory of tools and equipment. (2hrs)

and Protection Loss for each.  
(C)

2) Class on salvage covers(P)

equipment. (2hrs)

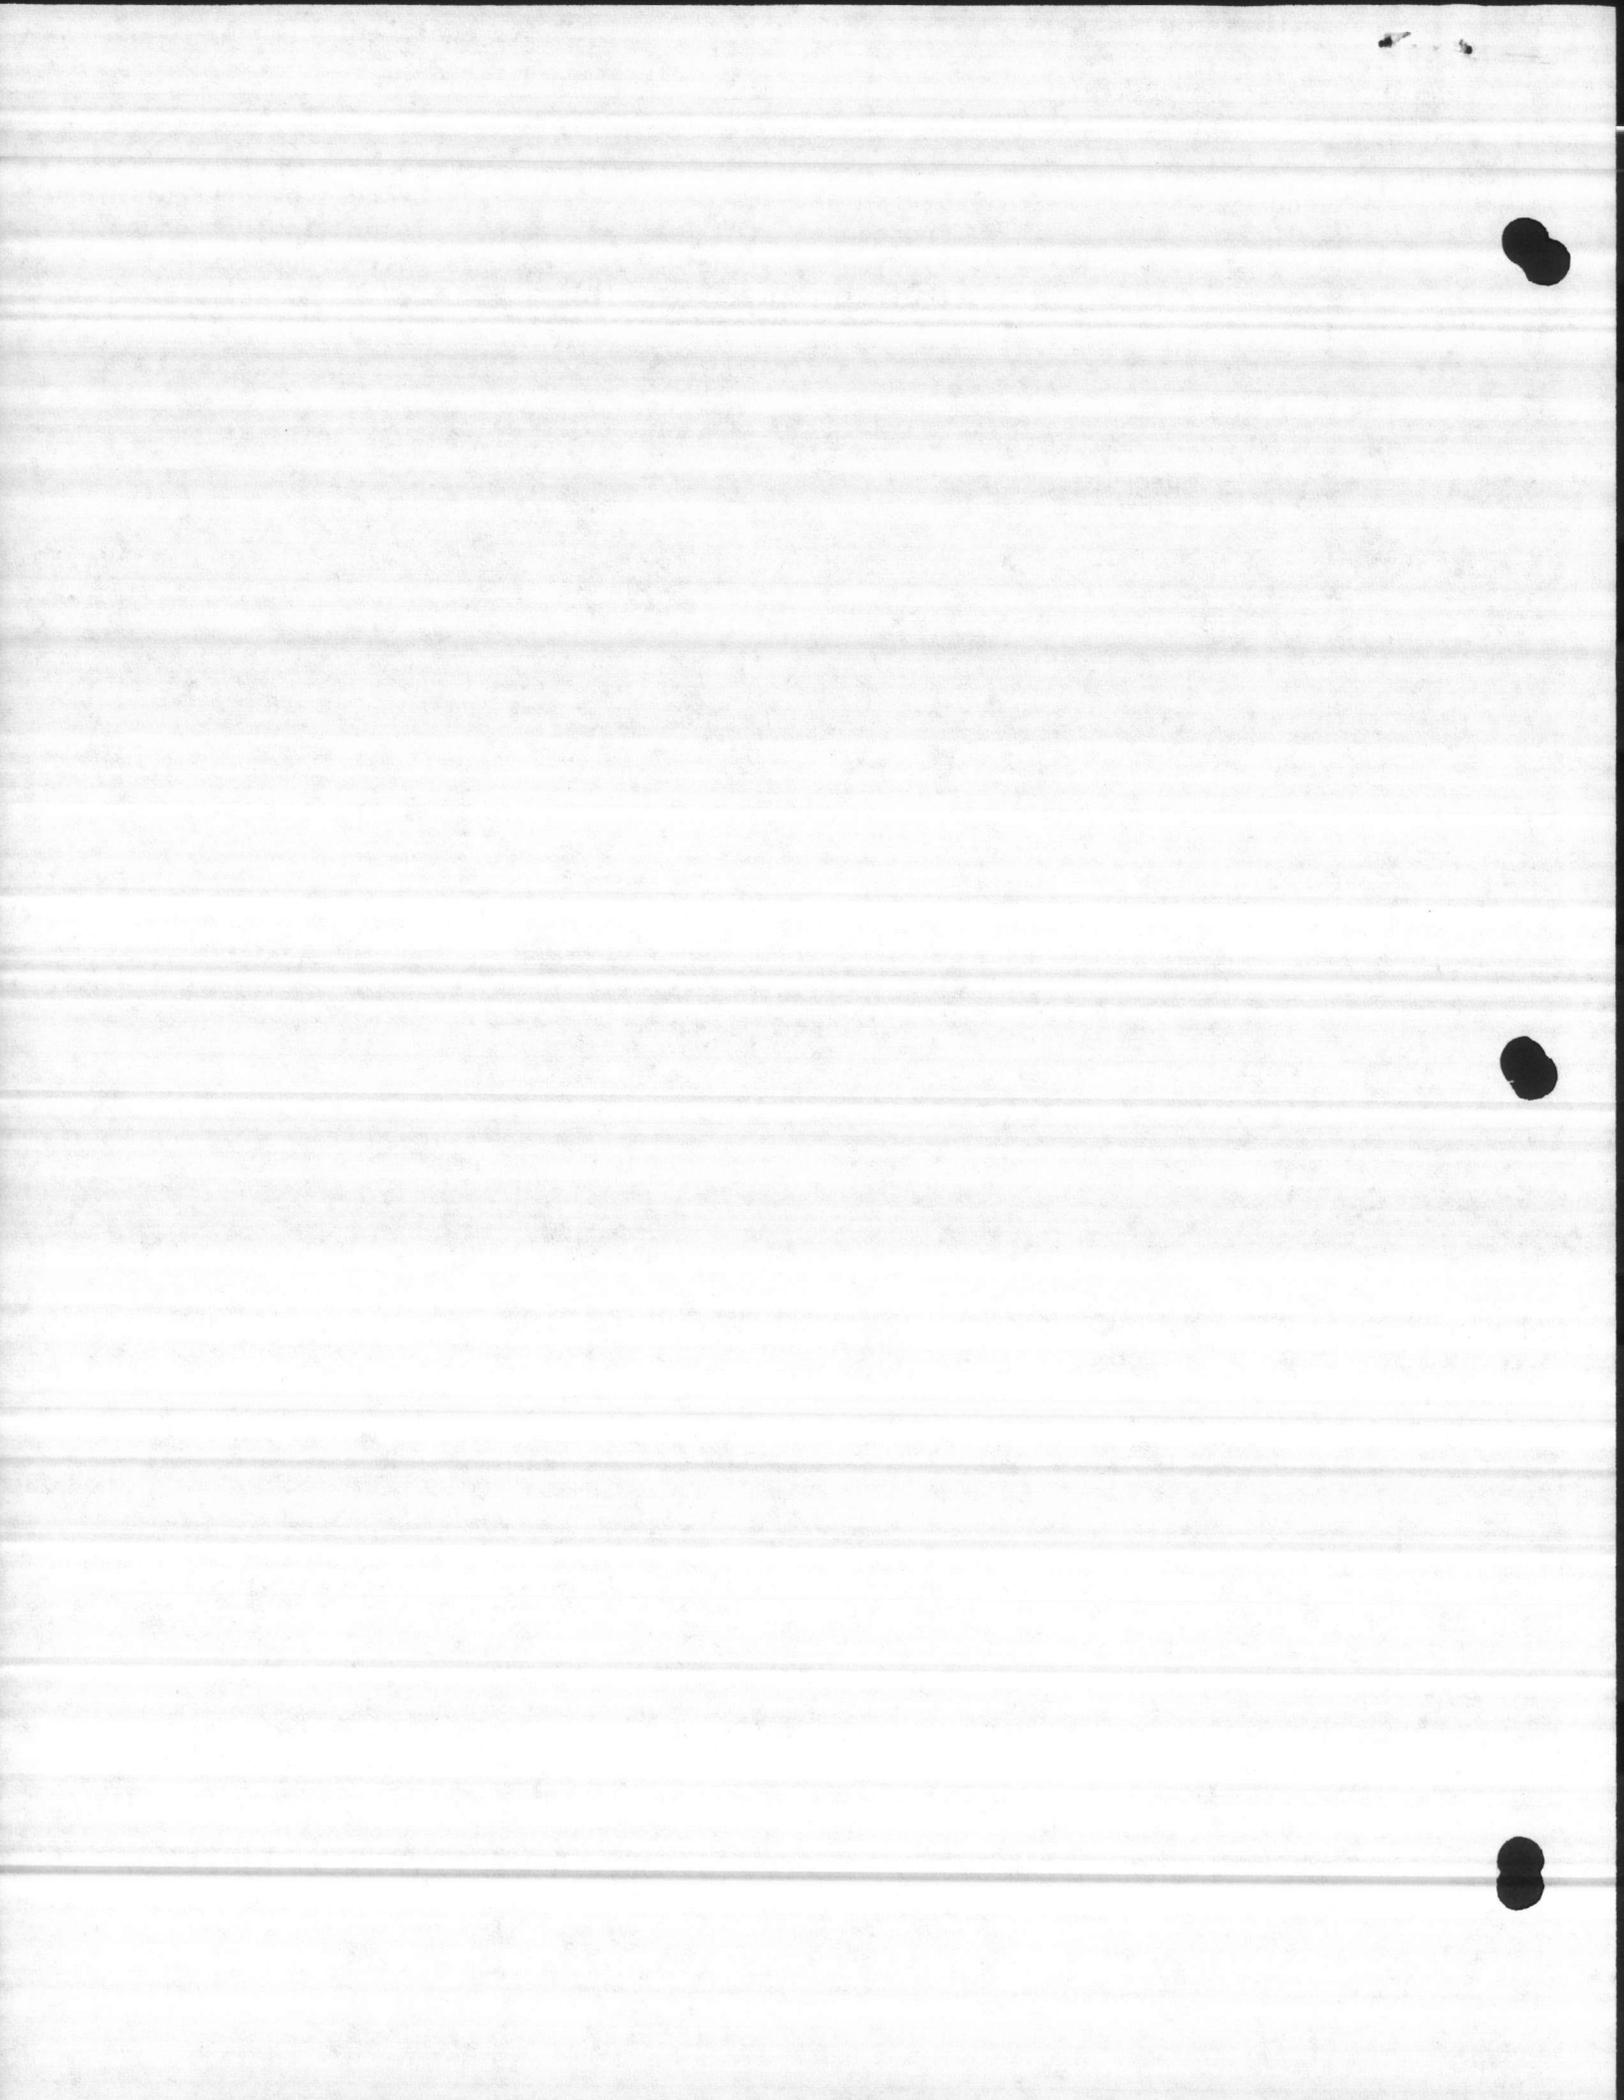

10 Same as 9th March

20.1) Search and Rescue  
Procedures (P)  
2) Placing gasoline  
equipment in action. (P)

30.1) Discuss proper building  
inspection procedures.(C)  
2) Water supplies (C)

31. Same as 30 March

FIRE PROTECTION DIVISION  
Marine Corp Base  
Camp Lejeune, North Carolina 28542-5000

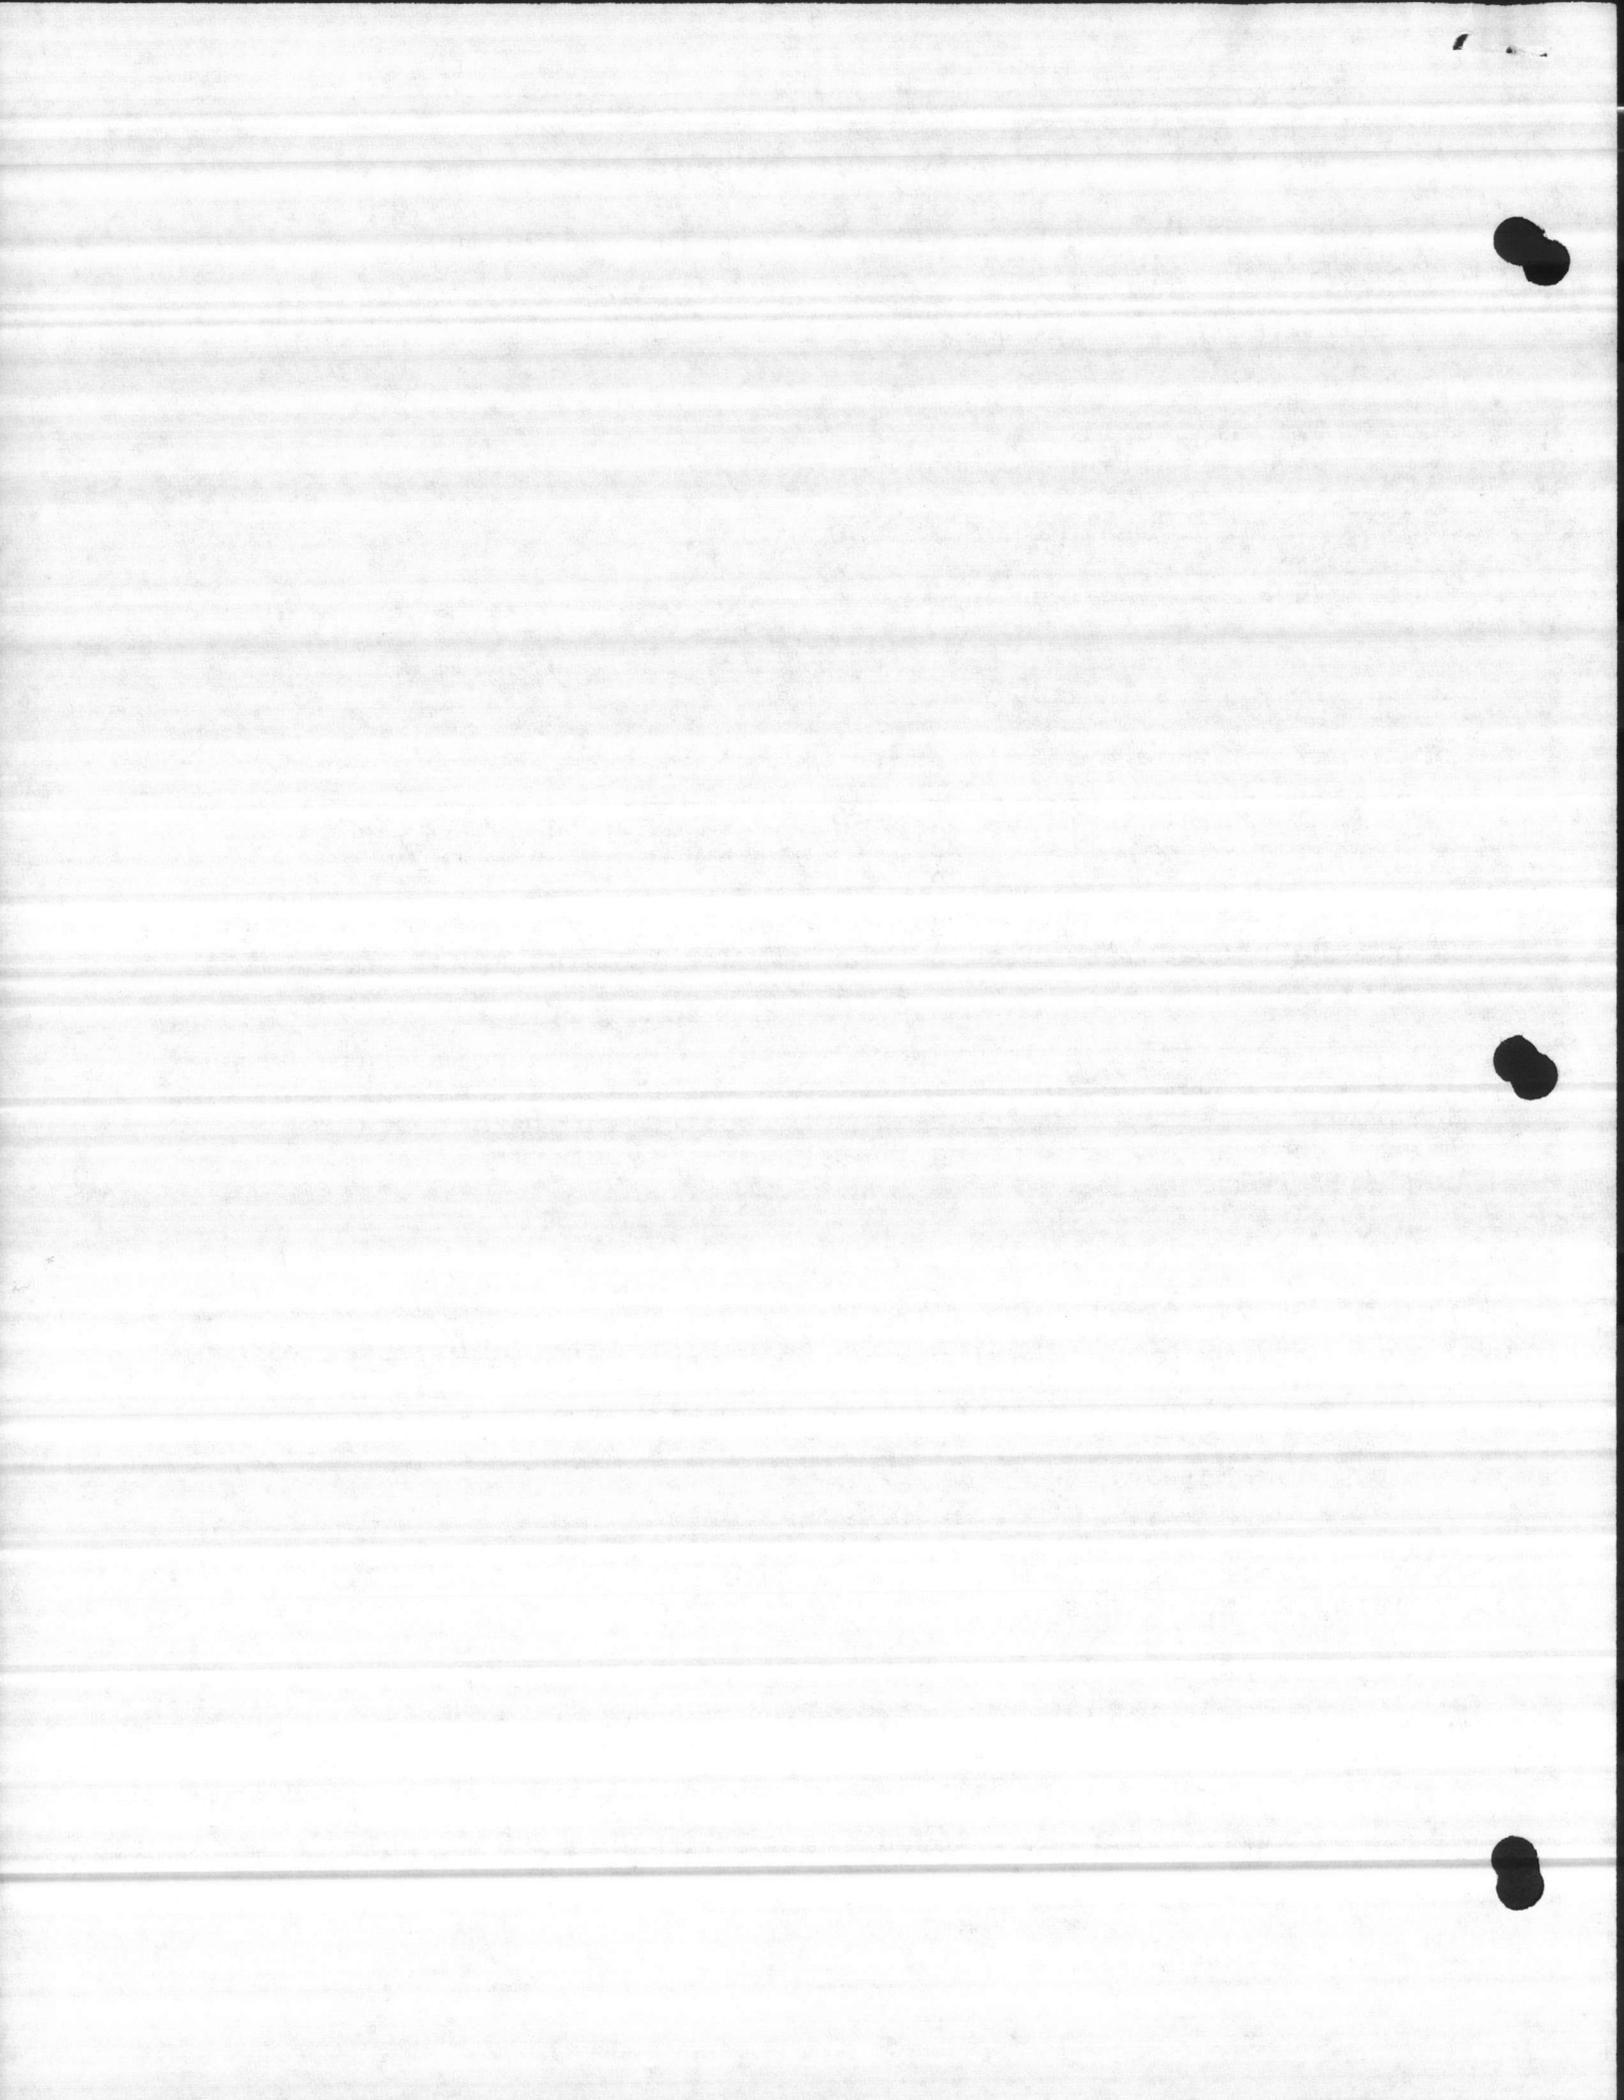

11320  
FIRE  
01 Feb 87

From: Training Officer  
To: Fire Department Company Officers

Subj: FEBRUARY TRAINING SCHEDULE

Encl: (1) Training Schedule

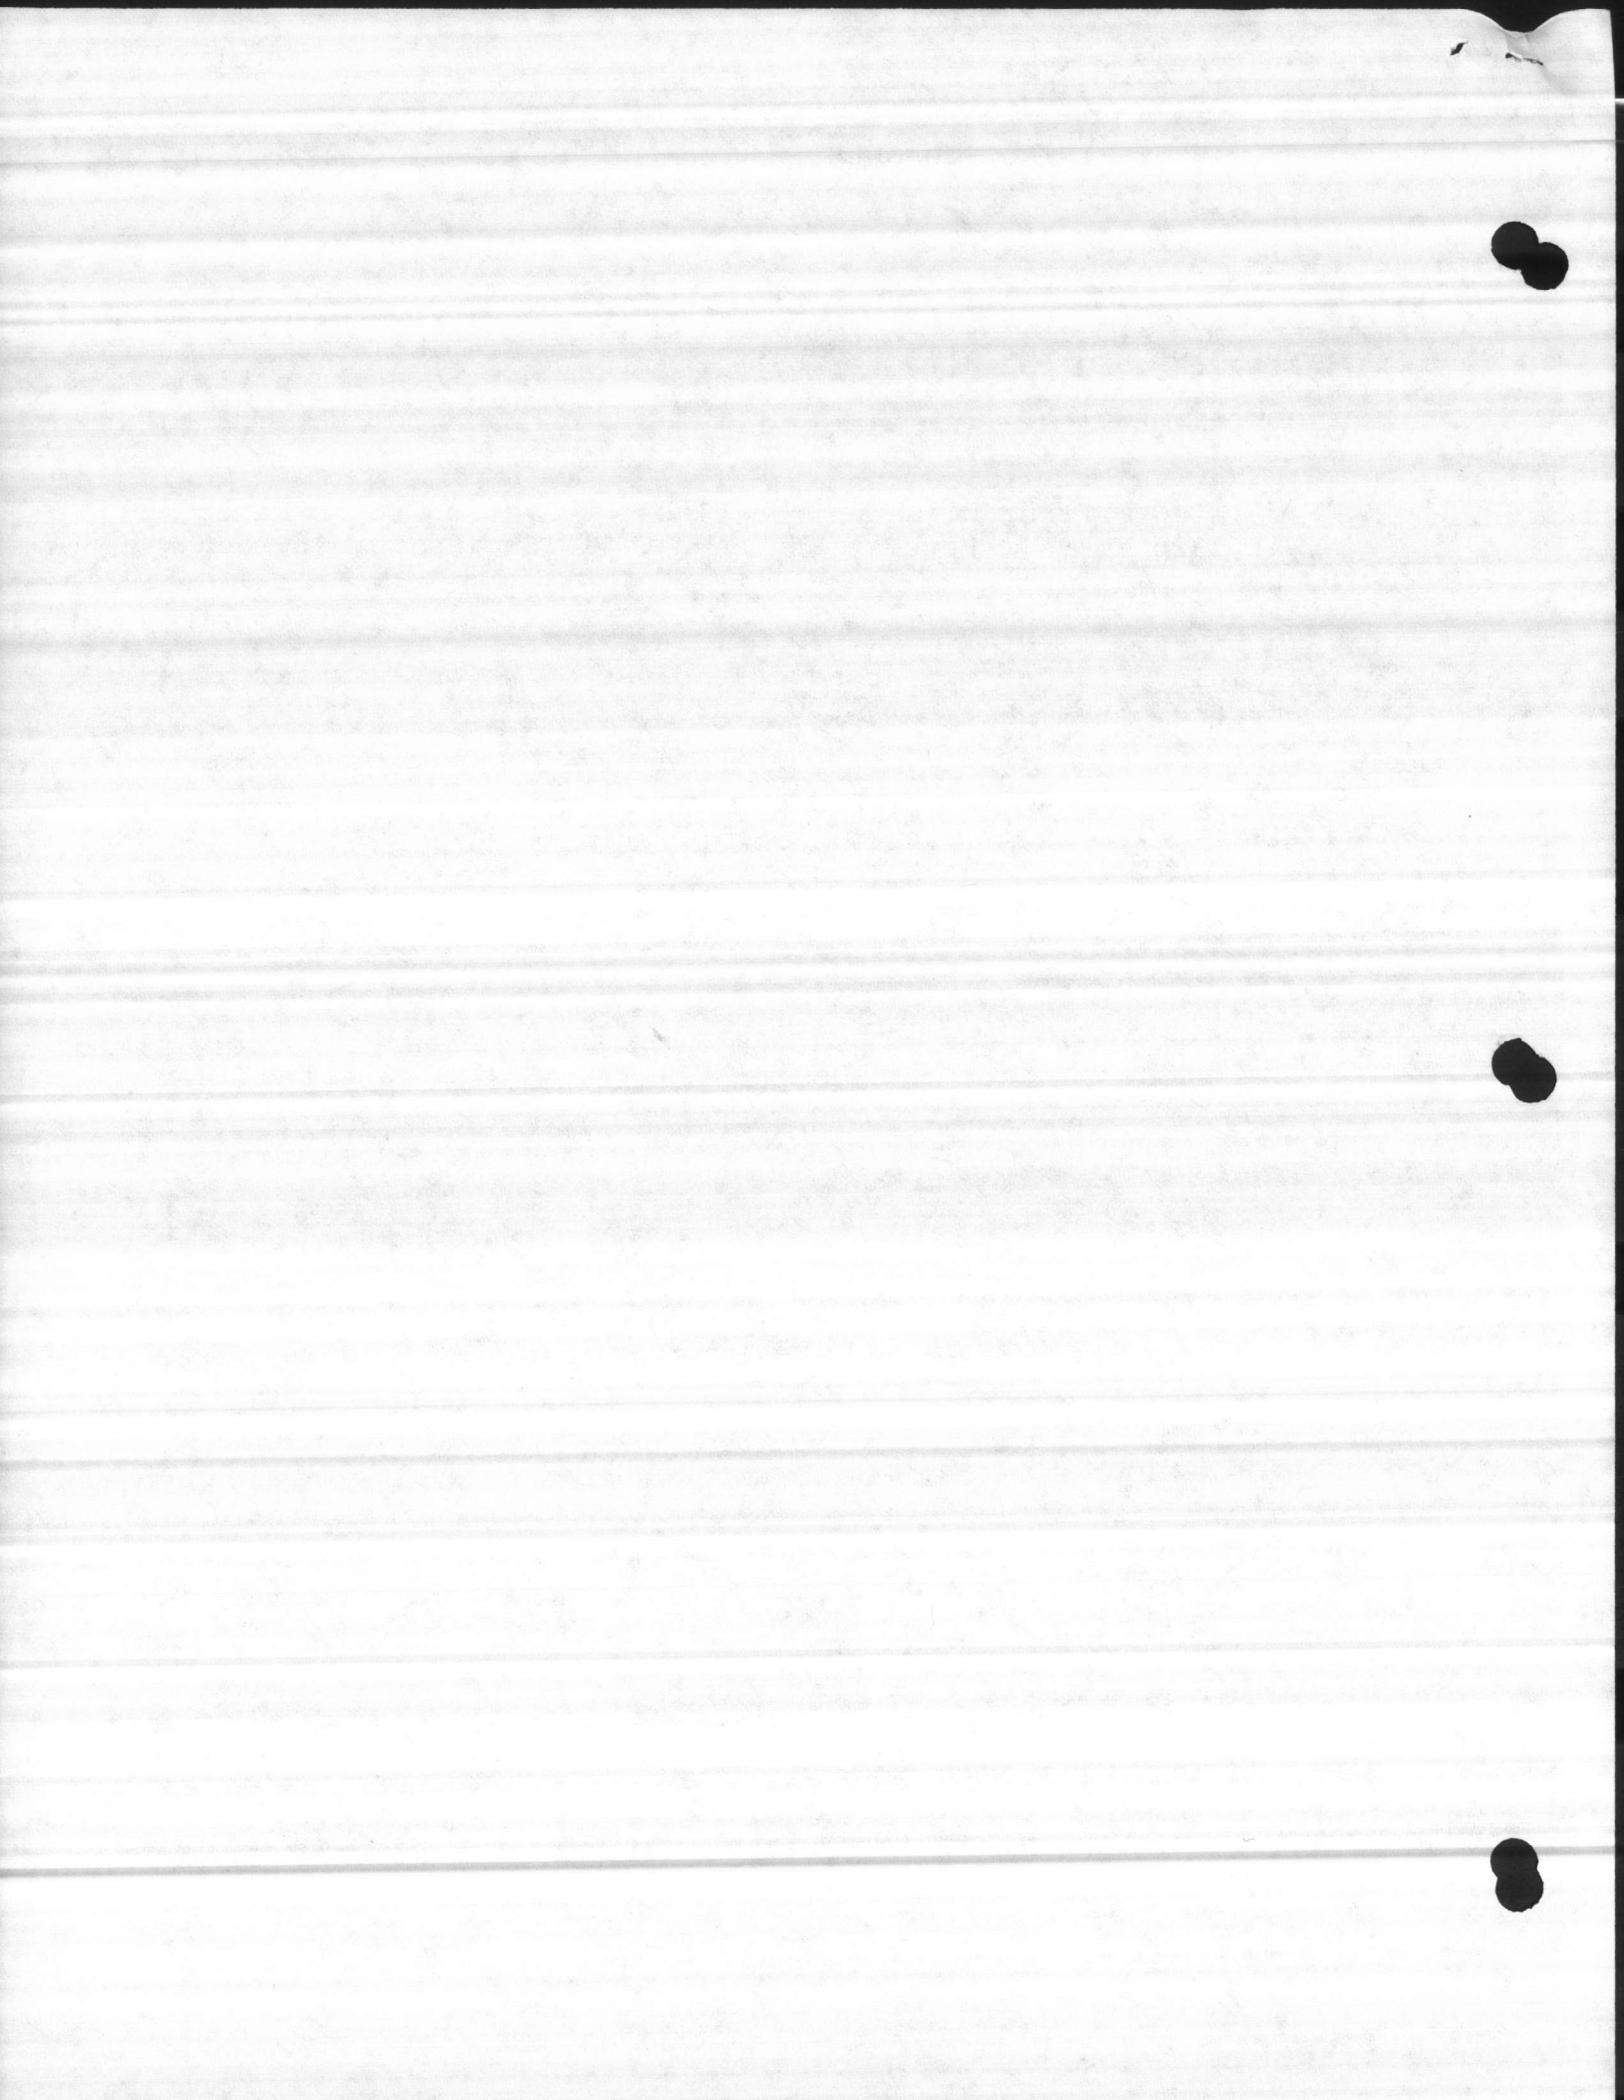

1. Please make note of the asterisks on enclosure (1) and see if these items pertain to you.
2. I am looking for individuals who would like to assist me in conducting classes each month. If you have a particular area of expertise that you enjoy teaching, share it with us all. Contact me and I'll work your class into the training schedule.
3. I would like to thank Phil Saunders for his time and knowledge in rescue procedures which he shared with us last month at Station #2.
4. If a particular station would like to receive some training on a piece of equipment or vehicle, such as ladder truck, Hurst Tool, Hazardous Material Van, that is not located in his/her station, let me know and we can bring that piece to your fire station and conduct training.
5. Training opportunities of note for February:
  - a. 25 FEB 87  
Engine Co. 5, Engine Co. 2 - assist Bulk Fuels at Fire Department Training Area at 0900. Marine personnel will be having hot fires and extinguishing them with T.A.U.s.
  - b. 14 FEB 87  
The appropriate Engine Companies will report to the required station at the designated times and receive their E.M.T. refresher training. If there is any doubt in where to report, call the Training Officer.
  - c. 17 FEB 87  
The other shift will receive the same E.M.T. training that was given on 14 Feb 87.
  - d. 10 FEB 87  
Fire Officers Meeting at Station #6 at 0900 (B Shift).

Subj: FEBRUARY TRAINING SCHEDULE

- e. 11 FEB 87  
Fire Officers Meeting at Station #6 at 0900 (A Shift).
- f. 05 FEB 87  
Training Officer will conduct a class at Station #3 at 1300 hours on Hazardous Materials. Engine Co. #4 report to Station #3 at 1245 hours for class.
- g. 18 FEB 87  
Training Officer will conduct class at Station #6 on Fire Behavior at 1300 hours. Request Engine Co. #1, Engine Co. #6, and Truck Company to attend.
- h. 19 FEB 87  
Training Officer will conduct a class on Halon 1211 fire extinguishers at Station #7 at 1300 hours.
