

E-210B:LL:dmc
PO-158

9 DEC 1960

From: District Public Works Officer, Fifth Naval District
To: Commanding General, U. S. Marine Corps Air Station, Cherry
Point, North Carolina

Subj: Marine Corps Base, Camp Lejeune, North Carolina; unnumbered
REVOCABLE Permit dated 21 February 1946 to State Highway and
Public Works Commission, State of North Carolina covering use
of land for Sneads Ferry-Starling Road

Ref: (a) BUDOCKS ltr R-310A/TEC/bas of 2 Dec 1960 to DPWO FIVE
(b) BUDOCKS INST 11011.18A

1. In view of the comments made in reference (a), the District Public
Works Officer proposes to take the necessary action to supersede the
subject instrument with a 5-year license.

2. To enable this office to obtain approval for the issuance of an
appropriate 5-year license, as required by reference (b), it is
requested that the following pertinent data be forwarded:

a. Eight (8) prints of a drawing delineating the subject road
and showing its length and width.

b. Cost of construction of the road.

c. Average annual maintenance and operating expense.

d. Recommended annual rental to be paid the Government by the
North Carolina State Highway and Public Works Commission and how
determined.

J. P. DONLAN
By direction
