UTILITIES REQUIRED FOR PROPOSED

From: Commanding General
To: Commandant of the Marine Corps (Code COC)
Subj: Additional School Facilities for Camp Lejeune Dependents' School
Ref: (a) CMC ltr COC-E-pac of 15 March 1962
(b) SECNAV INST 11013.6C of 26 Jul 1961, Subj: Provision of School Facilities for children who reside on Federal Property and temporary school facilities for children of members of the Armed Forces on Active Duty under certain circumstances

Encl: (1) Utilities Required for Proposed Schools

1. Reference (a) requested information regarding the proposed plan, to include method of funding, for off site utilities and roads required to support the schools.
2. Enclosure (1) in the amount of \$47,250 is submitted in compliance with reference (a).
3. Paragraph 6.f. of reference (b) indicates that extensions of utility systems to the school building site should be financed by appropriated funds provided by the Department of Health, Education, and Welfare, or by state or local educational agency, as appropriate. Accordingly, it is recommended that the Department of Health, Education, and Welfare, or Headquarters Marine Corps, fund the utilities indicated in enclosure (1).

ADDITION TO EXISTING JUNIOR-SENIOR HIGH SCHOOL
