

# Memorandum

DATE: 6 October 1986

FROM: Water Treatment Operator Foreman

TO: All Operators

SUBJ: FLUSHING EYEWASH STATIONS

1. All eyewash stations will be flushed for 3 minutes weekly on Thursdays. This flushing test will be logged on plant logsheet. A call will be made to Water Treatment Plant Operator Leader after flushing completed, acknowledging same.
2. Those water treatment plants without eyewashes piped with drains or without drains located nearby will use hoses and buckets until drain connection can be made.

B. M. FRAZELLE, II
