Dear Ms. Betz:

The findings of the on-site evaluation on October 28, 1986, and your letter of January 13, 1987 citing correction of deviations, indicate that your laboratory has met the minimum requirements for certification as specified in North Carolina Drinking Water Regulations (10NCAC 9D .0301 - .0330). Data shall be accepted for total coliform analysis through October 1988.

If you have any questions or if we may be of further assistance in this matter, please let us know.

Sincerely,

E. D. Beesley
