FOR THE YEAR ENDING 1964

CHICAGO, ILLINOIS

6 January 1987

Director, Marine Corps Base Environmental
Attn: Mr. Bob Alexander
Camp Lejuene, NC 28652

Dear Sir:

I am currently inbound to CLNC arriving approximately the later part of March and currently slated to go to Court House Bay as an instructor in my primary MOS.

Prior to reporting to my present duty, I was the Safety/Environmental Officer for 2nd FSSG for a period of two years. During that period, I aided the Command in winning two CMC Safety Merit Awards.

I am currently the Environmental Chief for all Marine Corps Bases on Okinawa, Japan.

I have had extensive training in both Safety and Environmental as I am sure you know. I feel I would be a valuable asset to your organization.

Respectfully Submitted,

L. L. LAMM
GySgt, USMC
