Dear Mr. Wakild:

As indicated on the enclosure, removal of friable asbestos during renovation of Marine Corps facilities is proposed.

Per your request by letter of 18 October 1983, the Notice of Renovation Involving Asbestos Removal is forwarded. Protective measures to be followed are those prescribed in the Navy (OPNAV) Instruction 5100.23B, Navy Occupational Safety and Health (NAVOSH) Program Manual, dated 31 August 1983.

For further information on these notices, please contact Mr. Alexander at (919) 451-3034 or at the above address.

Sincerely,

B. W. ELSTON
