The estimated cost to correct the deficiency at that time was \$583.0. We have been advised that there is discussion in Headquarters, Marine Corps as to whether this item should be Housing or other than housing. We have not been advised of a decision. We are listing it as a requirement, but not including the estimated cost to correct the deficiency in the backlog.		812		1	18.8		HQMC	405 2	7
Extensive work is required to correct the deficiencies in the secondary electrical distribution system in the private side of Knox Trailer Park. Corrective action will require a construction project, but the deficiency is listed here to show that there is a requirement, but not including the estimated cost to correct the deficiency in the backlog (\$28.5).									

Note:

Director of Quarters and Housing has requested that the replacement of Electrical Conductors to the Quarters and the panels in the Quarters at Paradise Point be included in the Housing five (5) year improvement plan. As per Mr. Olmstead 12/11/72
