SUBJ: REQUEST FOR DUMPSTER

Encl: (1) Excerpt from Camp Lejeune Special Map

1. Henderson and Hickory Ponds have recently been opened for recreational fishing opportunity to Marines, their dependants, invited guests and civilian employees. Signs have been erected at selected locations in an attempt to keep littering of shorelines and pond waters to a minimum. It is requested that a dumpster be placed at the three access road entrances to the ponds for the deposit of trash by fishermen and others using the areas as shown in the enclosure.
