Subj: Soil Pesticide Contaminants

Ref: (a) Base Maint Officer ltr MAIN/JIW/th, 6240 dtd 16 Jun 1982

1. Reference (a) reported results of analysis of soil samples collected from Marine Corps Base, Camp Lejeune, Defense Property Disposal Lot 203.
2. Based on the pesticide contaminants detected in the soil of Defense Property Disposal Lot 203 it is recommended that this area be secured until further sampling is conducted and a thorough medical assessment of the soil analysis results is completed.
3. LT G. Winters, MSC, USN and HMC J. Craig, USN (ext. 5707/1930) can be contacted for further assistance in this project.
