OF 24 NOV 86

Ref: (a) BO 6240.5
(b) CG/MCB 291625Z Oct/86

Encl: (1) Noted violations and recommended corrective action
(2) Reference Cited
(3) Location of authorized HW Generation and Handling Sites

1. The subject inspection was conducted by Base environmental personnel in accordance with references (a) and (b). Enclosures (1) through (3) provide findings, recommendations and supporting information relative to the subject inspection. It should be noted that violations cited in enclosure (1) are violations of Environmental Protection Agency regulations described in reference (a).

2. Violations cited in enclosure (1) should be corrected within fifteen calendar days from the date of this letter. Addressee should immediately notify the Assistant Chief of Staff, Facilities, Marine Corps Base, of any discrepancy which cannot be corrected within the stated time frame. A reinspection will be conducted by Base environmental personnel in cooperation with the Support Battalion Hazardous Material Disposal Officer (HMDO).

3. Enclosure (3) was developed based on information provided by the Support Battalion HMDO during the subject inspection. Addressee is advised that for the purposes of compliance with reference (a), the sites shown on enclosure (3) will be considered the only authorized locations where hazardous waste may be routinely generated and accumulated by Support Battalion. In the event additional sites are required, addressee will make written notification requesting site approval to the Commanding General, Marine Corps Base, attention Director, Natural Resources and Environmental Affairs Division. Except in an emergency, the notification shall be submitted so as to reach Natural Resources and Environmental Affairs Division at least fifteen calendar days prior to using site.
