2. The following agenda items were discussed by the council members:
- Pre-Holiday Safety Lectures
 - Pre-Holiday POV Inspection Procedures
 - FMFLANT Funded Safety Items; status of
 - Training Schedules
 - Safety Respirators/Face Shields

Major WINTER handed out the recently arrived respirators and face shields and conducted a short training class on their proper utilization.

3. Safety problems in work areas were discussed briefly. CWO MONTOYA, Topo Platoon, asked for more information on battery safety for his use with the RANGER IV distance measuring units.

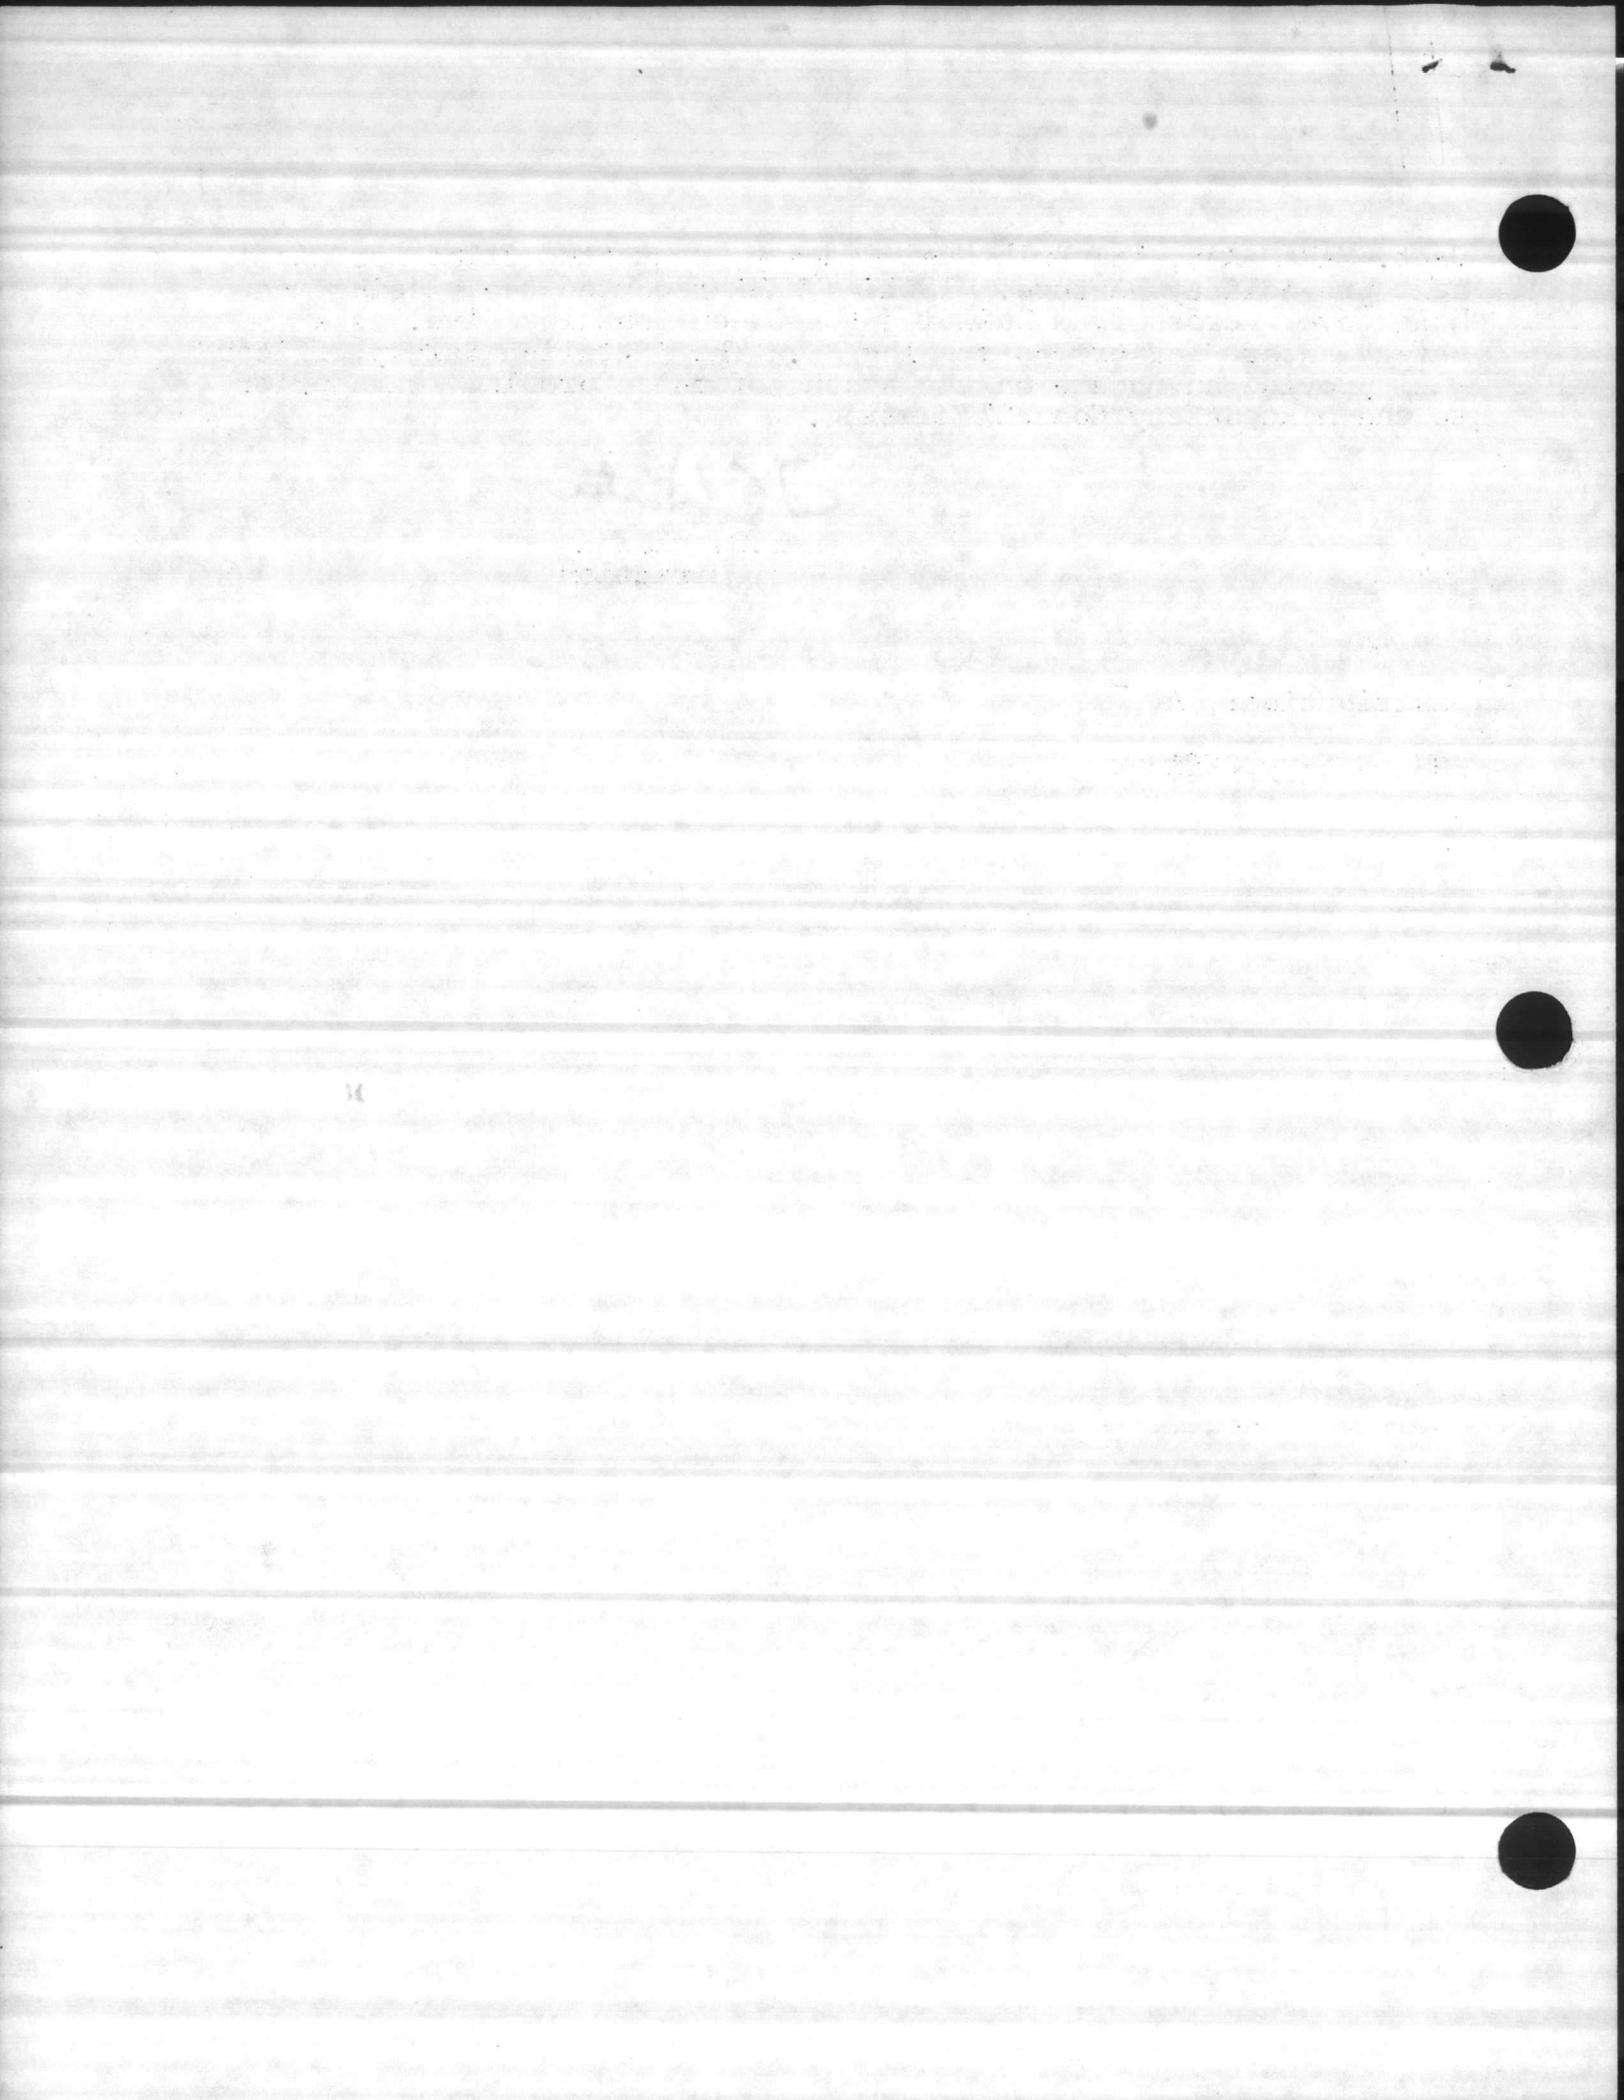

Capt. MARAUSKAS, 1ST Bulk Fuel Company, requested films for his next pre-holiday lecture. 1STLT YUNKER reported the missing man hole cover across from Building FC-530 on Gonzalez Blvd. as a safety hazard for troops running PT. The Battalion Safety Officer will provide an update on the status of these problem areas prior to the next Safety Council Meeting.

Subj: Bn Safety Meeting Minutes

The meeting was called to order at 1510. Representatives from the following Companies were present:

H&S Co.	WO HOWINGTON
A Co.	CPL DUNKEL
B Co.	LT YUNKER
Bridge Co.	SGT COOK

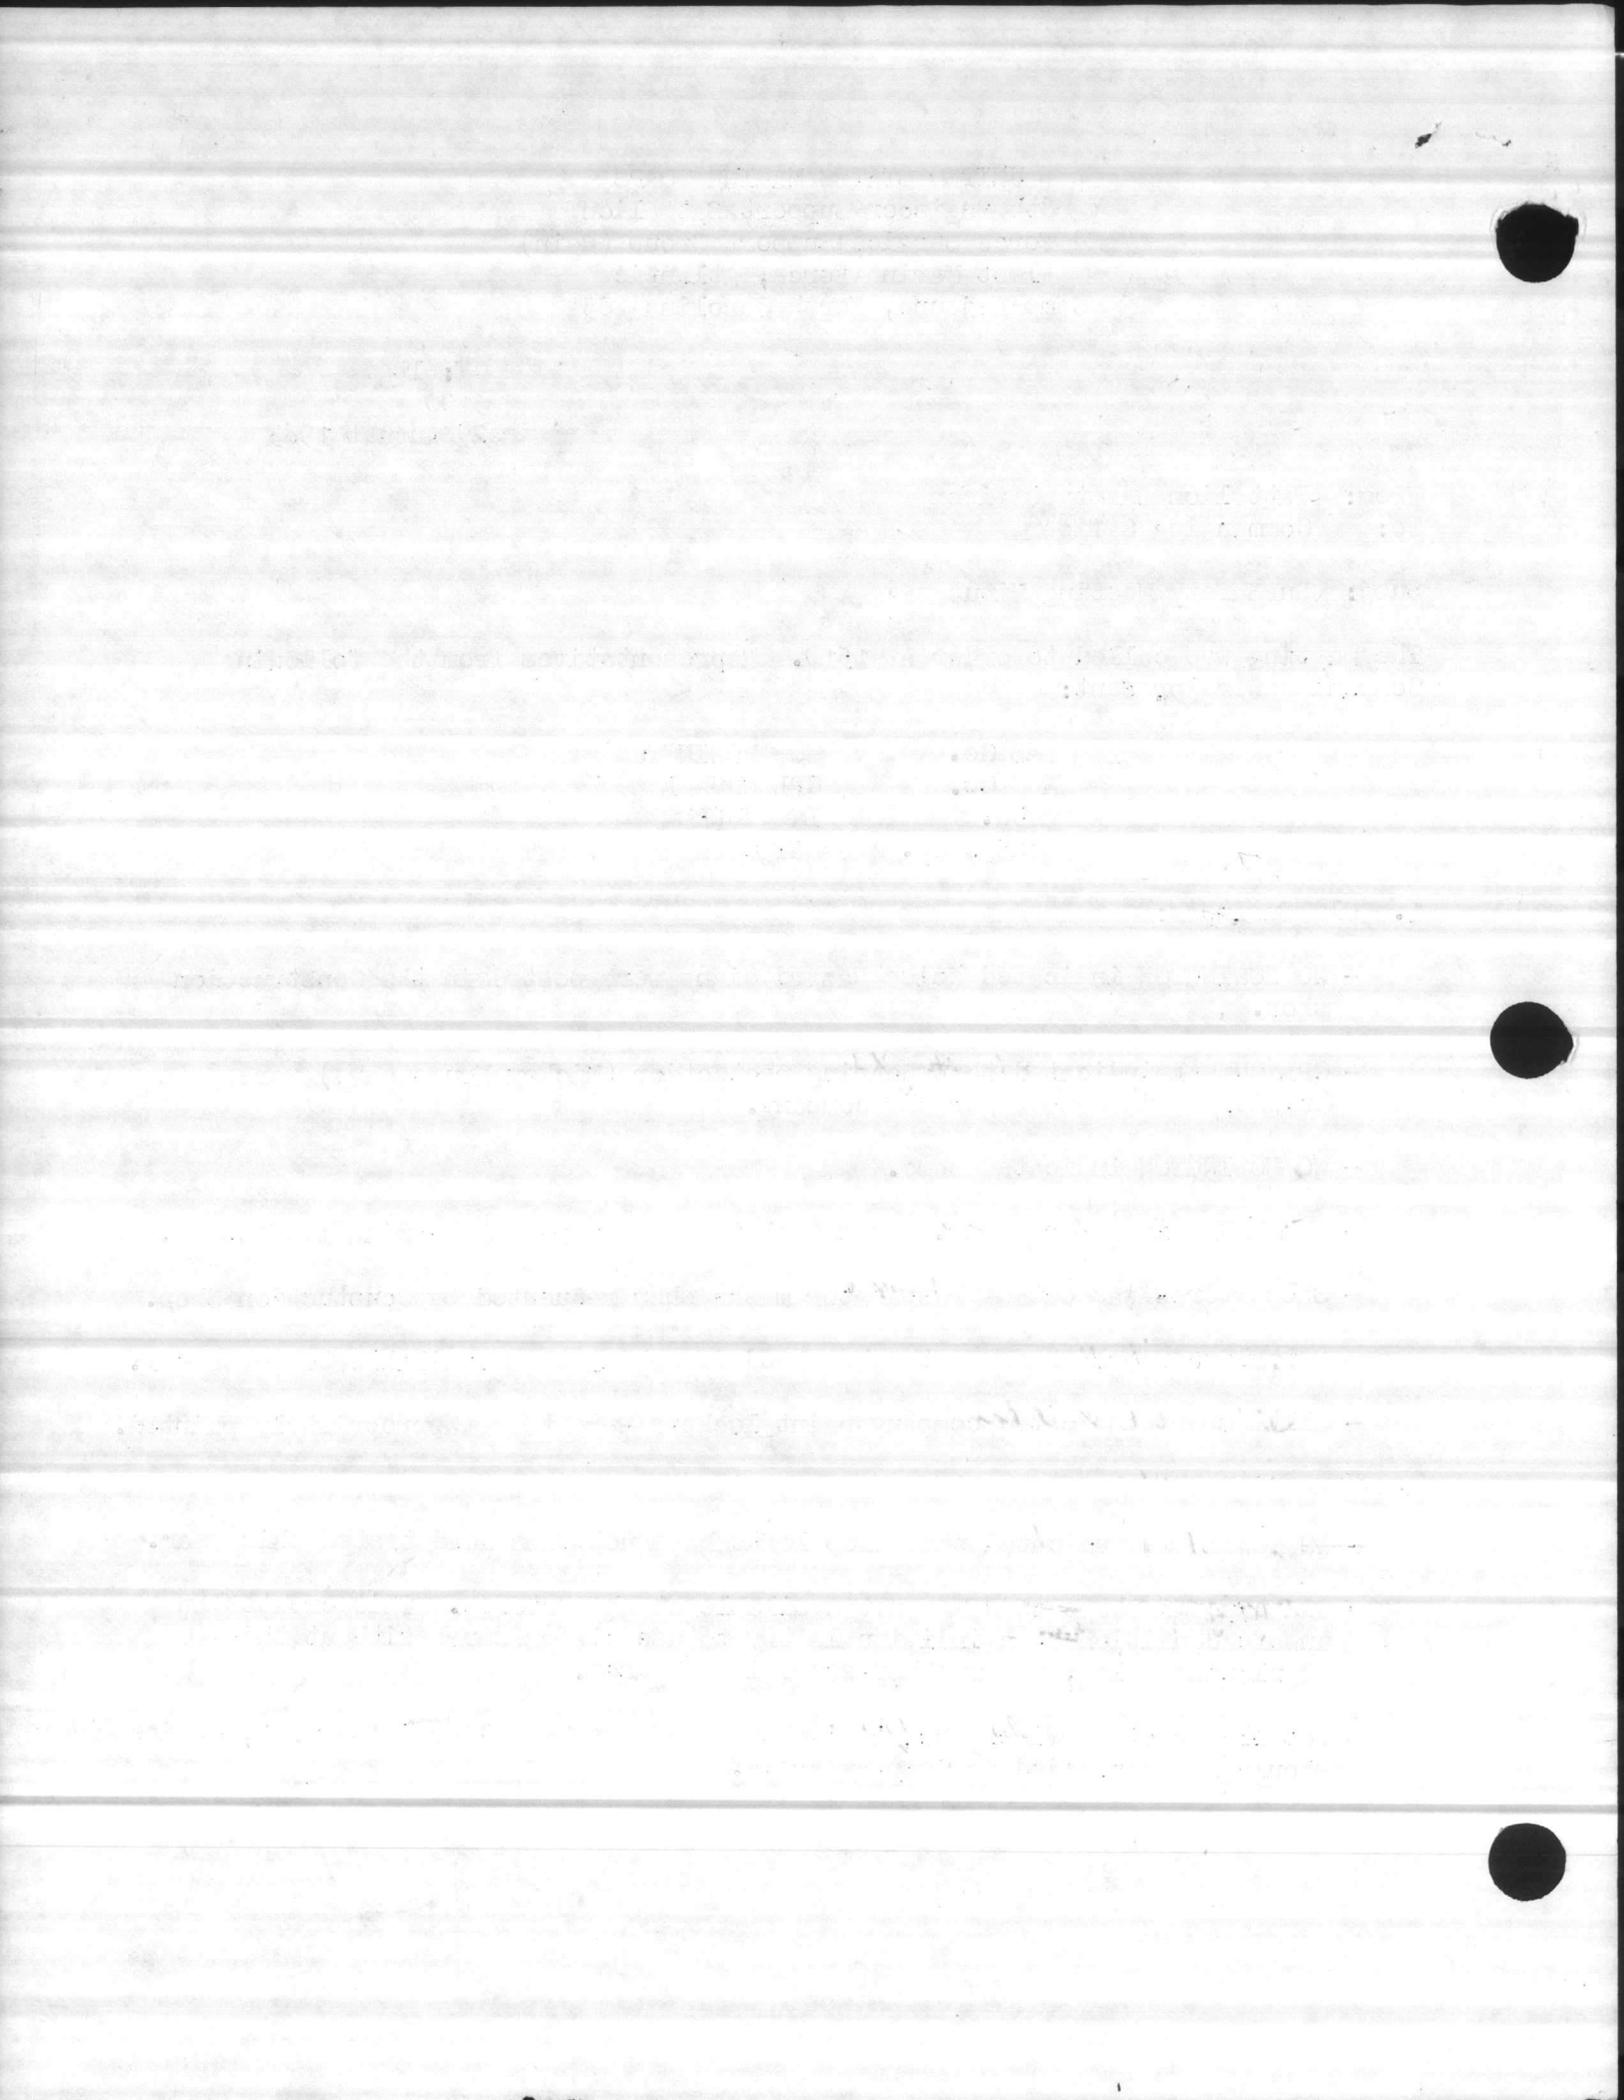

1. Old Business:

- WO HOWINGTON indicated Noise Hazard signs were posted in the Construction shop.
- CPL DUNKEL indicated that hearing protection (Mickey Mouse ears) were sufficient in number for the company.
- WO HOWINGTON indicated same.
- LT YUNKER indicated B Co. needs both types of personal hearing protection.
- Shop stores was out of respirator masks when requested by Constuction Shop.
- Battalion Supply has safety shoes and is making them available to personnel.
- All members indicated company paint lockers were to be appropriately painted.

2. New Business:

- WO HOWINGTON indicated that shop lofts have not been load tested this year.
- Gun type air hose ends are not available at shop stores. This creates an unsafe condition when individuals try to use air pressure without this regulating valce, too much pressure is released.
- Not all safety officers and NCO's have read the Battalion Safety LOI, Copies should be identified in Company areas.

JC Winter

- All company reps present indicated that fire plans were well posted throughout working and living spaces. It was pointed out that fire marshalls should be appointed in each company.

- SGT COOK questioned the status of arc welding screens for welding areas.

The meeting was adjourned at 1541.
