N62470-81-C-3554
4 January 1983

From: Officer in Charge of Construction, Jacksonville North Carolina Area
To: Base Maintenance Officer, Marine Corps Base, Camp Lejeune, North Carolina
Subj: Contract N62470-81-C-3554, Repairs to Water Plant Equipment, Marine Corps Base and Marine Corps Air Station (H), New River

1. Usable completion of work being done under the subject contract was determined on 30 November 1982 for the following buildings:

No. 20, No. AS-110 and No. TT-38

This letter transfers custody and responsibility to you for security, warranty administration and maintenance not covered by warranty. Under the Standard Warranty Clause, a contractor warrants all mechanical and electrical equipment to be free from defects of design, material or workmanship for a period of one year from the usable completion date. You should cause an inspection of the warranted items, if any, prior to the end of the year so that any necessary corrections or adjustments may be made under the Clause. The contractor responsible for warranty work is East Coast Construction Co., Inc., P. O. Box 5004, Jacksonville, NC, telephone 353-4479

2. All work under this contract will be accepted as final and complete when the Contractor has complied with all requirements of the contract.
