Re: Resource Conservation and Recovery  
Act, Part B Permit, Facility ID No.  
NC6170022580, Marine Corps Base,  
Camp Lejeune, North Carolina

Dear Mr. Mayer:

In accordance with the N. C. Hazardous Waste Management Rules  
10 NC 18F, the following changes to the subject permit are  
warranted:

a. The authorization as the owner is Major General J. E. Cassidy  
vice Major General J. B. Knotts.

b. The name of the operating organization is Defense  
Reutilization and Marketing Office, Lejeune, vice Defense  
Property Disposal Office, Lejeune.

Item b above represents an administrative name change which  
had no effect on the organization and function of the operating  
organization.

Additionally, enclosed is a copy of the revised weekly in-  
spection form used by the facility operator. For further  
assistance on this matter, please contact Mr. Julian Wooten  
at 919 451-5003.

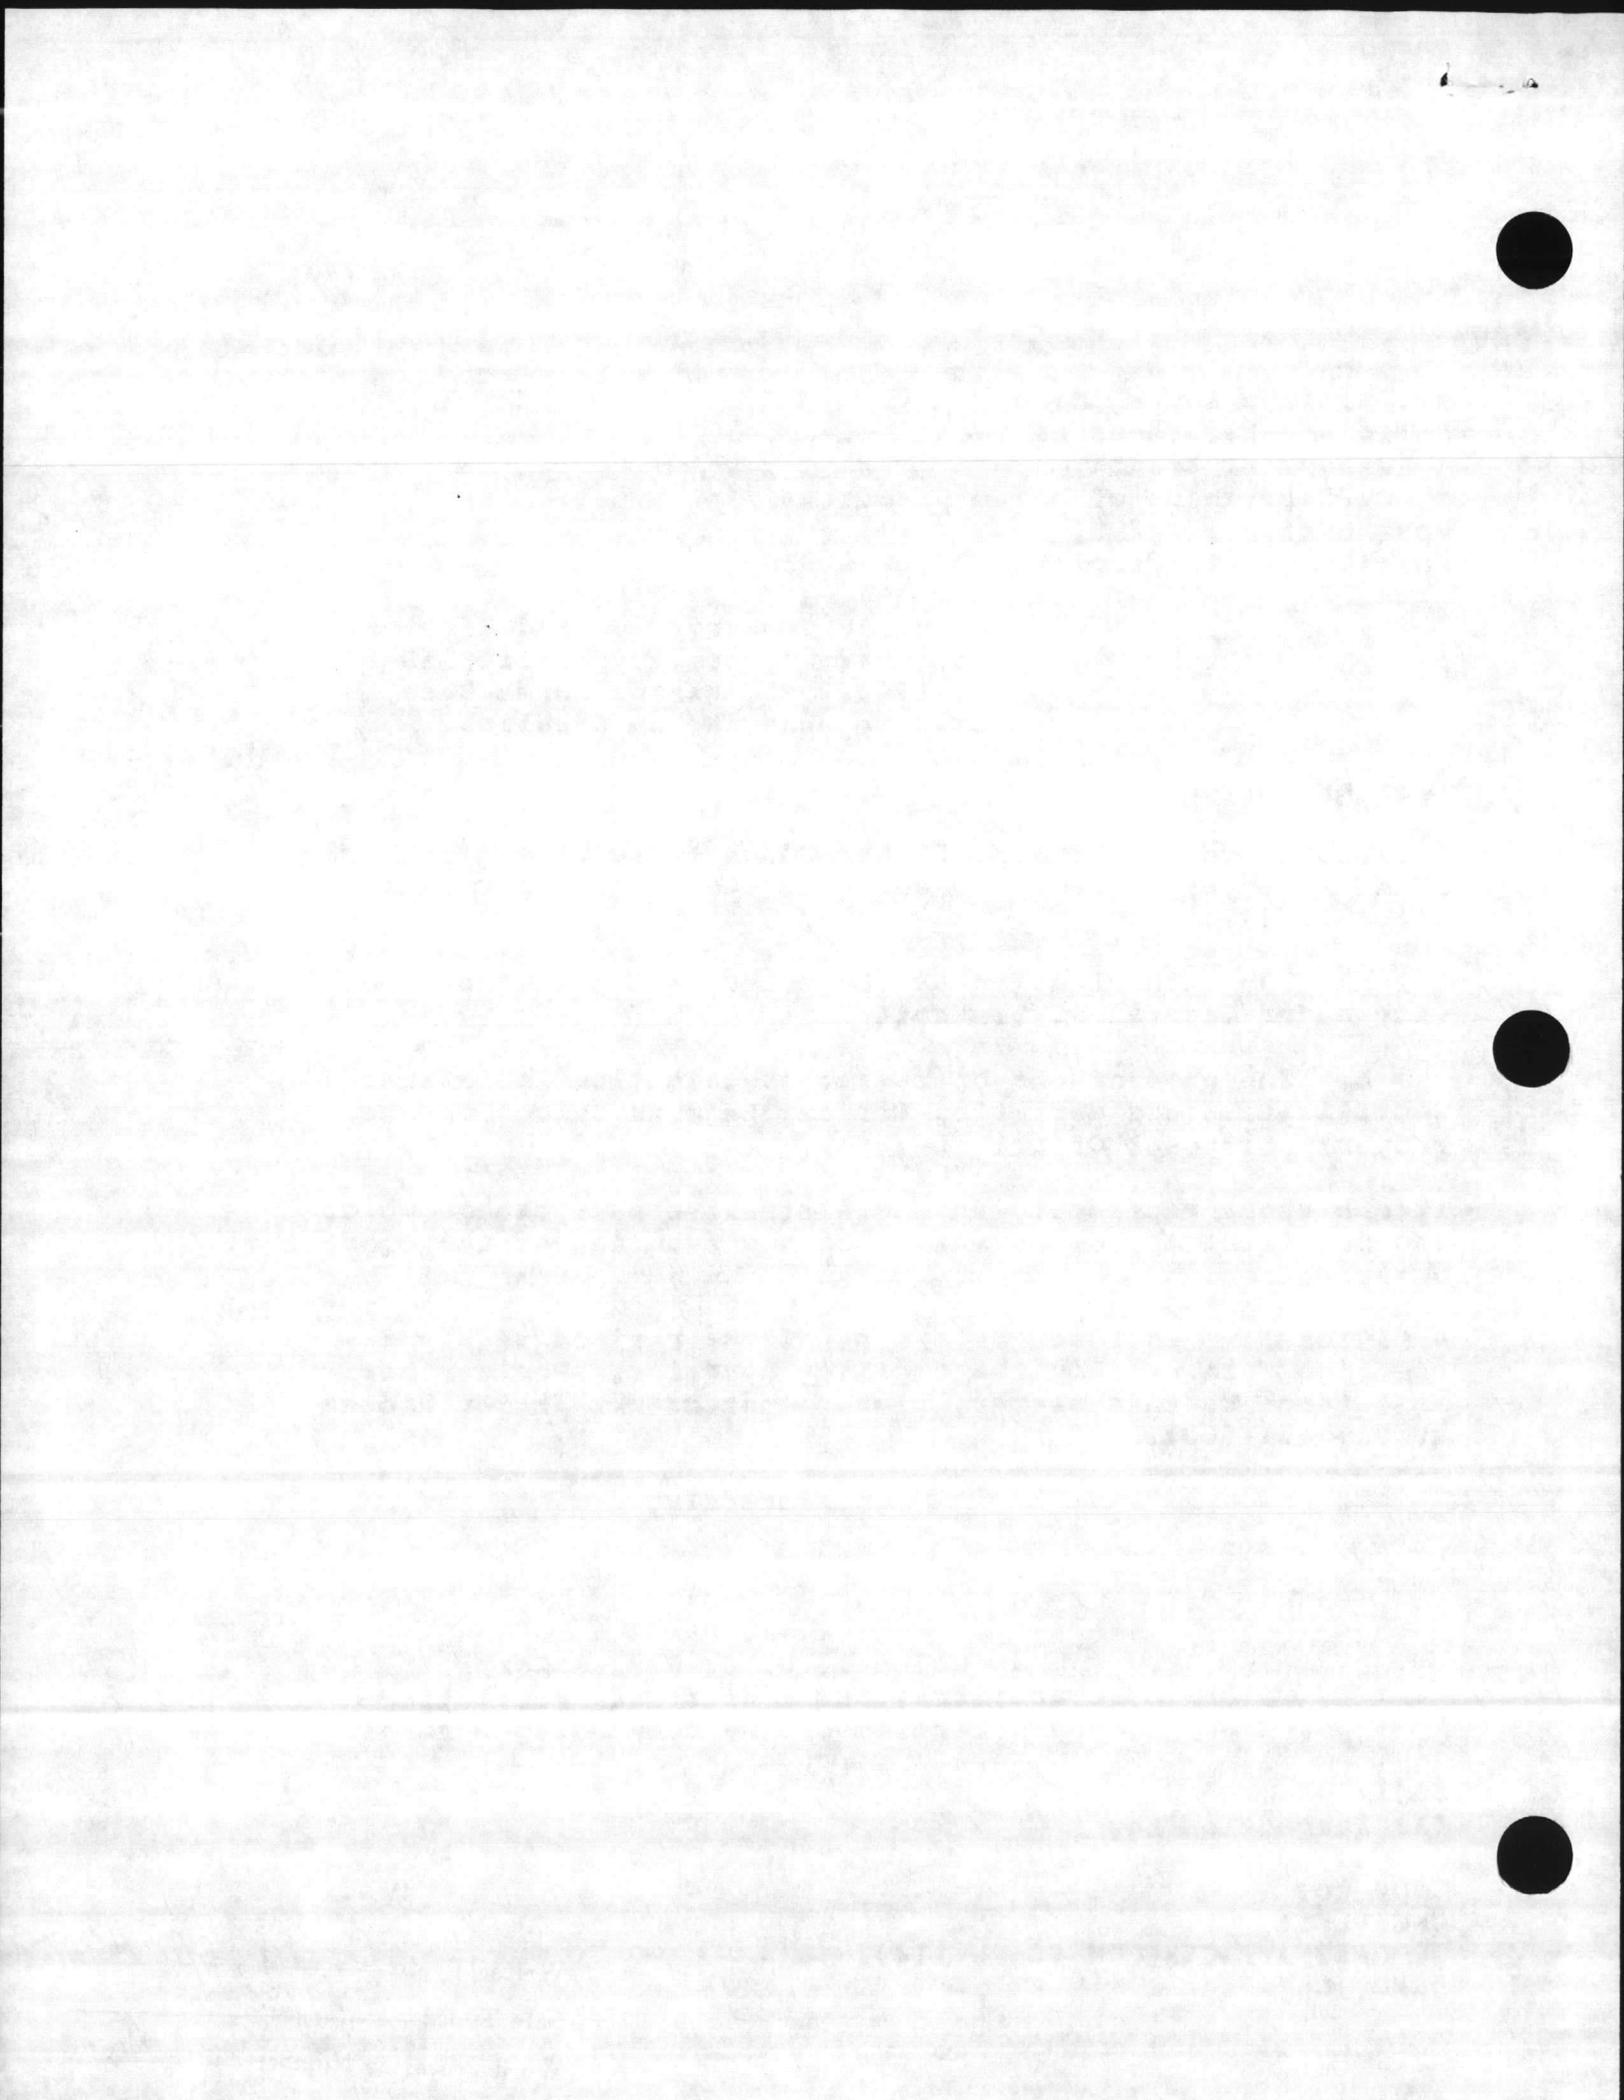

Sincerely,

T. J. DALZELL  
Colonel, U. S. Marine Corps  
Assistant Chief of Staff, Facilities  
By direction of the Commanding General
