Dear Mr. Strickland:

In accordance with the N.C. Hazardous Waste Management Rules  
10 NC 10F, a change to the signatories of the subject permit is  
warranted due to personnel changes at this command. Accordingly,  
the authorization as the owner is Major General L. H. Buehl,  
vice Major General D. J. Fulham, and the authorization as the  
operator is Mrs. Nadine Hipp vice Mr. Marvin King.

We request these changes be reflected in future reference to the  
subject permits. For additional assistance on this matter,  
please contact Mr. Bob Alexander, at 919-451-3034.

Sincerely,

L. H. BUEHL
