Re: Compliance Monitoring  
Camp Lejeune  
Onslow County

Dear Colonel Marshall:

Enclosed are the monitoring reports for trihalomethane, inorganic chemical, sodium and corrosivity. We appreciate the summary format in which you submitted the data; however, such a format does not contain all of necessary information required by this office.

According to the information you supplied, Grainger Laboratory conducted almost all the analyses. Please submit to this office the forms on which Grainger Laboratory submitted the analytical results to you. Grainger Laboratory should have submitted the results of these tests on a form which is similar to the enclosed blank forms.

If you have any questions about the enclosed forms, please do not hesitate to contact me at telephone (919) 733-2321.

Sincerely,

Wm. Larry Elmore  
Environmental Engineer  
Water Supply Branch  
Environmental Health Section
