MEMORANDUM

To: Perry Nelson
From: Chuck Wakild *CW*
Subject: Mr. Larry Fitzpatrick's Inquiry
Groundwater Quality Problems
Camp Lejeune Marine Corps Base
Onslow County

Enclosed for your review and approval is a staff report titled "An Assessment of Groundwater Pollution Sources at the Marine Corps Base, Camp Lejeune, Onslow County". It was written by Rick Shiver.

Please review this information and give careful consideration to the recommendations contained in the report. I anticipate considerable public attention will be focused on this problem and how we deal with it. We should develop a course of action we think appropriate and discuss it with Camp Lejeune.

I promised Mr. Fitzpatrick a briefing on this matter. If you concur, I would like to give him a copy of this report at Thursday's EMC meeting.

If you have any questions call me or Rick.
