

MEMORANDUM

21 April 1988

FROM: Assistant Chief of Staff Facilities

TO: Director Natural Resources and Environmental Affairs
Division

SUBJ: INORGANIC CHEMICAL ANALYSIS OF DRINKING WATER

REF: (a) Doc M93170-8004-0206

1. ~~Request a modification be made to the subject test contract, reference (a), to include testing for heavy metals i.e. lead, both at the distribution points and at various tap locations throughout the base, i.e. base housing, barracks and shops. Provisions in the contract should also stipulate that the contractor is prohibited from disclosing the results of the tap monitoring to anyone other than those specified in the contract. The office of the Staff Judge Advocate will assist in drafting such a modification if required.~~
