NEAL:

TOM BARBEE ASKED ME FOR A QUICK SENTENCE INDICATING IRD'S CONCURRENCE WITH THE PROPOSED LOCATION OF THE ABC CLEANERS PUMP AND TREAT. THIS SITE HAS BEEN APPROVED BY PWO PLANNING AND MR. WARREN JUST WANTED CONCURRENCE FROM EACH EMD DIVISION.

PLEASE LET ME KNOW IF YOU HAVE ANY COMMENTS OR QUESTIONS.

TOM:

THE INSTALLATION RESTORATION DIVISION HAS EXAMINED THE PROPOSED ON-BASE LOCATION OF THE GROUNDWATER REMEDIATION SYSTEM (PUMP & TREAT) FOR THE ABC CLEANERS SUPERFUND SITE. CAREFUL REVIEW HAS INDICATED NO IMPINGEMENT OF ANY KNOWN UNDERGROUND STORAGE TANK INVESTIGATION/REMEDIATION SITE, OR INSTALLATION RESTORATION PROGRAM HAZARDOUS WASTE SITE.

PLEASE LET ME KNOW IF THERE ARE ANY COMMENTS OR QUESTIONS.
