Re: Contract N62470-95-C-1479, Onslow Beach Pumping System, Marine
 Corps Base, Camp Lejeune, North Carolina
 Certificate of Completion Permit No. WQ0011483

Ms McCaskill:

The following is provided in response to your letter of 19 November 1996 concerning the Certificate of Completion for Permit Number WQ0011483. The referenced contract was awarded on 8 February 1996 and has a contract completion date of 28 April 1997. The current SOC states the direct discharge from the Onslow Beach wastewater treatment plant to the surface waters of the state shall be eliminated by 1 May 1997. The contract is currently approximately 70% complete. At this time, we see no problems with meeting the SOC date. As soon as construction is complete, we will forward the Certificate of Completion. If you have any questions please contact the undersigned.

Sincerely,

K. H. LACY, P.E.
 Assistant Engineer
 In Charge of Construction
