This letter is in response to your October 1, 2001 letter to the Director, Environmental Management Division. The enclosures provided in response to your June 11 and July 24, 2001 letters contained all documents responsive to your request for water sampling reports from the period 1969 to 1985. To the best of our knowledge, Marine Corps Base, Camp Lejeune does not possess any documents responsive to your request that are dated prior to 1977.

If you have any questions regarding this matter, please contact Master Gunnery Sergeant Messier or Corporal Burdett at (910) 451-1265.

Sincerely,

**CLW**
