**Re: Support of Members of the Columbia Law Review Board  
of Directors for Confirmation of Arun Subramanian to  
the United States District Court for the Southern District  
of New York**

Dear Senators Schumer, McConnell, Durbin, and Grassley:

We are members of the Board of Directors of the Columbia Law Review. We write in strong and enthusiastic support of our Board colleague, Arun Subramanian, who has been nominated to serve on the United States District Court for the Southern District of New York and is awaiting confirmation by the United States Senate. We all sign this letter in our personal capacities.

Mr. Subramanian joined the Board of Directors of the Columbia Law Review in 2008. Over the last fourteen years, the Board has benefitted immeasurably from Mr. Subramanian's wise counsel and impressive legal acumen. He has been extremely generous with his time, always volunteering to take on new tasks and following through to make sure any potential issues were successfully resolved. In all of his work for Review, Mr. Subramanian's integrity has shone through, as have the high standards to which he holds himself.

Mr. Subramanian's thoughtfulness, integrity, and intelligence will make him an outstanding jurist, and his generosity and commitment to others mean he will quickly become an invaluable member of the district court. We believe that he represents the very best the legal profession has to offer, and urge the Senate Judiciary Committee to confirm him to the bench of the Southern District of New York.

Respectfully,

Ginger Anders
