The Honorable Diane Feinstein  
Ranking Member, Committee on the Judiciary  
United States Senate  
331 Hart Senate Office Bldg.  
Washington, D.C. 20510

Dear Senator Feinstein:

On behalf of the 6,000 plus members of the National Association of School Resource Officers (NASRO), I write to express our organization's support for Mr. William P. Barr as the nation's next Attorney General. School resource officers are law enforcement officers who serve in community-based policing assignments on school campuses, in collaboration with school systems.

During his tenure as Attorney General during the administration of President George H.W. Bush, Mr. Barr proved himself to be a strong leader and supporter of law enforcement. Mr. Barr is known for saying that the first duty of government is providing for the personal security of its citizens and that strengthening law enforcement should therefore be the highest priority. He enacted policies intended to reduce instances of violent crime. Under Mr. Barr's orders, federal agents ended a hostage situation at an Alabama prison without firing a shot.

Mr. Barr's credentials are impeccable. For these and other reasons, we wholeheartedly support Mr. Barr's nomination and look forward to his confirmation.

Very respectfully,

Mo Canady  
Executive Director
