Dear Mr. Chairman,

Attached please find the responses of Eric Schmidt, Google's Executive Chairman, to the questions for the record submitted by members of the Subcommittee on Antitrust, Competition Policy, and Consumer Rights after the September 21, 2011, hearing.

We appreciate the opportunity to answer your questions, and look forward to continuing our constructive conversation about the dynamic competition and innovation in search and on the Internet.

Thank you again for the opportunity to engage in this helpful dialogue.

Sincerely,
