Honorable Patrick Leahy
United States Senate

My dear Senator Patrick,

It has been too long since we have visited. I am resurfacing again proudly to urge you, as Chair of The Judiciary Committee, to expedite a confirmation hearing for my across-the-street neighbor and friend Judge Susan Hickey for US District Judge for The Western District in Arkansas.

Susan is solid as a rock, and she has the temperament to wield that powerful gavel. She has the bi-partisan support of Arkansas' new Republican Senator John Bozeman, as well as my friend Mark Pryor.

This is also very personal as Governor Mike Beebe appointed Susan to fill the Circuit Court vacancy created by the death of my wife Carol last year after a 16 year battle with leukemia. Susan's confirmation would put a smile on my Carol's face. And mine.

Thank you my friend and hero.
