Re: Confirmation of United States District Court Judge Nominee Pamela K. Chen

Dear Senator Kyl:

As the elected Constable of the McDowell Mountain Precinct of Maricopa County, former FBI Agent, United States Marine combat veteran and loyal constituent, I am writing in support of the nomination of Pamela K. Chen to become a United States District Court Judge in the Eastern District of New York. I am familiar with Ms. Chen's career as a federal prosecutor because she works closely with my daughter Monica, who worked for many years as an Assistant United States Attorney in Brooklyn and is currently employed as a Department of Justice Trial Attorney in Washington, DC.

Ms. Chen is a career prosecutor with expertise in both criminal and civil litigation. As an Assistant United States Attorney, she has prosecuted a wide range of cases, including terrorism, immigration, narcotics trafficking, gang violence and human trafficking. Her prosecution of terrorism and human trafficking cases been heralded as ground-breaking. Moreover, she has a reputation for fairness and integrity. She is, as United States Attorney Loretta E. Lynch remarked, "simply, the complete package." (Reuters, *Brooklyn Prosecutor Recommended For Federal Bench*, August 2, 2012.)

Ms. Chen's intelligence, temperament and experience make her an excellent choice for the bench. I urge you to confirm Ms. Chen as a federal district court judge in the Eastern District of New York.

Respectfully,
