(1) IN GENERAL.—There is established in the Department of the Treasury the Terrorism Insured Loss Shared Compensation Program.

(2) AUTHORITY OF THE SECRETARY.—Notwithstanding any other provision of State or Federal law, the Secretary shall administer the Program, and shall pay the Federal share of compensation for insured losses in accordance with subsection (c).

107TH CONGRESS
1ST SESSION

S. _____

IN THE SENATE OF THE UNITED STATES

_____ introduced the following bill; which was read twice and referred to the Committee on _____

A BILL

To promote the stabilization of the economy by encouraging financial institutions to continue to support economic development, including development in urban areas, through the provision of affordable insurance coverage against acts of terrorism, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

(b) CONDITIONS FOR FEDERAL PAYMENTS.—No payment may be made by the Secretary under subsection (c), unless—

(1) a policyholder that suffers an insured loss, or a person acting on behalf of that policyholder, files a claim with a participating insurance company;

(2) at the time of offer, purchase, and renewal of each policy covering an insured loss, the participating insurance company provides clear and conspicuous disclosure in the policy to the policyholder of the premium charged for insured losses covered by the Program and the Federal share of compensation for insured losses under the Program;

(3) the participating insurance company processes the claim for the insured loss in accordance with its standard business practices, and any procedures that the Secretary may reasonably prescribe; and

(4) the participating insurance company submits to the Secretary, in accordance with such procedures as the Secretary may establish—

(A) a claim for payment of the Federal share of compensation for insured losses under the Program;

(B) written verification and certification—

(i) of the underlying claim; and

(ii) of all payments made to policyholders for insured losses; and

(C) certification of its compliance with the provisions of this subsection.

(c) SHARED INSURANCE LOSS COVERAGE.—

(1) FEDERAL SHARE.—Subject to the limitations in paragraph (2), the Federal share of compensation under the Program, to be paid by the Secretary, shall be—

(A) for insured losses resulting from an act of terrorism occurring during the period beginning on the date of enactment of this Act and ending on December 31, 2002, 90 percent of the aggregate amount of all such losses in excess of $10,000,000,000;

(B) for insured losses resulting from an act of terrorism occurring during the period beginning on January 1, 2003 and ending on December 31, 2003, 90 percent of the aggregate amount of all such losses in excess of $10,000,000,000; and

(C) if the Program is extended in accordance with section 6, for insured losses resulting from an act of terrorism occurring during the

period beginning on January 1, 2004 and ending on December 31, 2004, 90 percent of the aggregate amount of all such losses in excess of $20,000,000,000.

(2) CAP ON ANNUAL LIABILITY.—Notwithstanding paragraph (1), or any other provision of Federal or State law, if the aggregate insured losses exceed $100,000,000,000 during any period referred to in subparagraphs (A) and (B) of paragraph (1) (or the period referred to in subparagraph (C) of paragraph (1) if the Program is extended in accordance with section 6)—

(A) the Secretary shall not make any payment under this Act for any portion of the amount of such losses that exceeds $100,000,000,000; and

(B) participating insurance companies shall not be liable for the payment of any portion of the amount that exceeds $100,000,000,000.

(3) NOTICE TO CONGRESS.—The Secretary shall notify the Congress if estimated or actual aggregate insured losses exceed $100,000,000,000 in any period described in paragraph (1), and the Con-

gress shall determine the procedures for and the source of any such excess payments.

(4) FINAL NETTING.—The Secretary shall have sole discretion to determine the time at which claims relating to any insured loss or act of terrorism shall become final.

(5) DETERMINATIONS FINAL.—Any determination of the Secretary under this subsection shall be final, and shall not be subject to judicial review.

(d) FUNDING.—

(1) PAYMENT AUTHORITY.—This Act constitutes payment authority in advance of appropriation Acts and represents the obligation of the Federal Government to provide for the Federal share of compensation for insured losses under the Program.

(2) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Secretary such sums as may be necessary to pay the administrative expenses of the Program.

SEC. 5. GENERAL AUTHORITY AND ADMINISTRATION OF CLAIMS.

(a) GENERAL AUTHORITY.—The Secretary shall have the powers and authorities necessary to carry out the Program, including authority—

(1) to investigate and audit all claims under the Program; and

(2) to prescribe regulations and procedures to implement the Program.

(b) INTERIM RULES AND PROCEDURES.—The Secretary shall issue interim final rules or procedures specifying the manner in which—

(1) participating insurance companies may file, verify, and certify claims under the Program;

(2) the Secretary shall publish or otherwise publicly announce the applicable percentage of insured losses to be paid by participating insurance companies and the Federal share of compensation for insured losses under the Program;

(3) the Federal share of compensation for insured losses will be paid under the Program, including payments based on estimates of or actual aggregate insured losses;

(4) the Secretary may, at any time, seek repayment from or reimburse any participating insurance company, based on estimates of insured losses under the Program, to effectuate the insured loss sharing schedule and limitations contained in section 4;

(5) participating insurance companies that incur insured losses shall pay their pro rata share of

insured losses in accordance with the schedule and limitations contained in section 4; and

(6) the Secretary will determine any final netting of payments for actual insured losses under the Program, including payments owed to the Federal Government from any participating insurance company and any Federal share of compensation for insured losses owed to any participating insurance company, to effectuate the insured loss sharing schedule and limitations contained in section 4.

(c) CONTRACTS FOR SERVICES.—The Secretary may employ persons or contract for services as may be necessary to implement the Program.

(d) CIVIL PENALTIES.—The Secretary may assess civil money penalties for violations of this Act or any rule, regulation, or order issued by the Secretary under this Act relating to the submission of false or misleading information for purposes of the Program, or any failure to repay any amount required to be reimbursed under regulations or procedures described in section 5(b)(5).

SEC. 6. TERMINATION OF PROGRAM; DISCRETIONARY EXTENSION.

(a) TERMINATION OF PROGRAM.—

(1) IN GENERAL.—This Act is repealed, and the Program shall terminate, on December 31, 2003, unless the Secretary—

(A) determines, after considering the report and finding required by this section, that the Program should be extended for one additional year, until December 31, 2004; and

(B) promptly notifies the Congress of such determination and the reasons therefore.

(2) DETERMINATION FINAL.—The determination of the Secretary under paragraph (1) shall be final, and shall not be subject to judicial review.

(3) TERMINATION AFTER EXTENSION.—If the Program is extended under paragraph (1), this Act is repealed, and the Program shall terminate, on December 31, 2004.

(b) REPORT TO CONGRESS.—Not later than 18 months after the date of enactment of this Act, the Secretary shall submit a report to Congress—

(1) regarding—

(A) the availability of insurance coverage for acts of terrorism;

(B) the affordability of such coverage, including the effect of such coverage on premiums; and

(C) the capacity of the insurance industry to absorb future losses resulting from acts of terrorism, taking into account the profitability of the insurance industry; and

(2) that considers—

(A) the impact of the Program on each of the factors described in paragraph (1); and

(B) the probable impact on such factors and on the United States economy if the Program terminates on December 31, 2003.

(c) FINDING REQUIRED.—A determination under subsection (a) to extend the Program shall be based on a finding by the Secretary that—

(1) widespread market uncertainties continue to disrupt the ability of insurance companies to price insurance coverage for losses resulting from acts of terrorism, thereby resulting in the continuing unavailability of affordable insurance for consumers; and

(2) extending the Program for an additional year would likely encourage economic stabilization and facilitate a transition to a viable market for private terrorism risk insurance.

(d) CONTINUING AUTHORITY TO PAY OR ADJUST COMPENSATION.—Notwithstanding the date on which the

Program terminates under subsection (a), the Secretary may take any actions necessary to ensure payment, reimbursement, or adjustment of compensation for insured losses arising out of any act of terrorism occurring during the period during which the Program is in effect under this Act.

(e) STUDY AND REPORT ON SCOPE OF THE PROGRAM.—

(1) STUDY.—The Secretary, after consultation with the National Association of Insurance Commissioners, representatives of the insurance industry, and other experts in the insurance field, shall conduct a study of the potential effects of acts of terrorism on the availability of life insurance and other lines of insurance coverage.

(2) REPORT.—Not later than 1 year after the date of enactment of this Act, the Secretary shall submit a report to the Congress on the results of the study conducted under paragraph (1).

SEC. 7 PRESERVATION OF STATE LAW.

Nothing in this Act shall affect the jurisdiction or regulatory authority of the insurance commissioner (or any agency or office performing like functions) of any State over any participating insurance company or other person—

(1) except as specifically provided in this Act; and

(2) except that—

(A) the definition of the term ''act of terrorism'' in section 3 shall be the exclusive definition for purposes of compensation for insured losses under this Act, and shall preempt any provision of State law that is inconsistent with that definition, to the extent that such provision of law would otherwise apply to any insurance policy relating to terrorism risk in the United States; and

(B) during the period beginning on the date of enactment of this Act and ending on December 31, 2002, rates for terrorism risk insurance covered by this Act and filed with any State shall not be subject to prior approval or a waiting period, under any law of a State that would otherwise be applicable, provided that nothing in this Act affects the ability of any State to invalidate a rate as excessive, inadequate, or unfairly discriminatory.

SEC. 8. SENSE OF THE CONGRESS.

It is the sense of the Congress that the insurance industry should build capacity and aggregate risk to provide

SECTION. 1. SHORT TITLE.

This Act may be cited as the ''Terrorism Risk Insurance Act of 2001''.

SEC. 2. CONGRESSIONAL FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds that—

(1) property and casualty insurance firms are important financial institutions, the products of which allow mutualization of risk and the efficient use of financial resources and enhance the ability of the economy to maintain stability, while responding to a variety of economic, political, environmental, and other risks with a minimum of disruption;

(2) the ability of businesses and individuals to obtain property and casualty insurance at reasonable and predictable prices, in order to spread the risk of both routine and catastrophic loss, is critical to economic growth, urban development, and the construction and maintenance of public and private housing, as well as to the promotion of United States exports and foreign trade in an increasingly interconnected world;

(3) the ability of the insurance industry to cover the unprecedented financial risks presented by potential acts of terrorism in the United States can be a major factor in the recovery from terrorist at-

affordable property and casualty coverage for terrorism risk.

SEC. 9. PROCEDURES FOR CIVIL ACTIONS.

(a) FEDERAL CAUSE OF ACTION.—There shall exist a Federal cause of action for property damage, personal injury, or death arising out of or resulting from an act of terrorism, which shall be the exclusive cause of action and remedy for claims for property damage, personal injury, or death arising out of or resulting from an act of terrorism. All State causes of action of any kind for property damage, personal injury, or death otherwise available arising out of or resulting from an act of terrorism, are hereby preempted, except as provided in subsection (f).

(b) GOVERNING LAW.—The substantive law for decision in an action for property damage, personal injury, or death arising out of or resulting from an act of terrorism under this section shall be derived from the law, including applicable choice of law principles, of the [State, or States determined to be required by the district court assigned under subsection (c), unless such law is inconsistent with or otherwise preempted by Federal law.]

(c) FEDERAL JURISDICTION.—

(1) IN GENERAL.—Notwithstanding any other provision of law, not later than 90 days after the occurrence of an act of terrorism, the Judicial Panel

on Multidistrict Litigation shall assign a single Federal district court to conduct pretrial and trial proceedings in all pending and future civil actions for property damage, personal injury, or death arising out of or resulting from that act of terrorism.

(2) SELECTION CRITERIA.—The Judicial Panel on Multidistrict Litigation shall select and assign the district court under paragraph (1) based on the convenience of the parties and the just and efficient conduct of the proceedings.

(3) JURISDICTION.—The district court assigned by the Judicial Panel on Multidistrict Litigation shall have original and exclusive jurisdiction over all actions under paragraph (1). For purposes of personal jurisdiction, the district court assigned by the Judicial Panel on Multidistrict Litigation shall be deemed to sit in all judicial districts in the United States.

(4) TRANSFER OF CASES FILED IN OTHER FEDERAL COURTS.—Any civil action for property damage, personal injury, or death arising out of or resulting from an act of terrorism that is filed in a Federal district court other than the Federal district court assigned by the Judicial Panel on Multidistrict

Litigation under paragraph (1) shall be transferred to the Federal district court so assigned.

(5) REMOVAL OF CASES FILED IN STATE COURTS.—Any civil action for property damage, personal injury, or death arising out of or resulting from an act of terrorism that is filed in a State court shall be removable to the Federal district court assigned by the Judicial Panel on Multidistrict Litigation under paragraph (1).

[(d) APPROVAL OF SETTLEMENTS.—Any settlement between the parties of a civil action described in this section for property damage, personal injury, or death arising out of or resulting from an act of terrorism shall be subject to prior approval by the Secretary.]

(e) LIMITATION ON DAMAGES.—Punitive or exemplary damages shall not be available in any civil action subject to this section.

(f) CLAIMS AGAINST TERRORISTS.—Nothing in this section shall in any way limit the ability of any plaintiff to seek any form of recovery from any person, government or other entity that was a participant in, or aider and abettor of, any act of terrorism.

(g) EFFECTIVE PERIOD.—This section shall apply only to actions for property damage, personal injury, or death arising out of or resulting from acts of terrorism

that occur during the effective period of the Program, including, if applicable, any extension period under section 6.

tacks, while maintaining the stability of the economy;

(4) widespread financial market uncertainties have arisen following the terrorist attacks of September 11, 2001, including the absence of information from which financial institutions can make statistically valid estimates of the probability and size of future terrorist events, and therefore the size, funding, and allocation of the risk of loss caused by such acts of terrorism;

(5) a decision by property and casualty insurers to deal with such uncertainties, either by terminating property and casualty coverage for losses arising from terrorist events, or by radically escalating premium coverage to compensate for risks of loss that are not readily predictable, could seriously hamper ongoing and planned construction, property acquisition, and other business projects, generate a dramatic increase in rents, and otherwise suppress economic activity; and

(6) the United States Government should provide temporary financial assistance to insured parties, contributing to the stabilization of the United States economy in a time of national crisis, while the financial services industry develops the systems,

mechanisms, products, and programs necessary to create a viable financial services market for private terrorism risk insurance.

(b) PURPOSE.—The purpose of this Act is to establish a temporary Federal program that provides for a transparent system of shared public and private compensation for insured losses resulting from acts of terrorism in order to—

(1) protect consumers by addressing market disruptions and ensure the continued widespread availability and affordability of property and casualty insurance for terrorism risk; and

(2) allow for a transitional period for the private markets to stabilize, resume pricing of such insurance, and build capacity to absorb any future losses, while preserving State insurance regulation and consumer protections.

SEC. 3. DEFINITIONS.

In this Act, the following definitions shall apply:

(1) ACT OF TERRORISM.—

(A) CERTIFICATION.—The term ''act of terrorism'' means any act that is certified by the Secretary, in concurrence with the Secretary of State, and the Attorney General of the United States—

(i) to be a violent act or an act that is dangerous to—

(I) human life;

(II) property; or

(III) infrastructure;

(ii) to have resulted in damage within the United States, or outside of the United States in the case of an air carrier described in paragraph (3)(A)(ii); and

(iii) to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

(B) LIMITATION.—No act or event shall be certified by the Secretary as an act of terrorism if—

(i) the act or event is committed in the course of a war declared by the Congress; or

(ii) losses resulting from the act or event, in the aggregate, do not exceed $5,000,000.

(C) DETERMINATIONS FINAL.—Any certification of, or determination not to certify, an act or event as an act of terrorism under this paragraph shall be final, and shall not be subject to judicial review.

(2) BUSINESS INTERRUPTION COVERAGE.—The term ''business interruption coverage''—

(A) means coverage of losses for temporary relocation expenses and ongoing expenses, including ordinary wages, where—

(i) there is physical damage to the business premises of such magnitude that the business cannot open for business;

(ii) there is physical damage to other property that totally prevents customers or employees from gaining access to the business premises; or

(iii) the Federal, State, or local government shuts down an area due to physical or environmental damage, thereby preventing customers or employees from gaining access to the business premises; and

(B) does not include lost profits, other than in the case of a small business concern (as defined in section 3 of the Small Business Act

(15 U.S.C. 632) and applicable regulations thereunder) in any case described in clause (i), (ii), or (iii) of subparagraph (A).

(3) INSURED LOSS.—The term ''insured loss''—

(A) means any loss resulting from an act of terrorism that is covered by any type of commercial or personal property and casualty insurance policy or endorsement, including business interruption coverage, issued by a participating insurance company—

(i) if such loss occurs within the United States; and

(ii) to an air carrier (as defined in section 40102 of title 49, United States Code), regardless of where the loss occurs; and

(B) does not include any loss covered by any type of life or health insurance policy.

(4) PARTICIPATING INSURANCE COMPANY.—The term ''participating insurance company'' means any insurance company, including any subsidiary or affiliate thereof—

(A) that—

(i) is licensed or admitted to engage in the business of providing primary insurance in any State; or

(ii) is not so licensed or admitted, if it is an eligible surplus line carrier listed on the Quarterly Listing of Alien Insurers of the National Association of Insurance Commissioners, or any successor thereto;

(B) that offers in all of its property and casualty insurance policies, coverage for insured losses;

(C) that offers property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism; and

(D) that meets any other criteria that the Secretary may reasonably prescribe.

(6) PERSON.—The term ''person'' means any individual, business, or nonprofit entity (including a partnership, limited liability company, corporation, or association), trust or estate, or a State or political subdivision of a State or other governmental unit.

(7) PROGRAM.—The term ''Program'' means the Terrorism Insured Loss Shared Compensation Program established by this Act.

(8) SECRETARY.—The term ''Secretary'' means the Secretary of the Treasury.

(9) STATE.—The term ''State'' means any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, and each of the United States Virgin Islands.

(10) UNITED STATES.—The term ''United States'' means all States of the United States.

SEC. 4. TERRORISM INSURED LOSS SHARED COMPENSATION PROGRAM.

(a) ESTABLISHMENT OF PROGRAM.—

(1) IN GENERAL.—There is established in the Department of the Treasury the Terrorism Insured Loss Shared Compensation Program.

(2) AUTHORITY OF THE SECRETARY.—Notwithstanding any other provision of State or Federal law, the Secretary shall administer the Program, and shall pay the Federal share of compensation for insured losses in accordance with subsection (c).

By the way, I think Addington was grossly out of line and
unprofessional in his comments to me at staff meeting this morning. The
single-word addition he was talking about was at Whelan's insisistence, to
begin with, who represented to us at last second (literally) before the EO
was given to Harriet that Addington would be ok with the word as it simply
eliminated confusion. And regardless of that, I neither deserve nor
appreciate that kind of crap in a staff meeting. No need to respond to
this; just did not want to let that incident pass unstated . . . In 2021,
someone is free to read this e-mail . . .

Subject: FINAL CLEARANCE, SAP-S. 1188, Department of Veterans Affairs Medical Programs Enhancemnt Act

Here is the final version of the SAP on S. 1188, for your clearance. Currently there is a hold on the bill in the Senate, however, if the hold is removed, the bill will move very quickly. Therefore, please respond to me with your comments/clearance, by 9:00 am, Monday, November 5th. If you have any questions, please call me.
Thanks,
Danielle

DRAFT -- NOT FOR RELEASE

October XX, 2001
(Senate)

S. 1188 - Department of Veterans Affairs Medical Programs Enhancement Act of 2001
(Sen. Rockefeller (D) West Virginia and 2 cosponsors)

The Administration has no objection to Senate passage of S. 1188 as reported, which would enhance the authority of the Secretary of the Department of Veterans Affairs (VA) to recruit and retain qualified nurses for the Veterans Health Administration (VHA) and enhance other medical programs. However, the Administration has serious concerns with some of the bill's provisions and will work with Congress to delete those provisions.

Specifically, the Administration has concerns with provisions in S. 1188

that would:

-- Require VA to use a specific poverty index for a new geographically based income threshold for determining a non-service connected veteran's priority for receiving VA care. Current law establishes, on a national basis, the specific income thresholds that VA uses to determine the enrollment priority group of any given enrollee with no service-connected disability or other special status. While the Administration agrees with the legislation's goal of ensuring that VA services for enrollees are effectively targeted, the Administration has concerns about the substantial cost of the bill's provision for geographically based income thresholds. This could have an adverse effect on VA's capacity to continue to provide care to the maximum number of veterans.

-- Require the Secretary of the VA to establish a nation-wide staffing policy for VA medical facilities. There are currently no universally accepted staffing guidelines or staffing ratios in the public or private sector. Medical facility staffing cannot be easily structured since it is extremely complex, with a number of factors influencing staffing decisions. Some of these factors include: patient acuity and mix on a given unit; availability of varying personnel types, i.e., physician specialties, registered nurses, licensed practical nurses, and nursing assistants; experience, education, and quality of staff; technological and administrative support availability; and academic affiliation. The Administration is concerned that additional costs can be anticipated to result from an inflexible national staffing standard.

-- Mandate Saturday premium pay for "hybrid" employees at VHA. Hybrid employees are certain VHA positions, such as licensed practical nurses, physical and occupational therapists, and pharmacists, where the Secretary of the VA makes decisions related to appointments, promotions, and pay adjustments. Under current law, the Secretary of the VA may authorize premium pay, including Saturday premium pay for hybrid employees at any location. The Administration believes that the flexibility to authorize premium pay according to the practices of local medical centers and to maintain VA's competitiveness is the most equitable and cost-effective method of adjusting premium pay. The Administration does not support this provision because it is unnecessary.

-- Allow the use of unused sick leave in the annuity computations of VA registered nurses who are under the Federal Employees Retirement System (FERS). Under current law, unused sick leave may not be credited under FERS for annuity computations. There is no justification for making an exception to VA nurses or any other specific group of employees. A Government-wide retirement system should not be used as a means of addressing staffing problems of particular groups of employees. These benefits are costly to the Government as a whole, particularly considering that, if they are provided to VA nurses, other groups of employees will seek the same treatment.

-- Change the treatment of part-time service, which was performed by certain VA employees prior to April 7, 1986, for retirement credit purposes. The Administration believes there should be parity in the treatment of part-time service for retirement purposes for VA employees and other Federal employees. The Administration is seeking to resolve, in a comprehensive manner, technical problems associated with annuity computations of part-time service.

Pay-As-You-Go Scoring

S. 1188 would affect direct spending; therefore, it is subject to the pay-as-you-go (PAYGO) requirements of the Omnibus Budget Reconciliation Act of 1990. OMB's estimate is under development.

REV_00315095

(Do Not Distribute Outside Executive Office of the President)

This Statement of Administration Policy was developed by the Legislative Reference Division (Thompson) in consultation with the Departments of Education (Riddle), Treasury (Dorsey), and Veterans Affairs (Prudhomme), the Office of Personnel Management (Gardner), NSD (Sastry), EHR (Uher/Stack), HD (Vinkenes), BRD (Lee), OIRA (Thomas), and WHLA (Ciccone/Howard).

The following agency/EXOP reviewers did not respond to our request for views: the Departments of Health and Human Services, Housing and Urban Development, and Labor, HTF (Redburn/Schwartz), OMB GC (Aitken), DPC (Medrano/Phelps), CEA (McClellan),WH Counsel, OVP, and NEC.

OMB/LA Clearance:

Administration Position to Date

In a report to the Senate Veterans' Affairs Committee on August 31, 2001, VA stated that
S. 1188 as introduced contained some provisions that VA did not support, including: (1) the requirement for Saturday premium pay for hybrid employees since the authority to provide such pay has already been delegated to VHA facility directors; (2) the use of unused sick leave in the annuity computations of VHA registered nurses since it is inappropriate to extend the incentive to such a narrow class of Federal employees; (3) the establishment of a nationwide policy for assuring adequate staffing to maintain VHA capacity since there are no universally accepted staffing guidelines or staffing ratios in the public or private sector; and (4) the change in treatment, for purposes of retirement credit, of part-time service performed by certain employees covered by title 38, United States Code, prior to April 7, 1986, since there should be parity in the treatment of part-time service for title 38 and title 5 employees for retirement purposes. VA did not take an overall position on S. 1188.

S. 1188 was reported amended by the Senate Veterans' Affairs Committee on October 10, 2001.

Summary of S. 1188 (as reported)

Geographically Based Income Threshold

S. 1188 would require VA to use a specific poverty index for a new geographically based income threshold for determining a non-service connected veteran's enrollment priority for receiving VA care. Current law establishes, on a national basis, the specific income thresholds that VA uses to determine the enrollment priority group of any given enrollee with no service-connected disability or other special status.

Nationwide Policy on Staffing Standards

VA would be required to establish a nation-wide policy on staffing standards, which would take into account the staffing levels and skill mix required for the range of patient care and services provided in VA facilities. The bill would also require VA to have the staffing necessary to maintain the mandated VHA capacity, consistent with VA's overtime policies and with the new nationwide staffing policy.

Saturday Premium Pay For "Hybrid" Employees

S. 1188 would require VA to provide Saturday premium pay for "hybrid" employees. (This is permitted, but not required under current law.) Hybrid employees are certain VHA positions, such as VHA licensed practical nurses, pharmacists, certified or registered respiratory therapists, physical therapists, and occupational therapists, where the Secretary of the VA makes decisions related to appointments, promotions, and pay

adjustments.

Unused Sick Leave in Annuity Computations for VHA Nurses

The bill would require the use of unused sick leave in the annuity computations of VHA registered nurses who are under FERS. Under current law, unused sick leave may not be credited under FERS for annuity computations. Requiring unused sick leave to be used in calculating the annuity computation will result in a larger annuity, which will increase costs to the Government.

Computation of Annuity for Part-Time Service

S. 1188 would change the treatment of part-time service performed by certain title 38 employees prior to April 7, 1986, for purposes of retirement credit. The bill would exempt these employees (registered nurses, physician assistants, and expanded-function dental auxiliaries) from the requirement that part-time service performed prior to April 7, 1986, be prorated.

Enhancement of Authority to Provide Service Dogs to Veterans with Disabilities

S. 1188 would expand VA's authority to provide guide dogs. Current law limits the provision of guide dogs to blind veterans who are entitled to disability compensation. S. 1188 would remove that limitation, and would authorize VA to provide service dogs to any hearing-impaired veteran who is entitled to disability compensation, any veteran with spinal cord injury or dysfunction who is entitled to disability compensation, or any veteran entitled to disability compensation who has any other chronic physical or mental impairment that substantially limits mobility, hearing, or activities of daily living. The bill would also allow VA to pay for certain travel and incidental expenses incurred by veterans while adjusting to seeing-eye or guide dogs that VA will provide under this legislation.

Employee Incentive Scholarship Program

S. 1188 would make VA's Employee Incentive Scholarship Program (EISP) permanent. Under EISP, VA is authorized to award up to $10,000 per year of scholarship money toward full-time study, for up to three years, to eligible VA health care professionals in return for a period of obligated service. (The program is scheduled to expire on December 31, 2001). The bill would reduce the minimum period of employment required for eligibility in the program from two years to one year. S. 1188 also would remove the award limit for education pursued during a particular school year by a participant if the participant does not exceed the overall limitation for the equivalent of three years of full-time education. The bill would require the Secretary of the VA to make periodic adjustments to the amount of assistance paid through the program when adjustments are made to the Federal General Schedule.

Education Debt Reduction Program

S. 1188 would make VA's Education Debt Reduction Program (EDRP) permanent. Under the EDRP, VA is authorized to pay $6,000, $8,000, and $10,000 per year, respectively, over three years for education-related loans incurred by recently hired professionals in high-demand areas. (The program is scheduled to expire on December 31, 2001.) The bill would expand the list of eligible individuals to include those providing direct patient care services or services incident to direct patient care services. S. 1188 also would extend the number of years that an employee may participate in the EDRP from three years to five years and increase the overall award limit to $44,000, with the award payments for the fourth and fifth years of an employee's participation in the program limited to $10,000 each. As with the EISP, the bill would require the Secretary of the VA to make periodic adjustments to the amount of assistance paid through the program when adjustments are made to the Federal General

Schedule. The bill would provide limited special authority, until December 31, 2001, for the Secretary of the VA to waive the eligibility requirement limiting EDRP participation to recently appointed employees on a case-by-cases basis for individuals appointed on or after January 1, 1999, through September 30, 2000.

Miscellaneous Provisions

S. 1188:

-- Would provide that the compliance and oversight activities carried out by the field-based units of VA's Office of Research Compliance and Assurance will be charged to the Medical Care appropriation instead of the Medical and Prosthetic Research appropriation.

-- Elevate the position of VA's Chief Consultant for Nursing Programs (Director of the Nursing Service) so that it would report directly to the VA Under Secretary for Health. Currently, this position reports to the VA Under Secretary for Health through the Chief Patient Care Services Officer.

-- Would make clarifying amendments to VA's nurse locality pay statute. Recent changes to that statute were made by P.L. 106-419, which was intended to improve the survey process used to adjust nurse locality pay rates.

Reporting Requirements

VA would be required to report to the House and Senate Veterans' Affairs Committee no later than November 30, 2001, and November 30, 2002, on the requests of the VA Secretary during the previous fiscal year to the Director of the Office of Personnel Management (OPM) for waivers of the pay reduction for reemployed annuitants for appointments to VHA nurse positions. The reports must specify the response of the Director of OPM to each request and if the request was granted, whether or not the waiver or authority assisted the Secretary of the VA in meeting the requirements for appointments to VHA nurse positions.

S. 1188 would require the Secretary of the VA to do an evaluation of VA nurse-managed care clinics. The evaluation must be completed no later than 18 months after the bill's enactment, and include nurse-managed health care clinics, including primary care and geriatric clinics, located in three different geographic areas, or Veterans Integrated Service Networks (VISNs). If VA does not have three such clinics, they would be required to establish them in three different VISNs and include them in the evaluation. The evaluation should address patient satisfaction, provider experiences, cost of care, access to care, including waiting times, the functional status of clinic patients, and other matters as determined by the Secretary of the VA. VA would be required to report on the evaluation to the House and Senate Veterans' Affairs Committees no later than 18 months after the date of the bill's enactment.

S. 1188 would require that VA submit an annual report to Congress, beginning in 2002, no later than January 31st of each year, regarding VA's use of authorities to exempt experienced nurses from VA's nurse qualification standards. The report should specify, for each VA medical facility and each VISN, the number of waivers requested and granted to promote nurses who have not completed a bachelors of science in nursing in a recognized school of nursing, as well as information on age, race, and years of experience of the individuals subject to the waiver requests and waivers. The report should also discuss the programs carried out to facilitate the use of nursing education programs, including flexible scheduling, scholarships, salary replacement pay, and on-site classes, by experienced nurses.

The bill would require VA to report to the House and Senate Veterans' Affairs Committee, no later than 180 days after the bill's enactment, on the use of mandatory overtime by licensed nurses and nursing assistants in

VA medical facilities during 2001. Mandatory overtime is defined as any period in which a nurse or nurse assistant is mandated or otherwise required to work or be in on-duty status in excess of a scheduled work-shift or duty period, 12 hours in any 24-hour period, or 80 hours in any period of 14 consecutive days. The report should include: (1) a description of the amount of mandatory overtime at each VA medical facility during 2001; (2) a description of the mechanisms used to monitor mandatory overtime; (3) an assessment of the effects of mandatory overtime on patient care, including its contribution to medical errors; (4) recommendations regarding mechanisms for preventing mandatory overtime other than for emergency situations; and (5) any other matters VA considers appropriate.

Pay-As-You-Go Scoring

According to BRD (Lee), S. 1188 would affect direct spending; therefore, it is subject to the pay-as-you-go (PAYGO) requirements of the Omnibus Budget Reconciliation Act of 1990. OMB's estimate is under development.

DRAFT -- NOT FOR RELEASE

October XX, 2001
(Senate)

S. 1188 - Department of Veterans Affairs Medical Programs Enhancement Act of 2001
(Sen. Rockefeller (D) West Virginia and 2 cosponsors)

The Administration has no objection to Senate passage of S. 1188 as reported, which would enhance the authority of the Secretary of the Department of Veterans Affairs (VA) to recruit and retain qualified nurses for the Veterans Health Administration (VHA) and enhance other medical programs. However, the Administration has serious concerns with some of the bill's provisions and will work with Congress to delete those provisions.

Specifically, the Administration has concerns with provisions in S. 1188 that would:

-- Require VA to use a specific poverty index for a new geographically based income threshold for determining a non-service connected veteran's priority for receiving VA care. Current law establishes, on a national basis, the specific income thresholds that VA uses to determine the enrollment priority group of any given enrollee with no service-connected disability or other special status. While the Administration agrees with the legislation's goal of ensuring that VA services for enrollees are effectively targeted, the Administration has concerns about the substantial cost of the bill's provision for geographically based income thresholds. This could have an adverse effect on VA's capacity to continue to provide care to the maximum number of veterans.

-- Require the Secretary of the VA to establish a nation-wide staffing policy for VA medical facilities. There are currently no universally accepted staffing guidelines or staffing ratios in the public or private sector. Medical facility staffing cannot be easily structured since it is extremely complex, with a number of factors influencing staffing decisions. Some of these factors include: patient acuity and mix on a given unit; availability of varying personnel types, i.e., physician specialties, registered nurses, licensed practical nurses, and nursing assistants; experience, education, and quality of staff; technological and administrative support availability; and academic affiliation. The Administration is concerned that additional costs can be anticipated to result from an inflexible national staffing standard.

-- Mandate Saturday premium pay for "hybrid" employees at VHA. Hybrid employees are certain VHA positions, such as licensed practical nurses, physical and occupational therapists, and pharmacists, where the Secretary of the VA makes decisions related to appointments, promotions, and pay adjustments. Under current law, the Secretary of the VA may authorize premium pay, including Saturday premium pay for hybrid employees at any location. The Administration believes that the flexibility to authorize premium

pay according to the practices of local medical centers and to maintain VA's competitiveness is the most equitable and cost-effective method of adjusting premium pay. The Administration does not support this provision because it is unnecessary.

-- Allow the use of unused sick leave in the annuity computations of VA registered nurses who are under the Federal Employees Retirement System (FERS). Under current law, unused sick leave may not be credited under FERS for annuity computations. There is no justification for making an exception to VA nurses or any other specific group of employees. A Government-wide retirement system should not be used as a means of addressing staffing problems of particular groups of employees. These benefits are costly to the Government as a whole, particularly considering that, if they are provided to VA nurses, other groups of employees will seek the same treatment.

-- Change the treatment of part-time service, which was performed by certain VA employees prior to April 7, 1986, for retirement credit purposes. The Administration believes there should be parity in the treatment of part-time service for retirement purposes for VA employees and other Federal employees. The Administration is seeking to resolve, in a comprehensive manner, technical problems associated with annuity computations of part-time service.

Pay-As-You-Go Scoring

S. 1188 would affect direct spending; therefore, it is subject to the pay-as-you-go (PAYGO) requirements of the Omnibus Budget Reconciliation Act of 1990. OMB's estimate is under development.

* * * * * * * * * *

(Do Not Distribute Outside Executive Office of the President)

This Statement of Administration Policy was developed by the Legislative Reference Division (Thompson) in consultation with the Departments of Education (Riddle), Treasury (Dorsey), and Veterans Affairs (Prudhomme), the Office of Personnel Management (Gardner), NSD (Sastry), EHR (Uher/Stack), HD (Vinkenes), BRD (Lee), OIRA (Thomas), and WHLA (Ciccone/Howard).

The following agency/EXOP reviewers did not respond to our request for views: the Departments of Health and Human Services, Housing and Urban Development, and Labor, HTF (Redburn/Schwartz), OMB GC (Aitken), DPC (Medrano/Phelps), CEA (McClellan),WH Counsel, OVP, and NEC.

OMB/LA Clearance:

Administration Position to Date

In a report to the Senate Veterans' Affairs Committee on August 31, 2001, VA stated that S. 1188 as introduced contained some provisions that VA did not support, including: (1) the requirement for Saturday premium pay for hybrid employees since the authority to provide such pay has already been delegated to VHA facility directors; (2) the use of unused sick leave in the annuity computations of VHA registered nurses since it is inappropriate to extend the incentive to such a narrow class of Federal employees; (3) the establishment of a nationwide policy for assuring adequate staffing to maintain VHA capacity since there are no universally accepted staffing guidelines or staffing ratios in the public or private sector; and (4) the change in treatment, for purposes of retirement credit, of part-time service performed by certain employees covered by title 38, United States Code, prior to April 7, 1986, since there should be parity in the treatment of part-time service for title 38 and title 5 employees for retirement purposes. VA did not take an overall position on S. 1188.

S. 1188 was reported amended by the Senate Veterans' Affairs Committee on October 10, 2001.

Summary of S. 1188 (as reported)

Geographically Based Income Threshold

S. 1188 would require VA to use a specific poverty index for a new geographically based income threshold for determining a non-service connected veteran's enrollment priority for receiving VA care. Current law establishes, on a national basis, the specific income thresholds that VA uses to determine the enrollment priority group of any given enrollee with no service-connected disability or other special status.

Nationwide Policy on Staffing Standards

VA would be required to establish a nation-wide policy on staffing standards, which would take into account the staffing levels and skill mix required for the range of patient care and services provided in VA facilities. The bill would also require VA to have the staffing necessary to maintain the mandated VHA capacity, consistent with VA's overtime policies and with the new

nationwide staffing policy.

Saturday Premium Pay For "Hybrid" Employees

S. 1188 would require VA to provide Saturday premium pay for "hybrid" employees. (This is permitted, but not required under current law.) Hybrid employees are certain VHA positions, such as VHA licensed practical nurses, pharmacists, certified or registered respiratory therapists, physical therapists, and occupational therapists, where the Secretary of the VA makes decisions related to appointments, promotions, and pay adjustments.

Unused Sick Leave in Annuity Computations for VHA Nurses

The bill would require the use of unused sick leave in the annuity computations of VHA registered nurses who are under FERS. Under current law, unused sick leave may not be credited under FERS for annuity computations. Requiring unused sick leave to be used in calculating the annuity computation will result in a larger annuity, which will increase costs to the Government.

Computation of Annuity for Part-Time Service

S. 1188 would change the treatment of part-time service performed by certain title 38 employees prior to April 7, 1986, for purposes of retirement credit. The bill would exempt these employees (registered nurses, physician assistants, and expanded-function dental auxiliaries) from the requirement that part-time service performed prior to April 7, 1986, be prorated.

Enhancement of Authority to Provide Service Dogs to Veterans with Disabilities

S. 1188 would expand VA's authority to provide guide dogs. Current law limits the provision of guide dogs to blind veterans who are entitled to disability compensation. S. 1188 would remove that limitation, and would authorize VA to provide service dogs to any hearing-impaired veteran who is entitled to disability compensation, any veteran with spinal cord injury or dysfunction who is entitled to disability compensation, or any veteran entitled to disability compensation who has any other chronic physical or mental impairment that substantially limits mobility, hearing, or activities of daily living. The bill would also allow VA to pay for certain travel and incidental expenses incurred by veterans while adjusting to seeing-eye or guide dogs that VA will provide under this legislation.

Employee Incentive Scholarship Program

S. 1188 would make VA's Employee Incentive Scholarship Program (EISP) permanent. Under EISP, VA is authorized to award up to $10,000 per year of scholarship money toward full-time study, for up to three years, to eligible VA health care professionals in return for a period of obligated service. (The program is scheduled to expire on December 31, 2001). The bill would reduce the minimum period of employment required for eligibility in the program from two years to one year. S. 1188 also would remove the award limit for education pursued during a particular school year by a participant if the participant does not exceed the overall limitation for the equivalent of three years of full-time education. The bill would require the Secretary of the VA to make periodic adjustments to the amount of assistance paid through the program when

adjustments are made to the Federal General Schedule.

Education Debt Reduction Program

S. 1188 would make VA's Education Debt Reduction Program (EDRP) permanent. Under the EDRP, VA is authorized to pay $6,000, $8,000, and $10,000 per year, respectively, over three years for education-related loans incurred by recently hired professionals in high-demand areas. (The program is scheduled to expire on December 31, 2001.) The bill would expand the list of eligible individuals to include those providing direct patient care services or services incident to direct patient care services. S. 1188 also would extend the number of years that an employee may participate in the EDRP from three years to five years and increase the overall award limit to $44,000, with the award payments for the fourth and fifth years of an employee's participation in the program limited to $10,000 each. As with the EISP, the bill would require the Secretary of the VA to make periodic adjustments to the amount of assistance paid through the program when adjustments are made to the Federal General Schedule. The bill would provide limited special authority, until December 31, 2001, for the Secretary of the VA to waive the eligibility requirement limiting EDRP participation to recently appointed employees on a case-by-cases basis for individuals appointed on or after January 1, 1999, through September 30, 2000.

Miscellaneous Provisions

S. 1188:

-- Would provide that the compliance and oversight activities carried out by the field-based units of VA's Office of Research Compliance and Assurance will be charged to the Medical Care appropriation instead of the Medical and Prosthetic Research appropriation.

-- Elevate the position of VA's Chief Consultant for Nursing Programs (Director of the Nursing Service) so that it would report directly to the VA Under Secretary for Health. Currently, this position reports to the VA Under Secretary for Health through the Chief Patient Care Services Officer.

-- Would make clarifying amendments to VA's nurse locality pay statute. Recent changes to that statute were made by P.L. 106-419, which was intended to improve the survey process used to adjust nurse locality pay rates.

Reporting Requirements

VA would be required to report to the House and Senate Veterans' Affairs Committee no later than November 30, 2001, and November 30, 2002, on the requests of the VA Secretary during the previous fiscal year to the Director of the Office of Personnel Management (OPM) for waivers of the pay reduction for reemployed annuitants for appointments to VHA nurse positions. The reports must specify the response of the Director of OPM to each request and if the request was granted, whether or not the waiver or authority assisted the Secretary of the VA in meeting the requirements for appointments to VHA nurse positions.

S. 1188 would require the Secretary of the VA to do an evaluation of VA nurse-managed care

clinics. The evaluation must be completed no later than 18 months after the bill's enactment, and include nurse-managed health care clinics, including primary care and geriatric clinics, located in three different geographic areas, or Veterans Integrated Service Networks (VISNs). If VA does not have three such clinics, they would be required to establish them in three different VISNs and include them in the evaluation. The evaluation should address patient satisfaction, provider experiences, cost of care, access to care, including waiting times, the functional status of clinic patients, and other matters as determined by the Secretary of the VA. VA would be required to report on the evaluation to the House and Senate Veterans' Affairs Committees no later than 18 months after the date of the bill's enactment.

S. 1188 would require that VA submit an annual report to Congress, beginning in 2002, no later than January 31st of each year, regarding VA's use of authorities to exempt experienced nurses from VA's nurse qualification standards. The report should specify, for each VA medical facility and each VISN, the number of waivers requested and granted to promote nurses who have not completed a bachelors of science in nursing in a recognized school of nursing, as well as information on age, race, and years of experience of the individuals subject to the waiver requests and waivers. The report should also discuss the programs carried out to facilitate the use of nursing education programs, including flexible scheduling, scholarships, salary replacement pay, and on-site classes, by experienced nurses.

The bill would require VA to report to the House and Senate Veterans' Affairs Committee, no later than 180 days after the bill's enactment, on the use of mandatory overtime by licensed nurses and nursing assistants in VA medical facilities during 2001. Mandatory overtime is defined as any period in which a nurse or nurse assistant is mandated or otherwise required to work or be in on-duty status in excess of a scheduled work-shift or duty period, 12 hours in any 24-hour period, or 80 hours in any period of 14 consecutive days. The report should include: (1) a description of the amount of mandatory overtime at each VA medical facility during 2001; (2) a description of the mechanisms used to monitor mandatory overtime; (3) an assessment of the effects of mandatory overtime on patient care, including its contribution to medical errors; (4) recommendations regarding mechanisms for preventing mandatory overtime other than for emergency situations; and (5) any other matters VA considers appropriate.

Pay-As-You-Go Scoring

According to BRD (Lee), S. 1188 would affect direct spending; therefore, it is subject to the pay-as-you-go (PAYGO) requirements of the Omnibus Budget Reconciliation Act of 1990. OMB's estimate is under development.

Subject: Tuesday committe hearing

If you remain of the view that I might be asked to testify on behalf of
the Administration, please give me more info on this hearing (which
committee, what time, precise topic, etc.) so that I can get ready.

I'll also need to have a backup plan in case my wife is in labor then.
I'll check with John Yoo. If you have anyone else in mind, let me know.

I just faxed to each of you this letter.

The Judge said he would call him back if you want him to. Please advise.

Subject: Richard Reeves from NY Times re: Presidential Records EO

Mr. Reeves called for the Judge hoping to discuss the impact this EO will have on historians.

Mr. Reeves said he is working with other historians, including Doris Kearns, for a op-ed.

I expect that he will fax something to the Judge this afternoon. I'll make sure each of you gets a copy of whatever he sends.

The Judge does not want to talk him. If one of you would like to call him back he can be reached at 202-965-4902.

Please let me know if you have any questions.

Lib

just faxed over some minor changes;
note that hearing is now at 2:00 tomorrow
we need to try to get a professor to testify on the second panel
at hearing; can you ask Greg Maggs if would do it? it should be very
simple to prepare for, and he would be good

I attach a quick draft. I welcome your comments. (Please do not reply to me at this e-mail address, as I check i t infrequently.)

Mr. Chairman and Members of the Subcommittee: Thank you for affording me the opportunity to speak on behalf of the Administration on the important topic before you.

As you are aware, last week President Bush signed an executive order that implements the Presidential Records Act. I would like to address what this executive order does.

President Bush's executive order implements section 2204(c) of the Presidential Records Act. That section provides that the Act shall not be "construed to confirm, limit, or expand any constitutionally-based privilege which may be available to an incumbent or former President." In enacting the Act, Congress thus expressly recognized the possibility that both the incumbent President and former Presidents may be entitled to invoke constitutionally based privileges to prevent the disclosure of presidential records that might otherwise be disclosed pursuant to other provisions of the Act, including after the expiration of the 12-year period of presumptive nondisclosure under the Act. As Senator Percy explained, if a President "believe[d] that the 12-year closure period does not suffice, that President could object to the release of some document in the 13th or 15th or 20th year." Cong. Record S36844 (Oct. 13, 1978). **[Need to review Percy quote]**

Congress's recognition that former Presidents, as well as the incumbent President, may be entitled to assert constitutionally based privileges is consistent with, and compelled by, Supreme Court case law. In Nixon v. Administrator of General Services, 433 U.S. 425 (1977), the Supreme Court embraced the view that "[u]nless [the President] can give his advisers some assurance of confidentiality, a President could not expect to receive the full and frank submissions of facts and opinions upon which effective discharge of his duties depends." 433 U.S. at 448-49. In order to provide this necessary assurance of confidentiality, the Court ruled that the President's constitutionally based privileges for confidential communications must "survive[] the individual President's tenure." Id. at 449. The Court thus held that a former President, although no longer a government official, may assert constitutionally based privileges with respect to his Administration's presidential records, and it expressly rejected the argument that "only an incumbent President can assert the privilege of the Presidency." Id. at 448.

Congress's and the Supreme Court's recognition that both a former President and the incumbent President may assert constitutional privileges with respect to the records of the former President entails the need for procedures to govern review of any records to which such privileges may apply. President Bush's executive order establishes clear, sensible, and workable procedures that will govern the decisions by former Presidents and the incumbent President whether to withhold or release privileged documents.

Consistent with the Supreme Court's decision in Nixon v. Administrator of General Services and with what the Administration believes to be sound policy, President Bush's executive order confers on former Presidents the primary responsibility for asserting privileges with respect to their presidential records. Indeed, by providing (in section 4) that the incumbent President will, absent compelling circumstances, defer to the former President's decision whether or not to invoke a privilege, President Bush's executive order grants the incumbent President less authority over the records of a former

President than the incumbent President had under the previous executive order governing the Act.

Let me emphasize that the executive order is wholly procedural in nature. By its express terms, it does not, and is not intended to, "indicate whether and under what circumstances a former President should assert or waive any privilege." (Section 9.)

Before the Act took effect, former Presidents generally released the vast majority of their presidential records even though they were under no legal obligation to do so. The Administration anticipates that this historical practice will continue. Indeed, because the Act and the executive order give former Presidents less power to withhold records than they had before the Act was enacted, there is no reason to anticipate that former Presidents will exercise their constitutional privileges in a way that leads to greater withholding of records.

Subject: Possible POTUS mtg re: Judges on Monday, Nov. 12

We will request a little time to discuss Judges with the President on Monday, Nov. 12.

Yes - I know it is Veterans Day - that is the best day next week to do it. Thursday and Friday of this week are not an option.

If you will have something for this possible meeting date please let me know.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777
For more information on the President's initiatives please visit www.whitehouse.gov

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Message and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

COALITION INFORMATION CENTER

11/6/01

A Daily Summary of News, Messages and Facts About the War on Terrorism

Today's Schedule (EST)

7:00a EST	President Bush speaks to Polish Regional Anti-Terrorism Conference
9:00a EST	Prime Minister Blair to meet with Presidents Museveni (Uganda) and Kagame (Rwanda).
10:45a EST	President Bush meets President Chirac of France
1:30p EST	Defense Dept. Daily Press Briefing
2:30p EST	Daily White House Press Briefing
2:30p EST	Prime Minister Blair attends a State Dinner with King Abdullah of Jordan.

Message

- We will not rest until every terrorist group of global reach has been found, has been stopped, and has been defeated.
- Our military is systematically pursuing its mission. We have destroyed many terrorist training camps. We have severed communications links. We are taking out air defenses and now we are attacking the Taliban's front lines.
- We have a vast coalition that is uniting the world and increasingly isolating the terrorists. No nation can be neutral in this conflict because no civilized nation can be secure in a world threatened by terror.

Recent Key Quotes

- **Growing Number of Afghans Wonder if Osama bin Laden's Presence Worth the Pain (11/5/01, Associated Press)** – "Honestly we don't know why he stays here," Mohammed Farhat, a Kabul pharmacist, said of bin Laden. "The situation is very bad for the Afghan people, but there is nothing we can do."
- From Damascus, Amre Moussa, Secretary-General of the 22-nation Arab League dismissed Osama bin Laden's appeal to Muslims to join a holy war against the West saying that, "bin Laden doesn't speak in the name of Arabs and Muslims." (11/4/01, Reuters)
- Egyptian Foreign Minister Ahmad Maher also rejected the [bin Laden] appeal, saying that the world was against Osama bin Laden, "There is a war between bin Laden and the whole world." (11/4/01, Reuters)
- King Abdullah of Jordan: "These terrorists pose a double threat to us as Arabs and Muslims: the threat of inflicting suffering on people and the threat of tarnishing the image of a great religion and civilization." "Our concern is that the Osama Bin Ladens of this world would like to make this a struggle between East and West, between the West and Islam ...and we have to be careful as Muslims and Christians in the international community not to fall into that trap." (10/29/01,AFP)
- Turkish Prime Minister Ecevit, when asked whether military action during Ramadan would put Turkey in a difficult position replied, "Operation Enduring Freedom is not a fight against Islam, and terrorism does not respect Ramadan." (11/2/01, Turkish press reports)
- "The current situation of Osama bin Laden and his group and what they have shown of their positions has made them culpable to a large extent, approaching 100 percent, and prompted the United States to take these measures to fight terrorism." (Deputy Saudi Interior Minister Prince Ahmed bin Abdul Aziz, as reported by the AP, 10/31/01)
- Damascus cab driver: "Why doesn't Bin Laden help the Afghan people with all his money by building hospitals and schools, instead of wasting it in a war against the U.S.?" (10/17/01, BBC Online)

Fact

USAID reports that the U.S. has airdropped more than 1.3 million humanitarian daily rations (HDR) for Afghans facing starvation.

THE GROWING CATALOG OF TALIBAN & AL QAEDA MISINFORMATION

Old Faithful in Yellowstone erupts every 76 minutes and Big Ben in London strikes every hour. And just as regularly, it seems, Al Qaeda and the Taliban are making more and more outlandish misstatements.

Every day, as the truth becomes known, the world grows ever more weary of Al Qaeda and Taliban propaganda.

The Taliban and Al Qaeda continue to add to their lengthy catalog of lies. Below are some of the latest examples of their misstatements.

SAMPLES OF MISSTATEMENTS

CLAIM: The Taliban attack the U.N. for not helping the Afghan people.

☑ **FACT: The Taliban continue to harrass and beat aid workers and steal food, medicine and other humanitarian supplies intended for the innocent Afghan people.** The spokesman for the United Nations High Commissioner for Refugees, Peter Kessler, has said, "What we need is the cooperation of the Taliban. The UNHCR and our agencies have had our vehicles stolen, our offices taken over, and our staff beaten. The needs inside Afghanistan are absolutely enormous. People are suffering. Aid agencies need the environment in which to work, and right now it is mainly the Taliban who can give us that space."

☑ **FACT: The Taliban are actually hijacking humanitarian convoys for military purposes.** The November 6 *Washington Post* reports, "A truck in a convoy purportedly on a humanitarian mission to deliver food tipped over, and crates of tank and mortar shells could be seen spilling to the ground underneath a thin layer of flour."

CLAIM: The Taliban accuse the U.S. of targeting civilians.

☑ **FACT: The Taliban are actually placing their military assets near civilian areas and using innocent Afghans as human shields for their oppressive regime.** The November 6 *Washington Post* reports that the Taliban are actually placing military assets in mosques and across the street from hospitals and innocent people's homes. Taliban commanders have also taken over humanitarian aid facilities for military purposes. A senior officer tells the *Washington Post*, "Whole villages are being used as human shields by the Taliban to protect their large stockpiles of ammunition and weapons hidden in nearby caves."

CLAIM: The Taliban claim repeatedly to have shot down American B-52 bombers and helicopters.

☑ **FACT: The Taliban have shot down no American B-52 bombers or helicopters.**

CLAIM: The Taliban claim that U.S. forces are using chemical and biological weapons.

☑ **FACT: The U.S. has never used chemical weapons in Afghanistan.**

THE GROWING CATALOG OF TALIBAN & AL QAEDA MISINFORMATION

Old Faithful in Yellowstone erupts every 76 minutes and Big Ben in London strikes every hour. And just as regularly, it seems, Al Qaeda and the Taliban are making more and more outlandish misstatements.

Every day, as the truth becomes known, the world grows ever more weary of Al Qaeda and Taliban propaganda.

The Taliban and Al Qaeda continue to add to their lengthy catalog of lies. Below are some of the latest examples of their misstatements.

SAMPLES OF MISSTATEMENTS

CLAIM: The Taliban attack the U.N. for not helping the Afghan people.

☑ **FACT: The Taliban continue to harrass and beat aid workers and steal food, medicine and other humanitarian supplies intended for the innocent Afghan people.** The spokesman for the United Nations High Commissioner for Refugees, Peter Kessler, has said, "What we need is the cooperation of the Taliban. The UNHCR and our agencies have had our vehicles stolen, our offices taken over, and our staff beaten. The needs inside Afghanistan are absolutely enormous. People are suffering. Aid agencies need the environment in which to work, and right now it is mainly the Taliban who can give us that space."

☑ **FACT: The Taliban are actually hijacking humanitarian convoys for military purposes.** The November 6 *Washington Post* reports, "A truck in a convoy purportedly on a humanitarian mission to deliver food tipped over, and crates of tank and mortar shells could be seen spilling to the ground underneath a thin layer of flour."

CLAIM: The Taliban accuse the U.S. of targeting civilians.

☑ **FACT: The Taliban are actually placing their military assets near civilian areas and using innocent Afghans as human shields for their oppressive regime.** The November 6 *Washington Post* reports that the Taliban are actually placing military assets in mosques and across the street from hospitals and innocent people's homes. Taliban commanders have also taken over humanitarian aid facilities for military purposes. A senior officer tells the *Washington Post*, "Whole villages are being used as human shields by the Taliban to protect their large stockpiles of ammunition and weapons hidden in nearby caves."

CLAIM: The Taliban claim repeatedly to have shot down American B-52 bombers and helicopters.

☑ **FACT: The Taliban have shot down no American B-52 bombers or helicopters.**

CLAIM: The Taliban claim that U.S. forces are using chemical and biological weapons.

☑ **FACT: The U.S. has never used chemical weapons in Afghanistan.**

THE GROWING CATALOG OF TALIBAN & AL QAEDA MISINFORMATION

Old Faithful in Yellowstone erupts every 76 minutes and Big Ben in London strikes every hour. And just as regularly, it seems, Al Qaeda and the Taliban are making more and more outlandish misstatements.

Every day, as the truth becomes known, the world grows ever more weary of Al Qaeda and Taliban propaganda.

The Taliban and Al Qaeda continue to add to their lengthy catalog of lies. Below are some of the latest examples of their misstatements.

SAMPLES OF MISSTATEMENTS

CLAIM: The Taliban attack the U.N. for not helping the Afghan people.

☑ **FACT: The Taliban continue to harrass and beat aid workers and steal food, medicine and other humanitarian supplies intended for the innocent Afghan people.** The spokesman for the United Nations High Commissioner for Refugees, Peter Kessler, has said, "What we need is the cooperation of the Taliban. The UNHCR and our agencies have had our vehicles stolen, our offices taken over, and our staff beaten. The needs inside Afghanistan are absolutely enormous. People are suffering. Aid agencies need the environment in which to work, and right now it is mainly the Taliban who can give us that space."

☑ **FACT: The Taliban are actually hijacking humanitarian convoys for military purposes.** The November 6 *Washington Post* reports, "A truck in a convoy purportedly on a humanitarian mission to deliver food tipped over, and crates of tank and mortar shells could be seen spilling to the ground underneath a thin layer of flour."

CLAIM: The Taliban accuse the U.S. of targeting civilians.

☑ **FACT: The Taliban are actually placing their military assets near civilian areas and using innocent Afghans as human shields for their oppressive regime.** The November 6 *Washington Post* reports that the Taliban are actually placing military assets in mosques and across the street from hospitals and innocent people's homes. Taliban commanders have also taken over humanitarian aid facilities for military purposes. A senior officer tells the *Washington Post*, "Whole villages are being used as human shields by the Taliban to protect their large stockpiles of ammunition and weapons hidden in nearby caves."

CLAIM: The Taliban claim repeatedly to have shot down American B-52 bombers and helicopters.

☑ **FACT: The Taliban have shot down no American B-52 bombers or helicopters.**

CLAIM: The Taliban claim that U.S. forces are using chemical and biological weapons.

☑ **FACT: The U.S. has never used chemical weapons in Afghanistan.**

THE GROWING CATALOG OF TALIBAN & AL QAEDA MISINFORMATION

Old Faithful in Yellowstone erupts every 76 minutes and Big Ben in London strikes every hour. And just as regularly, it seems, Al Qaeda and the Taliban are making more and more outlandish misstatements.

Every day, as the truth becomes known, the world grows ever more weary of Al Qaeda and Taliban propaganda.

The Taliban and Al Qaeda continue to add to their lengthy catalog of lies. Below are some of the latest examples of their misstatements.

SAMPLES OF MISSTATEMENTS

CLAIM: The Taliban attack the U.N. for not helping the Afghan people.

☑ **FACT: The Taliban continue to harrass and beat aid workers and steal food, medicine and other humanitarian supplies intended for the innocent Afghan people.** The spokesman for the United Nations High Commissioner for Refugees, Peter Kessler, has said, "What we need is the cooperation of the Taliban. The UNHCR and our agencies have had our vehicles stolen, our offices taken over, and our staff beaten. The needs inside Afghanistan are absolutely enormous. People are suffering. Aid agencies need the environment in which to work, and right now it is mainly the Taliban who can give us that space."

☑ **FACT: The Taliban are actually hijacking humanitarian convoys for military purposes.** The November 6 *Washington Post* reports, "A truck in a convoy purportedly on a humanitarian mission to deliver food tipped over, and crates of tank and mortar shells could be seen spilling to the ground underneath a thin layer of flour."

CLAIM: The Taliban accuse the U.S. of targeting civilians.

☑ **FACT: The Taliban are actually placing their military assets near civilian areas and using innocent Afghans as human shields for their oppressive regime.** The November 6 *Washington Post* reports that the Taliban are actually placing military assets in mosques and across the street from hospitals and innocent people's homes. Taliban commanders have also taken over humanitarian aid facilities for military purposes. A senior officer tells the *Washington Post*, "Whole villages are being used as human shields by the Taliban to protect their large stockpiles of ammunition and weapons hidden in nearby caves."

CLAIM: The Taliban claim repeatedly to have shot down American B-52 bombers and helicopters.

☑ **FACT: The Taliban have shot down no American B-52 bombers or helicopters.**

CLAIM: The Taliban claim that U.S. forces are using chemical and biological weapons.

☑ **FACT: The U.S. has never used chemical weapons in Afghanistan.**

THE GROWING CATALOG OF TALIBAN & AL QAEDA MISINFORMATION

Old Faithful in Yellowstone erupts every 76 minutes and Big Ben in London strikes every hour. And just as regularly, it seems, Al Qaeda and the Taliban are making more and more outlandish misstatements.

Every day, as the truth becomes known, the world grows ever more weary of Al Qaeda and Taliban propaganda.

The Taliban and Al Qaeda continue to add to their lengthy catalog of lies. Below are some of the latest examples of their misstatements.

SAMPLES OF MISSTATEMENTS

CLAIM: The Taliban attack the U.N. for not helping the Afghan people.

☑ **FACT: The Taliban continue to harrass and beat aid workers and steal food, medicine and other humanitarian supplies intended for the innocent Afghan people.** The spokesman for the United Nations High Commissioner for Refugees, Peter Kessler, has said, "What we need is the cooperation of the Taliban. The UNHCR and our agencies have had our vehicles stolen, our offices taken over, and our staff beaten. The needs inside Afghanistan are absolutely enormous. People are suffering. Aid agencies need the environment in which to work, and right now it is mainly the Taliban who can give us that space."

☑ **FACT: The Taliban are actually hijacking humanitarian convoys for military purposes.** The November 6 *Washington Post* reports, "A truck in a convoy purportedly on a humanitarian mission to deliver food tipped over, and crates of tank and mortar shells could be seen spilling to the ground underneath a thin layer of flour."

CLAIM: The Taliban accuse the U.S. of targeting civilians.

☑ **FACT: The Taliban are actually placing their military assets near civilian areas and using innocent Afghans as human shields for their oppressive regime.** The November 6 *Washington Post* reports that the Taliban are actually placing military assets in mosques and across the street from hospitals and innocent people's homes. Taliban commanders have also taken over humanitarian aid facilities for military purposes. A senior officer tells the *Washington Post*, "Whole villages are being used as human shields by the Taliban to protect their large stockpiles of ammunition and weapons hidden in nearby caves."

CLAIM: The Taliban claim repeatedly to have shot down American B-52 bombers and helicopters.

☑ **FACT: The Taliban have shot down no American B-52 bombers or helicopters.**

CLAIM: The Taliban claim that U.S. forces are using chemical and biological weapons.

☑ **FACT: The U.S. has never used chemical weapons in Afghanistan.**

President Bush's Agenda for Economic Growth & Job Creation

THE PRESIDENT'S APPROACH TO ECONOMIC GROWTH AND JOB CREATION

- The terror attacks of September 11 caused a shock to our nation's economy. The most recent unemployment data showed that more than 415,000 Americans lost their jobs in October – the highest monthly job losses in more than two decades. The Gross Domestic Product for the third quarter was negative 0.4 percent.

- President Bush supports practical steps to help restore the economic confidence of our country – both for consumers and businesses. Since September 11, the federal government has allocated or pledged close to $60 billion for disaster relief, recovery and cleanup, national defense and homeland security – and has committed to spending billions more to help dislocated workers and New York recovery efforts. For example, the President proposed a Back to Work Relief Package on October 4 to provide help to those workers hardest hit by the economic impact of the attacks. This package would:

  - Extend unemployment benefits by 13 weeks for Americans who lost their jobs as a direct result of the terrorist attacks;
  - Make $11 billion available to states to help low-income workers displaced from their jobs to receive health insurance;
  - Provide $3 billion in special National Emergency Grants to help displaced workers maintain health coverage, supplement their income and receive job training (for example, funds could be used to pay up to 75% of health care premiums covered by COBRA for up to ten months); and
  - Encourage affected workers to take advantage of more than $6 billion in existing federal programs that provide job search, training, placement and other services.

- These are important and necessary steps to help America's workers. But these efforts must be complemented by an effective economic stimulus plan to prevent job loss and get displaced workers back to work. More federal spending is not the best way to stimulate growth. Instead, the best way to retain and create jobs is through tax relief that improves incentives to work and invest while also restoring consumer and business confidence.

  - *Tax relief can arrive quickly.* Unlike spending programs, tax relief does not have to wait for program guidelines to be developed and processes put in place. New, lower tax rates for consumers and businesses will show up in paychecks starting January 1.
  - *Tax relief is efficient.* Spending programs used as economic stimulus tools often do not put money in the right places, instead coming with too many restrictions to give consumers and businesses what they need most. Tax relief gives individuals and businesses the ability to make economic decisions for themselves. And, unlike spending programs that tend to take on a life of their own, the budgetary impact of tax relief is limited and better known.
  - *Tax relief will best help to expand job-creating investment.* The changes outlined by the President will give companies and entrepreneurs bottom-line incentives to invest in new equipment, keep current jobs and add new workers. Government spending programs are unlikely to have an impact on productivity or wages. The Japanese experience of the 1990s suggests that reviving a slumping economy with large increases in spending results in budget deficits, larger public debt, high unemployment and low consumer confidence.

THE PRESIDENT'S PRINCIPLES FOR ECONOMIC GROWTH AND JOB CREATION

- The President supports the following initiatives to spur economic growth and job creation plan:
  - *Accelerating Marginal Tax Rate Reductions:* Puts more money in the hands of consumers, entrepreneurs and small businesses and improves economic growth incentives by accelerating the marginal tax rate cuts already approved by Congress. Accelerated tax relief for consumers will give them more to spend and invest, and tax relief for businesses and entrepreneurs will help them to retain or create more jobs.
  - *Partial Expensing:* Encourages businesses to invest in new equipment and resources by allowing them to partially expense capital expenditures, allowing them to make purchases they might not otherwise have been able to afford.
  - *Eliminating the Corporate AMT:* Promotes new investment by businesses by eliminating the corporate alternative minimum tax, which imposes job-killing higher taxes on corporations and small businesses.
  - *Tax Relief for Low and Moderate Income Workers:* Reduces taxes for low- and moderate-income households beyond the tax relief already approved by Congress. Helping these taxpayers, who did not get a tax rebate check earlier this year, will ensure that the most vulnerable workers will have more money in their pockets.

- Recent studies support these principles as the best way to create more jobs in America.
  - The Council of Economic Advisers estimates that the approach supported by the President will help businesses to create roughly 300,000 more jobs by the end of 2002.
  - Economists from the Center for Data Analysis at the Heritage Foundation estimated that the approach supported by the President would produce almost 3 times more jobs than the Senate economic stimulus plan. The analysis also found that the President's approach will cause the average family's disposable income to rise by $1062 per year over the next four years, compared to only $175 per year for the Baucus plan.
  - Merrill Lynch's Weekly Economic and Financial Commentary noted that "the breathtaking scale of monetary and fiscal stimulus all but guarantees a powerful recovery by the middle of next year… (assuming) that Congress will deliver the goods and not end in gridlock."

- The economic growth package is just one of the steps the federal government take to improve America's short-term economic health and long-term economic prospects. Enacting an energy plan that ensures our nation has a reliable, affordable supply of energy and greater energy self-sufficiency is a priority. And, expanding trade is essential to the growth of our economy and the prosperity and progress of the world.

- The House of Representatives took an important step by passing an economic stimulus package based on the President's principles. Now, it is time for the Senate to act so the economic stimulus can take effect quickly.

- President Bush will continue to work with Congress on a bipartisan basis to enact a meaningful, effective economic stimulus package.

White House Office of Communications – (202) 456-2777
