b. The American Bar Association's Commentary to its Code of Judicial Conduct states that it is inappropriate for a judge to hold membership in any organization that invidiously discriminates on the basis of race, sex, or religion, or national origin. Indicate whether any of these organizations listed in response to 11a above currently discriminate or formerly discriminated on the basis of race, sex, religion or national origin either through formal membership requirements or the practical implementation of membership

policies. If so, describe any action you have taken to change these policies and practices.

The Christian Legal Society is a faith-based organization. I made no effort to change this practice, as it is appropriate for religious adherents to join their fellow believers in civic organizations dedicated to their jointly held religion, religious beliefs, and religious practices. *See, e.g.,* Comment on Rule 3.6, American Bar Association Model Code of Judicial Conduct (“[4] A judge’s membership in a religious organization as a lawful exercise of the freedom of religion is not a violation of this Rule.”).

Further, while in college, I produced and appeared in several video productions for a journalism class. As I recall, one or more of the productions may have been broadcast on the campus television program, "OU Nightly." I have been unable to locate copies of these productions.

- iv. whether you served as a mediator or arbitrator in alternative dispute resolution proceedings and, if so, a description of the 10 most significant matters with which you were involved in that capacity.

I have not served as a mediator or arbitrator in alternative dispute resolution proceedings.

b. Describe:

- i. the general character of your law practice and indicate by date when its character has changed over the years.

From 2015 to 2017, I served as a Counsel (and then Senior Counsel) for the Senate Judiciary Committee for Senator Ted Cruz. There, I analyzed federal judicial candidates, assisted with the confirmation of Supreme Court Justice Neil Gorsuch; and focused on the First Amendment, immigration, intellectual property, and bankruptcy issues. I also analyzed legislation; drafted bills, legal memos, and recommendations; produced subcommittee hearings; assisted with amicus efforts in the federal courts; and supervised our office law clerks. Notably, I helped name and pass the bipartisan Holocaust Expropriated Art Recovery Act (HEAR Act) in 2016.

In 2017, I joined the Oklahoma Attorney General's Office as an Assistant Solicitor General. From 2017 to the present, my legal practice has been focused on constitutional litigation at the appellate and trial levels, defending the interests of the State of Oklahoma in a wide variety of cases, issues, and courts. Specifically, as Director of Special Litigation, I oversee various attorneys litigating important constitutional and appellate cases on behalf of Oklahoma in state and federal courts, and I participate in that litigation myself, writing, editing, and arguing in court. I also advise the Attorney General and the Solicitor General on amicus briefs, litigation strategy, and legislative efforts, and I analyze, edit, and draft Attorney General Opinions. Finally, I oversee the office's legal intern program. Previously, as Solicitor General, I performed many of these same functions while also overseeing our Criminal Appeals Unit and appearing as the chief appellate lawyer for the Oklahoma in federal and state courts.

- ii. your typical clients and the areas at each period of your legal career, if any, in which you have specialized.

As a lawyer in the Oklahoma Attorney General's Office, my client is the State of Oklahoma, its agencies, and government officials who have been sued in their official capacity. I have had a generalized legal practice covering many topics and subject matters.

- c. Describe the percentage of your practice that has been in litigation and whether you appeared in court frequently, occasionally, or not at all. If the frequency of your appearances in court varied, describe such variance, providing dates.

Except for my two years working in the Senate Judiciary Committee, during which I did not appear in court, all my practice has been focused on litigation, and I have appeared in court frequently.

Since 2017, roughly 80 to 90 percent of my practice has been in litigation. The other 10 to 20 percent involves tasks like editing or drafting Attorney General Opinions and advising legislators and executive branch officials, although even that aspect of my practice is closely related to litigation.

i. Indicate the percentage of your practice in:

- | | | |
|----|--------------------------|-----|
| 1. | federal courts: | 50% |
| 2. | state courts of record: | 50% |
| 3. | other courts: | __% |
| 4. | administrative agencies: | __% |

ii. Indicate the percentage of your practice in:

- | | | |
|----|-----------------------|-----|
| 1. | civil proceedings: | 90% |
| 2. | criminal proceedings: | 10% |

d. State the number of cases in courts of record, including cases before administrative law judges, you tried to verdict, judgment or final decision (rather than settled), indicating whether you were sole counsel, chief counsel, or associate counsel.

I have tried one case to a conclusion. As an Assistant Solicitor General, I was an associate counsel during that trial, and I conducted the examination and defense of a critical expert medical witness and a key lay witness. I was also prepared to cross-examine several expert witnesses for the plaintiffs, having conducted their day-long pretrial depositions, but the plaintiffs did not call those witnesses at the trial. I was the lead attorney on appeal.

i. What percentage of these trials were:

- | | | |
|----|-----------|------|
| 1. | jury: | __% |
| 2. | non-jury: | 100% |

e. Describe your practice, if any, before the Supreme Court of the United States. Supply copies of any briefs, amicus or otherwise, and, if applicable, any oral argument transcripts before the Supreme Court in connection with your practice.

Finally, I have appeared at the Supreme Court in the following cases, but not as counsel of record:

17. **Litigation:** Describe the ten (10) most significant litigated matters which you personally handled, whether or not you were the attorney of record. Give the citations, if the cases were reported, and the docket number and date if unreported. Give a capsule summary of the substance of each case. Identify the party or parties whom you represented; describe in detail the nature of your participation in the litigation and the final disposition of the case. Also state as to

each case:

- a. the date of representation;
 - b. the name of the court and the name of the judge or judges before whom the case was litigated; and
 - c. the individual name, addresses, and telephone numbers of co-counsel and of principal counsel for each of the other parties.

I currently represent Oklahoma executive officials, including Governor Kevin Stitt, in a lawsuit challenging their decision not to change sex to gender identity on birth certificates. The District Court granted the State's motion to dismiss. The Tenth Circuit reversed in part. The United States Supreme Court granted the State's petition for certiorari, vacated the Tenth Circuit's decision, and remanded in light of intervening precedent. I was counsel of record at the U.S. Supreme Court. On remand, the Tenth Circuit has certified several state law questions to the Oklahoma Supreme Court. The case is still pending (Okla. I represented Oklahoma officials against a challenge by death-row inmates claiming that Oklahoma's new execution protocol was unconstitutional. The District Court conducted a bench trial from February 28, 2022, to March 7, 2022, where I examined and defended several key witnesses. The Court ruled in the State's favor. The inmates appealed the pretrial dismissal of various claims. After serving as an associate counsel at trial, I led the State of Oklahoma's appellate response, where the Tenth Circuit affirmed.

I represented Oklahoma's Alcoholic Beverage Laws Enforcement (ABLE) Commission and Governor Kevin Stitt in defending the constitutionality, on anti-monopoly grounds, of a state law

mandating that liquor and wine manufacturers of the 25 best-selling brands sell their wares to all licensed wholesalers. Wholesalers sued, arguing that the new law conflicted with the Oklahoma Constitution. I led the State's response, both in briefing and in an August 2019 hearing before the District Court. The District Court granted summary judgment to the Plaintiffs. Order, *IRAP v. ABLE*, No. CJ-2019-3575 (Aug. 12, 2019) (Prince, J.). The State appealed, and the Oklahoma Supreme Court affirmed by a 5-4 vote.

I represented Oklahoma officials in defending the validity of the advance Oklahoma election to replace former United States Senator Jim Inhofe, when he announced his future retirement. The plaintiff first sought relief from the Oklahoma Supreme Court, which declined to exercise

original jurisdiction. Order, *Jones v. Ziriak*, No. 120,253 (Okla. Mar. 24, 2022) (signed by Darby, C.J.). The plaintiff then sued in federal court, where I led the State's defense. The District Court dismissed for lack of standing and held alternatively that summary judgment should be granted to the State. The plaintiff appealed to the Tenth Circuit, where I again led the State's defense. The Tenth Circuit eventually dismissed the appeal as moot once United States Senator Markwayne Mullin was sworn in to replace Senator Inhofe.

I currently represent Oklahoma officials in defending a state law regulating the initiative petition process in Oklahoma by, *inter alia*, requiring signatures to come from a geographically diverse area. Several plaintiffs filed an original jurisdiction action in the Oklahoma Supreme Court, arguing that the law is unconstitutional, and they included evidentiary material. I led the State's legal and evidentiary response, and I argued the case before the *en banc* Oklahoma Supreme Court on November 18, 2025. The Supreme Court granted original jurisdiction on November 19, 2025, but it has not issued a decision. The dates of my representation are 2025 to the present.

I represented Oklahoma election officials in opposition to an emergency lawsuit seeking to convince the Oklahoma Supreme Court to order the officials to place a state recreational marijuana initiative on the November 2022 ballot prematurely. I spearheaded the State's factual and legal response, and I argued the case before an Oklahoma Supreme Court referee on August 26, 2022. In September 2022, the Oklahoma Supreme Court held that the State Election Board did not have a duty to place an initiative question on the general election ballot when it was not fully in compliance with state statutory law.

I represented the State of Oklahoma and State officials in defending Oklahoma’s abortion restrictions at the Oklahoma Supreme Court following the United States Supreme Court’s decision in *Dobbs v. Jackson Women’s Health Org.*, 597 U.S. 215 (2022). In this original jurisdiction case, where I was the lead State attorney, the Oklahoma Supreme Court recognized a narrow right to abortion to protect the life of the mother while rejecting a state constitutional challenge to a longstanding abortion prohibition that was revitalized after *Dobbs* because it contained a life exception.

I represent the State of Oklahoma in its lawsuit against the United States Department of Health and Human Services, which stripped Oklahoma's Title X funding in 2023 because the State Health Department declined to refer women for abortion. The District Court declined to grant the State relief. I argued the appeal, after which a divided Tenth Circuit panel affirmed. I was then counsel of record at the U.S. Supreme Court, which granted the State's petition for certiorari, vacated the Tenth Circuit's opinion, and remanded in light of intervening precedent. The case is ongoing at the Tenth Circuit.

Okla. 2022) (granting summary judgment) (Jones, J.), *rev'd and remanded*, 78 F.4th 1183 (10th Cir. 2023) (Phillips, Murphy, & Rossman, JJ.), *cert. denied*, 145 S. Ct. 2843 (2025). Representation: 2019 – 2025.

I represented the Oklahoma Insurance Commissioner in defending the constitutionality of the Patient's Right to Pharmacy Choice Act, which Oklahoma's Legislature passed in 2019 to regulate pharmacy benefit managers (PBMs). The Pharmaceutical Care Management Association (PCMA) sued, arguing ERISA and Medicare Part D preempted numerous provisions of the Act. The District Court ruled for the State, allowed most of the challenged provisions to take effect, and then granted summary judgment to the State on most of the issues after a lengthy discovery process. PCMA appealed its loss on four provisions, and the Tenth Circuit found those four provisions preempted. The Supreme Court eventually denied certiorari to the State.

– 2025.

I represented the Oklahoma Pardon and Parole Board and its officials in a lawsuit brought by death-row inmate Kevin Underwood, who alleged due process and open meeting violations leading up to his clemency hearing and execution. On December 6, 2024, United States District Judge Charles B. Goodwin conducted a hearing on Underwood’s motion to stay his clemency proceedings and execution. I argued for the State at the hearing, after which the District Court denied Underwood’s motion. Underwood appealed to the Tenth Circuit, where I led the State’s response. Eventually, the Tenth Circuit denied a stay. Underwood then appealed to the U.S. Supreme Court, where I was the counsel of record. The Supreme Court denied a stay and Underwood’s petition for certiorari.

18. **Legal Activities:** Describe the most significant legal activities you have pursued, including significant litigation which did not progress to trial or legal matters that did not involve litigation. Describe fully the nature of your participation in these activities. List any client(s) or organization(s) for whom you performed lobbying activities and describe the lobbying activities you performed on behalf of such client(s) or organizations(s). (Note: As to any facts requested in this question, please omit any information protected by the attorney-client privilege.)

I have never acted or registered as a lobbyist.

In my official capacity as an Assistant Solicitor General, I assisted Oklahoma Attorney General Mike Hunter's effort to help former Army First Lieutenant Michael Behenna (an Oklahoman) obtain a presidential pardon for crimes he was convicted of while deployed in Iraq. President Donald Trump pardoned Behenna on May 6, 2019.

I also spent two years working in the Senate Judiciary Committee for Senator Ted Cruz. There, I evaluated federal judicial candidates, assisted with the confirmation of Supreme Court Justice Neil Gorsuch, and focused on the First Amendment, immigration, intellectual property, and bankruptcy issues. I also analyzed legislation; drafted bills, legal memos, and recommendations; produced subcommittee hearings; and supervised our office law clerks. Notably, I helped name and pass the bipartisan Holocaust Expropriated Art Recovery Act (HEAR Act) in 2016.

Finally, during my tenure with the Oklahoma Office of the Attorney General, I have been regularly involved with the drafting and preparation of Opinions of the Attorney General.

19. **Teaching:** What courses have you taught? For each course, state the title, the institution at which you taught the course, the years in which you taught the course, and describe briefly the subject matter of the course and the major topics taught. If you have a syllabus of each course,

provide copies to the committee.

I have not taught any courses.

20. **Deferred Income/ Future Benefits:** List the sources, amounts and dates of all anticipated receipts from deferred income arrangements, stock, options, uncompleted contracts and other future benefits which you expect to derive from previous business relationships, professional services, firm memberships, former employers, clients or customers. Describe the arrangements you have made to be compensated in the future for any financial or business interest.

I am part of the Pathfinder Oklahoma retirement plan through my employment with the Oklahoma Attorney General's Office.

I also have a Federal Employee Retirement System (FERS) account through my previous employment with the United States Senate.

21. **Outside Commitments During Court Service:** Do you have any plans, commitments, or agreements to pursue outside employment, with or without compensation, during your service with the court? If so, explain.

I have no current plans, commitments, or agreements, to pursue outside employment during my service with the court.

22. **Sources of Income:** List sources and amounts of all income received during the calendar year preceding your nomination and for the current calendar year, including all salaries, fees, dividends, interest, gifts, rents, royalties, licensing fees, honoraria, and other items exceeding \$500 or more (if you prefer to do so, copies of the financial disclosure report, required by the Ethics in Government Act of 1978, may be substituted here).

When my nomination is formally submitted to the Senate, I will file my mandated Financial Disclosure Report and supply a copy to this Committee.

23. **Statement of Net Worth:** Please complete the attached financial net worth statement in detail (add schedules as called for).

See attached Net Worth Statement.

24. **Potential Conflicts of Interest:**

a. Identify the family members or other persons, parties, categories of litigation, and financial arrangements that are likely to present potential conflicts-of-interest when you first assume the position to which you have been nominated. Explain how you would address any such conflict if it were to arise.

I am not aware of any family members or other persons, parties, categories of litigation,

or financial arrangements that would be likely to present potential conflicts of interest if I were to assume the role of federal district judge.

More generally, I would recuse myself from any case on which I have worked. In the short term, this would involve any relevant case or issue from my time with the Oklahoma Attorney General's Office.

b. Explain how you will resolve any potential conflict of interest, including the procedure you will follow in determining these areas of concern.

Should a potential conflict arise, I would first review the laws and rules pertaining to recusal, including 28 U.S.C. § 455 and Canon 3 of the Code of Conduct for United States Judges. I would then carefully review the facts and circumstances of the situation to determine whether a conflict, or even the appearance of a conflict, existed, and if so whether the law and rules called for a recusal. In doing so, I would likely consult my fellow jurists, especially those more experienced with such matters, and I might also consult resources available from both the federal and state legal systems. In appropriate situations, if I made a decision short of recusal, I would want to make sure any party or their counsel had an opportunity to object.

I would also enforce, consistent with federal and local rules, all requirements for filing corporate disclosure statements to determine if I have any conflicts due to investments or other connections.

25. **Pro Bono Work:** An ethical consideration under Canon 2 of the American Bar Association's Code of Professional Responsibility calls for "every lawyer, regardless of professional prominence or professional workload, to find some time to participate in serving the disadvantaged." Describe what you have done to fulfill these responsibilities, listing specific instances and the amount of time devoted to each.

I have spent my entire career in public service.

I have also devoted substantial time to mentoring law students and young lawyers. In law school, I was an OU Dean's Council 1L Mentor (2009 – 2010) and a Dean's Council International Student Mentor (2010 – 11). Since law school, I have routinely assisted students seeking judicial clerkships, and I have counseled undergraduate students and younger attorneys on a variety of other matters, including religious commitments, career direction, and the dangers of substance abuse. Similarly, at the Attorney General's Office I have led our Solicitor General Unit (SGU) intern program for nearly a decade.

I have also occasionally been involved with and promoted the work of the Trinity Legal Clinic, an Oklahoma City-based organization that provides legal services to the poor and disadvantaged. As President of the OU College of Law Christian Legal Society, I hosted speakers on Trinity Legal Clinic's behalf and encouraged students to participate. Since graduation, I have attended and participated in several Trinity Legal Clinic fundraisers in Oklahoma City.

Similarly, my family has occasionally volunteered with City Rescue Mission in Oklahoma City, especially around Thanksgiving and Christmas season.

Finally, I have volunteered as a children's basketball coach several times over the past nine years for the Upward Sports Program in Oklahoma City.

26. **Selection Process:**

a. Please describe your experience in the entire judicial selection process, from beginning to end (including the circumstances which led to your nomination and the interviews in which you participated). Is there a selection commission in your jurisdiction to recommend candidates for nomination to the federal courts? If so, please include that process in your description, as well as whether the commission recommended your nomination. List the dates of all interviews or communications you had with the White House staff or the Justice Department regarding this nomination. Do not include any contacts with Federal Bureau of Investigation personnel concerning your nomination.

On February 25, 2025, I emailed a member of Senator James Lankford's staff expressing my interest in the announced vacancy in the United States District Court for the Eastern District of Oklahoma. I returned a questionnaire on May 2, 2025, and I interviewed with a panel organized by Senator Lankford on May 13, 2025, in Tulsa, Oklahoma.

Since February 2, 2026, I have been in contact with officials from the White House Counsel's Office. On March 2, 2026, I interviewed with attorneys from the White House Counsel's Office and the Office of Legal Policy at the Department of Justice in Washington, D.C.

On May 14, 2026, I interviewed with staff of Senator Lankford and Senator Alan Armstrong via electronic means. On May 19, 2026, I participated in a virtual interview with Senator Lankford.

On August 18, 2026, I spoke with President Trump. He informed me of his intention to nominate me to serve on the United States District Court for the Northern District of Oklahoma.

Throughout this process I have been in contact with officials from the White House Counsel's Office and the Office of Legal Policy.

b. Has anyone involved in the process of selecting you as a judicial nominee discussed with you any currently pending or specific case, legal issue or question in a manner that could reasonably be interpreted as seeking any express or implied assurances concerning your position on such case, issue, or question? If so, explain fully.

No.

I, Zach West, do swear that the information
provided in this statement is, to the best of my knowledge, true and accurate.
