The Honorable Charles Grassley
Chairman, United States Senate Committee on
the Judiciary
224 Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chairman Grassley:

I write in response to a request submitted by a Member of the Committee for waiver of applicable limitations on the public release of two documents from Judge Brett M. Kavanaugh's service in the White House Counsel's Office that our review team initially produced on a "Committee Confidential" basis. On behalf of President George W. Bush, we have no objection to the public release of the documents identified by the Committee Member. The White House has authorized me to inform you that the President of the United States also has no objection to their public release. We have enclosed with this letter versions of the two documents with the "Committee Confidential" stamp removed.

Respectfully,

William A. Burck
