## **Independent Women Supports the Confirmation of Emil Bove**

June 16, 2025

Dear Chairman Grassley, Ranking Member Durbin, and Members of the Senate Judiciary Committee,

Independent Women, which advances policies that enhance opportunity and well-being, supports the nomination of Emil Bove to a judgeship on the U.S. Court of Appeals for the Third Circuit.

There is no question that Emil Bove is incredibly qualified to serve on the Court of Appeals for the Third Circuit.

Mr. Bove brings a distinguished record of legal excellence and public service, particularly in areas vital to the security and integrity of our nation. His tenure as an Assistant United States Attorney in the Southern District of New York, where he prosecuted complex cases involving terrorism, drug trafficking, and violations of U.S. sanctions laws, including espionage and cyber threats, demonstrates both his legal acumen and his deep commitment to the rule of law.

Importantly, Mr. Bove has consistently shown fidelity to the Constitution and respect for the separation of powers. With clerkships on both the U.S. Court of Appeals and the U.S. District Court, he has developed a deep understanding of judicial procedure and precedent. His work at the Department of Justice and his leadership on matters of national security and law enforcement

reflect the seriousness, impartiality, and prudence we expect from our federal judiciary.

Independent Women is proud to support the nomination of such a qualified nominee to the U.S. Court of Appeals for the Third Circuit. We urge senators to provide Mr. Bove with a fair and respectful hearing and to confirm him to a judgeship on the U.S. Court of Appeals for the Third Circuit.
