Dear Senator Grassley, Senator Feinstein, and Members of the Committee on the Judiciary:

It is with great honor that I write in support of President Trump's nomination of Justice Britt C. Grant for appointment as a member of the United States Court of Appeals for the 11th Circuit.

I have known Judge Grant for a number of years and greatly value her extensive public service. She is well respected for her leadership not only in private practice, but also as an official in the Administration of President George W. Bush, Georgia's Solicitor General, and as a member of the Georgia Supreme Court.

Judge Grant is highly qualified to serve as a United States Circuit Judge. Her distinguished resume illustrates her diverse jurisprudential competency and her commitment to the preservation of freedom, and judicial restraint. Always upholding remarkable integrity and professionalism, Judge Grant has the impeccable ability of maintaining a fair and balanced approach to decision making.

I am confident that she will serve with great distinction and her commitment for public service will continue unabated. Accordingly, I request your favorable consideration of Justice Britt C. Grant's nomination to the United States Court of Appeals.

Sincerely,

Casey Cagle
Lt. Governor of Georgia
