NAB Congratulates Adam Candeub on DOJ Antitrust Nomination

WASHINGTON, D.C. - The following statement can be attributed to NAB President and CEO Curtis LeGeyt:

"NAB congratulates Adam Candeub on his nomination to serve as assistant attorney general for antitrust at the Department of Justice. As general counsel of the Federal Communications Commission, Mr. Candeub has brought deep legal, regulatory and competition policy experience, and we appreciate his thoughtful engagement on the issues local broadcasters face as we compete against big tech behemoths in today's media marketplace. We wish him well as the Senate considers his nomination."
