

# Texas Against Fentanyl

---

September 8, 2025

The Honorable Members of the Senate Judiciary Committee  
United States Senate  
Washington, D.C.

Dear Senate Committee,

On behalf of Texas Against Fentanyl (TXAF), I am writing to urge the Senate Judiciary Committee to confirm Sara Carter as Director of the Office of National Drug Control Policy (ONDCP).

TXAF is a nonprofit founded in Texas and now serving families and communities across the nation. We have led efforts to pass landmark legislation such as Tucker's Law, which mandates fentanyl education in Texas schools, and we work closely with law enforcement, educators, and Angel Families to combat the fentanyl epidemic. Our mission is rooted in saving lives through awareness, education, and prevention.

Sara Carter is uniquely qualified to lead ONDCP. Her record shows not only investigative expertise and policy awareness but also compassion for families devastated by fentanyl poisonings. She has consistently amplified the voices of grieving parents, exposed the networks fueling this crisis, and built bridges among the very stakeholders that ONDCP must unite in order to succeed.

The scale of this epidemic demands leadership with both urgency and moral courage. Sara Carter has demonstrated both. We are confident that under her direction, ONDCP will take the bold steps needed to reduce fentanyl deaths and protect our communities.

For these reasons, Texas Against Fentanyl strongly urges the Senate Judiciary Committee to advance and confirm Sara Carter's nomination as ONDCP Director. Lives depend on it.

Sincerely,  
Stefanie Roe  
President  
Texas Against Fentanyl (TXAF)
