Re: Recommendation of Justice Britt Grant for the United States Court of Appeals for the Eleventh Circuit

Dear Senator Grassley, Senator Feinstein, and Members of the Committee on the Judiciary:

I write to recommend the confirmation of Justice Britt Grant to fill the judicial vacancy in the United States Court of Appeals for the Eleventh Circuit. In my tenure as President and CEO of the Georgia Chamber of Commerce, Justice Grant has worked diligently as a member of Georgia's appellate bench and demonstrated a thorough understanding of the impact an unpredictable civil justice environment can have on individuals, businesses, nonprofits and public entities. Justice Grant exemplifies the temperament, experience and intellectual capacity to make an outstanding federal appellate judge.

Justice Grant has extensive legal experience and a gifted legal mind. Her background in both the public and private sectors has prepared her well for this position. Among her many accomplishments, Justice Grant has served with distinction on the Georgia Supreme Court, as Solicitor General of Georgia and clerked for the United States Court of Appeals for the District of Columbia Circuit. Despite encountering a wide range of viewpoints and personalities, she has been unwavering in her exhibition of both fairness and respect for all parties while remaining steadfast in her principles.

Finally, as a member of the Federalist Society, Justice Grant recognizes the importance of being deferential to the Constitution and legislative process, and the need to exercise judicial restraint. She is highly qualified to fill this vacancy and would make an excellent federal appellate judge.

Thank you for your time and consideration of this recommendation.

Sincerely,

Chris Clark
President and CEO
Georgia Chamber of Commerce
