Dear Chairman Leahy and Ranking Member Grassley,

I, Terrance Daniels, am writing this letter to support Debo Adegbile to the position of Assistant Attorney General for the Civil Rights Division of the United States Department of Justice.

I am a retired Detective from the New York City Police Department, who served the department for twenty years. My duties included working as a patrol officer as well as a detective in Applicant Investigations, Detective Squad duties, Bronx Homicide Task Force and the Missing Persons Squad. I also worked with the Medical Examiners Office in the Identifications Squad during the 9-11 tragedy.

I have known Debo for more than thirty years as a classmate, a co-worker and a friend. I can't think of anyone more qualified to be appointed to this position. Debo has always been known for having the highest integrity and and moral character. He has always displayed a work ethic that would be hard to duplicate. His knowledge of individual's legal rights will be perfectly used in the position he has been nominated for. He will protect everyone's Civil Rights with an enthusiasm and knowledge that will be second to none.

I am fully confident that Debo will serve our country extremely well as the Assistant Attorney General for the Civil Rights Division.

Respectfully,

(Retired) Detective Terrance Daniels
