Re: Letter in Support of the Honorable Daniel D. Domenico's Nomination to the United States Court of Appeals for the Tenth Circuit

Dear Chairman Grassley and Ranking Member Durbin:

As members of the Colorado legal community, we are proud to support the nomination of Judge Daniel D. Domenico to the United States Court of Appeals for the Tenth Circuit. We hold a diverse set of political views as Republicans, Democrats, and Independents. Many of us have been critical of the actions taken by President Trump. Yet we are united in the belief that Judge Domenico is exceptionally well-qualified to join the Tenth Circuit.

Judge Domenico has been a core member of the Colorado legal community for decades. While he currently serves as the chief judge of the District of Colorado, many of us know Judge Domenico from his tenure as the Solicitor General of Colorado or his time in private practice. Some of us have known him since he was a clerk at the Tenth Circuit. We agree that Judge Domenico is a person of the highest character who endeavours in both his professional and personal life to treat every person and case with dignity and respect. His reputation on the district court is one of fairness and commitment to the letter of the law.

At the Tenth Circuit, Judge Domenico's experience managing a diverse and high-volume district court docket will be highly valuable. The same is true for his temperament and character.

We encourage the Committee and the full Senate to confirm him without delay.

Sincerely,

Alex J. Harris
