

Mike Dowdle
Vice President of Business Affairs and General Counsel
Bonneville International Corporation

In March 2012, Mike Dowdle was named Vice President, Business Affairs and General Counsel of Bonneville International Corporation. Mike brings with him nearly thirty years of experience in the legal arena, with much of that focused on intellectual property rights and other legal issues relating to the music and media industries.

From his position as a shareholder at the law firm of Allen, Nelson, Hardy & Evans, Mike joined Non-Stop Productions, Inc. as General Counsel, and with two partners co-founded and became President & CEO of the companies at the core of the Non-Stop Music Group.

In 1997, Mike pioneered the formation of the Production Music Association (PMA), becoming its first board chairman – a position he held for 11 years. Under his leadership, the PMA became the “acknowledged Voice of the Production Music Industry”, representing virtually all of the production music community, and currently boasting a membership of more than 400 member libraries and music production companies.

Mike and his partners sold the Non-Stop Music companies in 2007 to Warner/Chappell Music, Inc., part of the Warner Music Group, and Mike became President and CEO of Warner's new worldwide production music division, now known as Warner/Chappell Production Music, Inc.

In 2008, Mike took a leave of absence from Warner/Non-Stop to accept a three-year call to serve as the President of the Micronesia Guam Mission of the Church of Jesus Christ of Latter-day Saints. He returned from that assignment in July of 2011.

Mike graduated from the University of Utah cum laude with a BA in 1980, and a JD in 1983. He is a member of the Utah and Arizona state bar associations.

Married since 1978, he and his wife Gayla, have four children.
