Rabbi Abraham Cooper
Associate Dean & Global Social Action Director
Simon Wiesenthal Center

Dear Rabbi Cooper:

Thank you for appearing in front of the Senate Judiciary Committee's (SJC) bipartisan February 3, 2026, hearing titled: "The Truth Revealed: Hidden Facts Regarding Nazis and Swiss Banks."¹

The Committee record remains open and I request that you provide answers to the following new Questions for the Record to assist the Committee in determining its next investigative steps. To the extent that your previous answers to the Committee's Questions for the Record require updates, please provide that additional information.

1. Will the Simon Wiesenthal Center commit to continuing the provision of assistance and cooperation to Congress in current or future matters involving UBS or the Swiss banking system?
2. Now that Judge Korman has issued his ruling, explain to the Committee how it will impact, if at all, your interactions with the Committee.
3. Did the Simon Wiesenthal Center initiate, file, or otherwise play a role in commencing the current proceedings in the Eastern District of New York before Judge Edward R. Korman?
4. Is the Simon Wiesenthal Center presently a plaintiff or otherwise a party in any litigation in the United States against Credit Suisse or UBS? If so, please identify the court, case name, and docket number.
5. UBS has withheld from Independent Ombudsperson Neil Barofsky documents he has deemed necessary for his review citing a threat of litigation by the Simon Wiesenthal Center. Has the Simon Wiesenthal Center received from Mr. Barofsky any documents from the Credit Suisse archives to date? At this time, is there any threat of litigation from you or your organization?
