Senate Minority Leader
322 Hart Senate Office Building
Washington, DC 20510

RECEIVED FEB 01 2017

Re: **Supreme Court Nominee**

Dear Senator Schumer,

Herndon-Reston Indivisible is anticipating President Trump to announce a Supreme Court nominee in the near future. In advance of that announcement, we would like to list the issues we believe any future Supreme Court justice must support:

Health Care:

- A woman's right reproductive health care, access to safe and legal abortion, and contraception
- Support of the Affordable Care Act, Medicaid expansion and CHIP
- Maintain and enforce health and safety standards and regulations which protect workers

Voting Issues:

- Voting rights for all citizens
- Fair and consistent redistricting practices
- Overturn of Citizens United to reduce the influence of money in our elections

Environment Issues:

- Support of Clean Air Act
- Support of Clean Water Act
- Reduce carbon emissions and other measures to combat global warming

Other Issues:

- Uphold civil rights legislation protecting civil rights for minorities and LGBTQ individuals
- Allow public sector unions to collect fees
- Sensible gun restrictions

None of the suggested nominees (Judge Neil M. Gorsuch, Judge Thomas Hardiman and Judge William H. Pryor, Jr.) are aligned with our positions. Herndon-Reston Indivisible agrees with Senator Schumer when he said on Rachel Maddow, "It is hard for me to imagine a nominee that Donald Trump would choose that would get Republican support that we could support."

Thank you in advance for your time and consideration. We can be reached at herndonrestonindivisible@gmail.com or you may call Heidi Zollo at 703-887-3562.

Sincerely,

Herndon-Reston Indivisible

cc: Judiciary Committee
Senator Mark Warner
Senator Tim Kaine
