Dear Chairman Grassley and Ranking Member Feinstein,

On behalf of 1,165 alumnae (and counting) of the Holton-Arms School in Bethesda, M.D., we submit this letter in support of Dr. Christine Blasey Ford to the record for the Senate Judiciary Committee. A copy of the letter, and its signers, follows.

Sincerely,

Holton-Arms Alumnae in support of Dr. Christine Blasey Ford

Lee, Senator Amy Klobuchar, Senator Ted Cruz, Senator Christopher A. Coons, Senator Ben Sasse, Senator Richard Blumenthal, Senator Jeff Flake, Senator Mazie Hirono, Senator Mike Crapo, Senator Cory Booker, Senator Thom Tillis, Senator Kamala Harris, Senator John Kennedy

WE STAND WITH DR. CHRISTINE BLASEY FORD

We are alumnae of the Holton-Arms School, and we are writing in support of Dr. Christine Blasey Ford, a fellow Holton graduate.

We believe Dr. Blasey Ford and are grateful that she came forward to tell her story. It demands a thorough and independent investigation before the Senate can reasonably vote on Brett Kavanaugh's nomination to a lifetime seat on the nation's highest court.

Dr. Blasey Ford's experience is all too consistent with stories we heard and lived while attending Holton. Many of us are survivors ourselves.

Holton's motto teaches students to "find a way or make one." We dream of making a world where women are free from harassment, assault, and sexual violence. We are deeply grateful to Dr. Blasey Ford for bravely stepping forward and bringing us closer to that world we all seek.

Sincerely,

Holton Alumnae in Support of Dr. Christine Blasey Ford
