Re: *Rebecca Grady Jennings, Nominee to United States District Court for the Western District of Kentucky*

Dear Chairman Grassley and Ranking Member Feinstein:

We write to jointly express support for the nomination of Rebecca Grady Jennings to the United States District Court for the Western District of Kentucky.

The individuals joining this letter are attorneys and law professors from around the country who have collectively known and worked with Ms. Jennings over the course of many years. In fact, many of the undersigned have practiced cases where Ms. Jennings is in an opposing counsel capacity before various United States District Courts, numerous Federal Courts of Appeals, Kentucky Circuit and District Courts and a variety of administrative jurisdictions. Although we do not necessarily share a common political or jurisprudential perspective – with Ms. Jennings or each other – we are unanimous in our unqualified enthusiasm for her nomination.

Ms. Jennings is a phenomenal lawyer and possesses all the traits one would hope for in a judge. She has a first-rate analytical mind and superb judgment. She is principled, thoughtful, and hard-working. Ms. Jennings' character is beyond reproach and we are confident that her judicial temperament will reflect all of these qualities. Ms. Jennings, if confirmed, will make an excellent addition to the United States District Court for the Western District of Kentucky.

We hope this letter will aid the Committee in its consideration of Ms. Jennings' nomination and we appreciate your time and consideration. We enthusiastically support the nomination of Rebecca Grady Jennings and any of us would be happy to answer any questions you may have with regard to our support.

Sincerely,
