

UNITED STATES DISTRICT COURT CENTRAL DISTRICT OF CALIFORNIA LOS ANGELES, CA 90012

CHAMBERS OF STEVE KIM UNITED STATES MAGISTRATE JUDGE TELEPHONE (213) 894-2662

February 18, 2020

The Honorable Lindsey Graham Chairman, Judiciary Committee United States Senate 290 Russell Senate Office Building Washington, D.C. 20510

The Honorable Dianne Feinstein Ranking Member, Judiciary Committee United States Senate 331 Hart Senate Office Building Washington, D.C. 20510

Re: <u>Update to December 2019 Senate Judiciary Questionnaire</u>

Dear Chairman Graham and Ranking Member Feinstein:

I have reviewed the questionnaire submitted to the Senate Judiciary Committee on December 11, 2019, in connection with my nomination to the United States District Court for the Central District of California. Incorporating the additional information listed below, I certify that the information contained in these documents is, to the best of my knowledge, true and accurate:

Questions 13(b), (g). As of February 2020, according to the District Court's CM/ECF system, I have entered more than 2,000 orders in criminal cases and more than 3,500 orders in civil cases, including approximately 425 reports and recommendations. Citations for my civil orders or reports and recommendations that are available on Westlaw or Lexis as of February 2020 are supplied in Attachment 13(b) to this letter.

Question 13(f). In Kon v. Sherman, 2020 WL 507936 (9th Cir. Jan. 31, 2020), the Ninth Circuit Court of Appeals reversed in part an order adopting my

recommendation to deny the habeas petition of a California state prisoner convicted of sexually assaulting a minor. Petitioner confessed to sexual penetration, as well as lewd and lascivious acts, with a nine-year-old girl but alleged that police had obtained his confession in violation of his Fifth Amendment *Miranda* rights by not honoring a request for counsel. Finding no evidence in the state court record of an unambiguous request for counsel, I recommended denial of this claim, which recommendation the district judge adopted in a final judgment. *See Kon v. Sherman*, 2017 WL 10575168 (C.D. Cal. Nov. 17, 2017), *rec. adopted by*, 2018 WL 6219992 (C.D. Cal. Feb. 1, 2018). After granting a limited certificate of appealability, a Ninth Circuit panel (Berzon, Watford, CJs; Whaley, DJ) reversed the judgment in part and remanded for an evidentiary hearing solely to determine if petitioner had made an unambiguous request for counsel before confessing to the crime of sexual penetration with a child 10 years of age or younger. *See Kon*, 2020 WL 507936, at *2.

Question 13(h). As a Magistrate Judge, I have so far handled nearly 350 combined habeas petitions and civil rights complaints, all of which raised federal constitutional claims. As of February 2020, approximately 60 of my orders or reports and recommendations in these cases are available in Westlaw and approximately 300 are available in Lexis. The citations for these cases are supplied in Attachment 13(h) to this letter.

I am also forwarding an updated net worth statement and financial disclosure report. I thank the Committee for its consideration of my nomination.

Sincerely,

Steve Kim

United States Magistrate Judge Central District of California
