Re: Nomination of Brett M. Kavanaugh

Dear Chairman Grassley and Ranking Member Feinstein:

We write to express our support for the nomination of Brett M. Kavanaugh to be an Associate Justice of the Supreme Court of the United States.

We all worked with Brett when he was a partner at Kirkland & Ellis in the late 1990s and early 2000s. We saw first hand that he consistently displayed a keen intellect, sound judgment, exceptional analytical ability, and the highest level of integrity in representing our clients. Beyond that, we learned that Brett is an unfailingly fair-minded, kind, and modest person, that he has a great, self-deprecating sense of humor, and that he was always an amiable colleague. We are all proud to have worked with him.

Although we hold a broad range of political views, we all believe that Brett is well suited by his talent, collegial demeanor, and integrity to be an outstanding justice on the Supreme Court. We strongly support his nomination and urge his confirmation by the Senate.

Sincerely,
