Re: Nomination of William Grayson Lambert to be United States District Judge for the District of South Carolina

Dear Chairman Grassley and Ranking Member Durbin:

I am writing to express my wholehearted support for the nomination of William Grayson Lambert to the United States District Court for District of South Carolina. Grayson is extraordinarily qualified and will serve our country well as a United States District Court Judge.

Grayson and I worked together for more than four years at the McNair Law Firm, PA and then Burr & Forman, LLP, working predominately on voting rights and election related issues in both federal and state courts. We worked together on such cases as *Andino v. Middleton,* 141 S. Ct. 9 (2020). After Grayson went to the Governor's Office, we continued to work on cases, such as *Crook v. S.C. Election Comm'n,* 2025 WL 2630725. Grayson has an inquisitive mind and will study every aspect of a case before coming to his legal conclusion. He is wise beyond his years and is as good a listener as he is an advocate.

Grayson embraces and loves the law. In many ways, it is his North Star. Whatever his personal feelings, without question he will follow the law and precedent. His temperament, even in times of great stress, is even keeled. And he always has a smile. He treats opponents and comrades with respect, grace and civility. He will do the same with every litigant before him.

Finally, Grayson is a good person and family man. Many a time while we were working together, he would leave to go have supper with his wife and boys, get them to bed and then come back to the office to work. He is a man of faith.

Simply put, Grayson will serve the Court with justice, fairness and compassion and support and sustain the rule of law. I strongly urge the Senate to confirm Grayson without delay.

Very truly yours,

M. Elizabeth Crum
