Dear Chairman Grassley and Ranking Member Durbin:

We write in support of the nomination of Kathleen Lane to be a judge on the United States District Court for the District of Montana. Each of us is a partner at Consvoy McCarthy PLLC and a former colleague of Ms. Lane during her time at our law firm. And several of us knew Ms. Lane before that, from her time at Antonin Scalia Law School and/or her time serving in the Montana Office of the Attorney General. Many of us also have worked with Ms. Lane after she left our firm for the Republican National Committee. We thus have first-hand experience regarding her intellect, judgment, temperament, and character, and we unequivocally support her nomination.

Ms. Lane was a stellar student at Scalia Law School, and her work at the Montana Attorney General's Office was first-rate. So those of us who knew her then were very interested in recruiting her to join Consvoy McCarthy. While Ms. Lane was with our firm, she always did fantastic work. Her work product was uniformly thoughtful, thorough, and on point. For that reason, we had no hesitation having Ms. Lane represent our clients in their most important matters. And after she moved onto the RNC, Ms. Lane exhibited great skill and excellent judgment in managing its nationwide litigation docket. We can say with great confidence that Ms. Lane has the necessary intellect and judgment to serve as a United States District Judge.

On top of that, Ms. Lane unquestionably has the requisite temperament and character for the job. Litigation practice can be very stressful, but Ms. Lane has always been able

to exercise calm, reasoned judgment. She gives levelheaded counsel even in the most pressure-packed moments. And she is the consummate teammate—honest, respectful, accountable, and a joy to work with.

In short, Ms. Lane’s legal acumen, judgment, and integrity make her exceptionally well-suited to serve as a United States District Judge. We thus strongly support Ms. Lane’s nomination and urge her swift confirmation by the Senate.

Sincerely,
