Re: Nomination of Brian Meyers to the United States District Court for the Eastern District of North Carolina

Dear Chairman Grassley and Ranking Member Durbin:

We are lawyers and members of the private bar who have worked with Brian Meyers in his role as an Assistant United States Attorney and United States Magistrate Judge. We write in support of his nomination to serve as a United States District Judge for the Eastern District of North Carolina.

Brian's objective qualifications are exceptional. He excelled as a student and athlete at Davidson University. He was an outstanding student at the University of Richmond School of Law. He also served this country well in the U,S. Marine Corps. Thereafter, Brian was an extremely capable federal prosecutor; served the Department of Justice as a member of the Executive Office of United States Attorneys, Executive Assistant United States Attorney and Legal Counsel to the U.S.Attorney. And, now he is an distinguished member of the Eastern District's bench as a U.S. Magistrate Judge.

The achievements on Brian's résumé are insufficient, however, to illustrate his character and integrity. Many of us have been his opponents—attorneys representing clients on the opposite sides of cases against Brian and the U.S. Attorney"s Office. He is a highly intelligent, formidable advocate. When he speaks, though, it is not with volume or a forceful tone, but with quiet confidence based on clear, disciplined thinking.

More importantly, particularly for a judicial nominee, as a Magistrate Judge Brian listens patiently, treating everyone in a case with humility and respect. As litigants appearing before him, he has earned our trust and confidence that each of his decisions is based on fair, thorough, and sincere evaluation of the facts and the law.

Brian is extraordinarily qualified to serve as a United States District Judge. His remarkable professional record reveals his intellect, work ethic, and dedication to service, and we have observed first-hand his integrity and personal temperament. We enthusiastically support his nomination, and we respectfully ask the Senate to confirm him to the U.S. District Court for the Eastern District of North Carolina.

Sincerely,
