Re: Brett Joseph Talley, Nominee, U.S. District Court, Middle District of Alabama

Dear Senators Grassley and Feinstein:

As a practicing attorney for approximately 50 years, I write in enthusiastic support of the nomination of Brett Joseph Talley to be a United States District Judge for the Middle District of Alabama

As a former president of the Alabama Bar Association and Alabama Trial Lawyers, I have had the opportunity to work with many fine lawyers. One of the finest that I have had dealings with is Brett Talley. During Brett's tenure as the Deputy Solicitor General for the Alabama Attorney General's office I have come in contact with him and would represent to you that he is extremely qualified intellectually, as well as, professionally to serve as District Judge. Additionally, he possesses a quality of practicality and common sense that is not normally present with other persons of similar intellect.

I would highly recommend Brett Talley for United States District Judge and would urge your confirmation of him in such capacity.

Sincerely,

  
Larry W. Morris
