The Honorable Charles Grassley
Chairman

United States Senate
Washington, DC 20510

The Honorable Dianne Feinstein
Ranking Member
Committee on the Judiciary
United States Senate
Washington, DC 20510

Dear Chairman Grassley and Ranking Member Feinstein:

I have reviewed the questionnaire submitted to the Senate Judiciary Committee on August 24, 2018, in connection with my nomination to the United States District Court for the Northern District of Ohio. Incorporating the additional information listed below, I certify that the information contained in these documents is, to the best of my knowledge, true and accurate.

Question 12 (d)

On October 10, 2018, I testified before the Senate Judiciary Committee concerning my nomination. The recording and copy of my Questions for the Record are available at <https://www.judiciary.senate.gov/meetings/10/10/2018/nominations>.

Question 13 (a)

I have presided over approximately 488 additional cases that have gone to verdict or judgment. I have presided over an additional seven trials. Of those seven additional trials, six were jury trials, one was a bench trial, two were civil trials and five were criminal trials.

Question 13 (b)

Citations to additional recent opinions that I have written as a Judge on the Cuyahoga County Court of Common Pleas:

Pinchot v. Citizens Bank, N.A., et al., No. CV 17 884083 (copy supplied)

Homan v. City of Berea, et al., No. CV 18 891602 (copy supplied)

Perry v. Jay Auto Group, LLC, No. CV 18 891872 (copy supplied)

Grange Mut. Cas. Co. v. Wicked Logistics LLC, No. CV 18 891496 (copy supplied)

Petruziello v. Aris Teleradiology Prof. Corp., No. CV 16 871926 (copy supplied)

Brennan v. North Coast Administrators, Inc., No. CV 17 888789 (copy supplied)

Question 13 (f)

The citation and brief summary for one additional decision in a civil case that was affirmed in part, reversed and remanded in part:

Jones v. Univ. Hosps. Of Cleveland, 2018-Ohio-4704, 2013 Ohio App. LEXIS 5042, 2018 WL 6132310. The appellate court affirmed that part of my decision granting summary judgment in favor of two defendants, but reversed that part of my decision granting summary judgment in favor of the defendant doctor because the court clerk lacked authority under R.C. 2303.08 and 2303.10 to reject the patient's manually filed complaint due to lack of addresses in the caption, and as such, the claims against the doctor were commenced within the statute of limitations, as extended by tolling agreements.

Question 14

I have recused myself, *sua sponte*, in the following additional cases:

Grundstein v. Clerk of Courts, Cuyahoga County Court of Common Pleas, Cuyahoga County Court of Common Pleas, Case No. CV 18 905392. The named defendant was our clerk of courts.

Emerald Woods Homeowners Assn. v. Cline, Cuyahoga County Court of Common Pleas, Case No. CV 18 904617. During the 24 years I had been a Brecksville resident, I was a member of the plaintiff homeowners' association and the defendant was a neighbor of mine.

Austin Building & Design, Inc. v. Sovos Brands Intermediate, Inc., Cuyahoga County Court of Common Pleas, Case No. CV 18 901492. The motion to dismiss filed by the defendant included an affidavit completed by a friend and campaign supporter of mine.

Olive Oil LLC v. Cleveland Electric Illuminating Co, et al., Cuyahoga County Court of Common Pleas, Case No. CV 17 888617. One of the named defendants was a company owned by friends of mine.

Please note that I am also forwarding an updated net worth statement and a copy of my Financial Disclosure Report.

Sincerely,

A handwritten signature in black ink that reads "Judge Pamela A. Barker". The signature is written in a cursive, flowing style.
